ARES COMMERCIAL REAL ESTATE CORPORATION AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
As of March 31, 2025
(in thousands, except share and per share data, percentages and as otherwise indicated)
(unaudited)

1. ORGANIZATION

Ares Commercial Real Estate Corporation (together with its consolidated subsidiaries, the “Company” or “ACRE”) is a specialty finance company primarily engaged in directly originating and investing in commercial real estate loans and related investments. Through Ares Commercial Real Estate Management LLC (“ACREM” or the Company’s “Manager”), a Securities and Exchange Commission (“SEC”) registered investment adviser and a subsidiary of Ares Management Corporation (NYSE: ARES) (“Ares Management” or “Ares”), a publicly traded, leading global alternative investment manager, it has investment professionals strategically located across the United States and Europe who directly source new loan opportunities for the Company with owners, operators and sponsors of commercial real estate (“CRE”) properties. The Company was formed and commenced operations in late 2011. The Company is a Maryland corporation and completed its initial public offering (the “IPO”) in May 2012. The Company is externally managed by its Manager, pursuant to the terms of a management agreement (the “Management Agreement”).

The Company operates as one operating segment and is primarily focused on directly originating and managing a diversified portfolio of CRE debt-related investments for the Company’s own account. The Company’s target investments include senior mortgage loans, subordinated debt, preferred equity, mezzanine loans and other CRE investments, including commercial mortgage-backed securities. These investments are generally held for investment and are secured, directly or indirectly, by office, multifamily, retail, industrial, lodging, self storage, student housing, residential and other commercial real estate properties, or by ownership interests therein.

The Company has elected and qualified to be taxed as a real estate investment trust (“REIT”) for United States federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”), commencing with its taxable year ended December 31, 2012. The Company generally will not be subject to United States federal income taxes on its REIT taxable income as long as it annually distributes all of its REIT taxable income prior to the deduction for dividends paid to stockholders and complies with various other requirements as a REIT.

2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying unaudited consolidated interim financial statements should be read in conjunction with the audited consolidated financial statements and the related management's discussion and analysis of financial condition and results of operations included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2024 filed with the SEC.

Refer to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2024 for a description of the Company's recurring accounting policies. The Company has included disclosure below regarding basis of presentation and other accounting policies that (i) are required to be disclosed quarterly or (ii) the Company views as critical as of the date of this report.

Basis of Presentation

The accompanying unaudited consolidated interim financial statements have been prepared on the accrual basis of accounting in conformity with United States generally accepted accounting principles ("GAAP") and include the accounts of the Company, the consolidated variable interest entities ("VIEs") that the Company controls and of which the Company is the primary beneficiary, and the Company's wholly-owned subsidiaries. The unaudited consolidated interim financial statements reflect all adjustments and reclassifications that, in the opinion of management, are necessary for the fair presentation of the Company's results of operations and financial condition as of and for the periods presented. All intercompany balances and transactions have been eliminated.

The unaudited consolidated interim financial statements are prepared in accordance with GAAP and pursuant to the requirements for reporting on Form 10-Q and Article 10 of Regulation S-X. The current period's results of operations will not necessarily be indicative of results for any other interim period or that ultimately may be achieved for the year ending December 31, 2025.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Global macroeconomic conditions, including high inflation, changes to fiscal and monetary policy, high interest rates, potential market-wide liquidity problems, currency fluctuations, labor shortages and challenges in the supply chain, have the potential to negatively impact the Company and its borrowers. These current macroeconomic conditions may continue or aggravate and could cause the United States economy or other global economies to experience an economic slowdown or recession. We anticipate our business and operations could be materially adversely affected by a prolonged recession in the United States or other major global economy.

The Company believes the estimates and assumptions underlying its consolidated financial statements are reasonable and supportable based on the information available as of March 31, 2025, however, uncertainty over the global economy and the Company's business, makes any estimates and assumptions as of March 31, 2025 inherently less certain than they would be absent the current and potential impacts of current macroeconomic conditions. Actual results could differ from those estimates.

Variable Interest Entities

The Company evaluates all of its interests in VIEs for consolidation. When the Company's interests are determined to be variable interests, the Company assesses whether it is deemed to be the primary beneficiary of the VIE. The primary beneficiary of a VIE is required to consolidate the VIE. Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 810, *Consolidation*, defines the primary beneficiary as the party that has both (i) the power to direct the activities of the VIE that most significantly impact its economic performance, and (ii) the obligation to absorb losses and the right to receive benefits from the VIE which could be potentially significant. The Company considers its variable interests, as well as any variable interests of its related parties in making this determination. Where both of these factors are present, the Company is deemed to be the primary beneficiary and it consolidates the VIE. Where either one of these factors is not present, the Company is not the primary beneficiary and it does not consolidate the VIE.

To assess whether the Company has the power to direct the activities of a VIE that most significantly impact the VIE's economic performance, the Company considers all facts and circumstances, including its role in establishing the VIE and its ongoing rights and responsibilities. This assessment includes first, identifying the activities that most significantly impact the VIE's economic performance; and second, identifying which party, if any, has power over those activities. In general, the parties that make the most significant decisions affecting the VIE or have the right to unilaterally remove those decision makers are deemed to have the power to direct the activities of a VIE.

To assess whether the Company has the obligation to absorb losses of the VIE or the right to receive benefits from the VIE that could potentially be significant to the VIE, the Company considers all of its economic interests, including debt and equity investments, servicing fees, and other arrangements deemed to be variable interests in the VIE. This assessment requires that the Company applies judgment in determining whether these interests, in the aggregate, are considered potentially significant to the VIE. Factors considered in assessing significance include: the design of the VIE, including its capitalization structure; subordination of interests; payment priority; relative share of interests held across various classes within the VIE's capital structure; and the reasons why the interests are held by the Company.

For VIEs of which the Company is determined to be the primary beneficiary, all of the underlying assets, liabilities, equity, revenue and expenses of the structures are consolidated into the Company's consolidated financial statements.

The Company performs an ongoing reassessment of: (1) whether any entities previously evaluated under the majority voting interest framework have become VIEs, based on certain events, and therefore are subject to the VIE consolidation framework, and (2) whether changes in the facts and circumstances regarding its involvement with a VIE cause the Company's consolidation conclusion regarding the VIE to change. See Note 14 included in these consolidated financial statements for further discussion of the Company's VIEs.

Restricted Cash

Restricted cash includes funds on deposit with financial institutions related to real estate owned properties that are held in the Company's consolidated VIEs.

Loans Held for Investment

The Company originates CRE debt and related instruments generally to be held for investment. Loans that are held for investment are carried at cost, net of unamortized purchase discounts, deferred loan fees and origination costs and cost-recovery proceeds (the "carrying value"). Loans are generally collateralized by real estate. The extent of any credit deterioration associated with the performance and/or value of the underlying collateral property and the financial and operating capability of the borrower could impact the expected amounts received. The Company monitors performance of its loans held for investment portfolio under the following methodology: (1) borrower review, which analyzes the borrower's ability to execute on its original business plan, reviews its financial condition, assesses pending litigation and considers its general level of responsiveness and cooperation; (2) economic review, which considers underlying collateral (i.e. leasing performance, unit sales and cash flow of the collateral and its ability to cover debt service, as well as the residual loan balance at maturity); (3) property review, which considers current environmental risks, changes in insurance costs or coverage, current site visibility, capital expenditures and market perception; and (4) market review, which analyzes the collateral from a supply and demand perspective of similar property types, as well as from a capital markets perspective. Such analyses are completed and reviewed by asset management and finance personnel who utilize various data sources, including periodic financial data such as property occupancy, tenant profile, rental rates, operating expenses, and the borrower's exit plan, among other factors.

Loans are generally placed on non-accrual status when principal or interest payments are past due 30 days or more or when there is reasonable doubt that principal or interest will be collected in full. Accrued and unpaid interest is generally reversed against interest income in the period the loan is placed on non-accrual status. Interest payments received on non-accrual loans may be recognized as income or applied to reduce loan carrying value depending upon management's judgment regarding the borrower's ability to make pending principal and interest payments. Non-accrual loans are restored to accrual status when past due principal and interest are paid and, in management's judgment, are likely to remain current. The Company may make exceptions to placing a loan on non-accrual status if the loan has sufficient collateral value and is in the process of collection.

Loan balances that are deemed to be uncollectible are written off as a realized loss and are deducted from the CECL Reserve (as defined below). The write-offs are recorded in the period in which the loan balance is deemed uncollectible based on management's judgment.

Current Expected Credit Losses

FASB ASC Topic 326, *Financial Instruments—Credit Losses* (“ASC 326”), requires the Company to reflect current expected credit losses (“CECL”) on both the outstanding balances and unfunded commitments on loans held for investment and requires consideration of a broad range of historical experience adjusted for current conditions and reasonable and supportable forecast information to inform credit loss estimates (the “CECL Reserve” or “CECL Reserves”). Increases and decreases to expected credit losses impact earnings and are recorded within (provision for) reversal of current expected credit losses, net in the Company’s consolidated statements of operations. The CECL Reserve related to outstanding balances on loans held for investment required under ASC 326 is a valuation account that is deducted from the amortized cost basis of the Company’s loans held for investment in the Company’s consolidated balance sheets. The CECL Reserve related to unfunded commitments on loans held for investment is recorded within other liabilities in the Company’s consolidated balance sheets. See Note 4 included in these consolidated financial statements for CECL related disclosures.

Loans Held for Sale

Although the Company generally holds its target investments as long-term investments, the Company occasionally classifies some of its investments as held for sale if there is an intent to sell the investment prior to maturity or payoff. Investments held for sale are carried at the lower of carrying value or fair value within loans held for sale in the Company’s consolidated balance sheets, with changes in fair value recorded through earnings.

Real Estate Owned Held for Investment

Real estate assets held for investment are carried at their estimated fair value at acquisition and are presented net of accumulated depreciation or amortization and impairment charges. The Company allocates the purchase price of acquired real estate assets held for investment based on the fair value of the acquired land, buildings and improvements, furniture, fixtures and equipment, intangible assets and intangible liabilities, as applicable.

Real estate assets held for investment are depreciated or amortized using the straight-line method over estimated useful lives of up to 40 years for buildings and improvements, up to 15 years for furniture, fixtures and equipment and over the lease terms for intangible assets and liabilities. Renovations and/or replacements that improve or extend the life of the real estate asset are capitalized and depreciated over their estimated useful lives. The cost of ordinary repairs and maintenance are expensed as incurred. Other than amortization related to intangible assets and liabilities for above-market or below-market leases, depreciation or amortization expense related to real estate assets held for investment is included within expenses from real estate owned in the Company’s consolidated statements of operations. Amortization for above-market or below-market leases is recognized as an adjustment to rental revenue and is included within revenue from real estate owned in the Company’s consolidated statements of operations.

Real estate assets held for investment are evaluated for indicators of impairment on a quarterly basis. Factors that the Company may consider in its impairment analysis include, among others: (1) significant underperformance relative to historical or anticipated operating results; (2) significant negative industry or economic trends; (3) costs necessary to extend the life or improve the real estate asset; (4) significant increase in competition; and (5) ability to hold and dispose of the real estate asset in the ordinary course of business. A real estate asset is considered impaired when the sum of estimated future undiscounted cash flows expected to be generated by the real estate asset over the estimated remaining holding period is less than the carrying amount of such real estate asset. Cash flows include operating cash flows and anticipated capital proceeds generated by the real estate asset. An impairment charge is recorded equal to the excess of the carrying value of the real estate asset over the fair value. When determining the fair value of a real estate asset, the Company makes certain assumptions including, but not limited to, consideration of projected operating cash flows, comparable selling prices and projected cash flows from the eventual disposition of the real estate asset based upon the Company’s estimate of a capitalization rate and discount rate.

Debt Issuance Costs

Debt issuance costs under the Company's indebtedness are capitalized and amortized over the term of the respective debt instrument. Unamortized debt issuance costs are expensed when the associated debt is repaid prior to maturity. Debt issuance costs related to debt securitizations are capitalized and amortized over the term of the underlying loans using the effective interest method. When an underlying loan is prepaid in a debt securitization and the outstanding principal balance of the securitization debt is reduced, the related unamortized debt issuance costs are charged to expense based on a pro-rata share of the debt issuance costs being allocated to the specific loans that were prepaid. Amortization of debt issuance costs is included within interest expense, except as noted below, in the Company's consolidated statements of operations while the unamortized balance on the (i) Secured Funding Agreements (each individually defined in Note 6 included in these consolidated financial statements) is included within other assets and (ii) the Secured Term Loan (defined in Note 6 included in these consolidated financial statements) and debt securitizations are each included as a reduction to the carrying amount of the liability, in the Company's consolidated balance sheets.

Revenue Recognition

Interest income is accrued based on the outstanding principal amount and the contractual terms of each loan or debt security. For loans held for investment, the origination fees, contractual exit fees and direct origination costs are also recognized in interest income over the initial loan term as a yield adjustment using the effective interest method. For available-for-sale debt securities, premiums or discounts are amortized or accreted into interest income as a yield adjustment using the effective interest method.

Revenue from real estate owned represents revenue associated with the operations of an office property acquired in September 2024 and a mixed-use property acquired in September 2023.

Revenue from the operation of the office and mixed-use properties consists primarily of rental revenue from operating leases. For each operating lease with scheduled rent increases over the term of the lease, the Company recognizes rental revenue on a straight-line basis over the lease term when collectability of the lease payment is probable. Variable lease payments are recognized as rental revenue in the period when the changes in facts and circumstances on which the variable lease payments are based occur. Certain of the Company's office and mixed-use property leases also contain provisions for tenants to reimburse the Company for property operating expenses. Such reimbursements are included in rental revenue on a gross basis. Rental revenue also includes amortization of intangible assets and liabilities related to above- and below-market leases.

Net Interest Margin and Interest Expense

Net interest margin in the Company's consolidated statements of operations serves to measure the performance of the Company's loans and debt securities as compared to its use of debt leverage. The Company includes interest income from its loans and debt securities and interest expense related to its Secured Funding Agreements, Notes Payable, securitization debt and the Secured Term Loan (each individually defined in Note 6 included in these consolidated financial statements) in net interest margin. For the three months ended March 31, 2025 and 2024, interest expense is comprised of the following (\$ in thousands):

	For the Three Months Ended March 31,	
	2025	2024
Secured funding agreements	\$ 10,215	\$ 12,877
Notes payable	—	1,999
Securitization debt	6,217	12,187
Secured term loan	1,757	1,756
Interest expense	<u>\$ 18,189</u>	<u>\$ 28,819</u>

Comprehensive Income (Loss)

Comprehensive income (loss) consists of net income (loss) and OCI that are excluded from net income (loss).

3. LOANS HELD FOR INVESTMENT

As of March 31, 2025, the Company's portfolio included 27 loans held for investment, excluding 188 loans that were repaid, sold, converted to real estate owned or written off since inception. The aggregate originated commitment under these loans at closing was approximately \$1.5 billion and outstanding principal was \$1.4 billion as of March 31, 2025. During the three months ended March 31, 2025, the Company funded approximately \$7.2 million of outstanding principal and received repayments of \$306.8 million of outstanding principal. As of March 31, 2025, 68.3% of the Company's loans have Secured Overnight Financing Rate ("SOFR") floors, with a weighted average floor of 0.96%, calculated based on loans with SOFR floors. References to SOFR or "S" are to 30-day SOFR (unless otherwise specifically stated).

The Company's investments in loans held for investment are accounted for at amortized cost. The following tables summarize the Company's loans held for investment as of March 31, 2025 and December 31, 2024 (\$ in thousands):

- (1) The difference between the Carrying Amount and the Outstanding Principal amount of the loans held for investment consists of unamortized purchase discounts, deferred loan fees and origination costs and cost-recovery proceeds.
- (2) Unleveraged Effective Yield is the compounded effective rate of return that would be earned over the life of the investment based on the contractual interest rate (adjusted for any deferred loan fees, costs, premiums or discounts) and assumes no dispositions, early prepayments or defaults. The total Weighted Average Unleveraged Effective Yield is calculated based on the average of Unleveraged Effective Yield of all loans held by the Company as of March 31, 2025 and December 31, 2024 as weighted by the total outstanding principal balance of each loan.

- (1) The difference between the Carrying Amount and the Outstanding Principal amount of the loans held for investment consists of unamortized purchase discounts, deferred loan fees and origination costs and cost-recovery proceeds. For the loans held for investment that represent co-investments with other investment vehicles managed by Ares Management (see Note 12 included in these consolidated financial statements for additional information on co-investments), only the portion of Carrying Amount and Outstanding Principal held by the Company is reflected.
- (2) Unleveraged Effective Yield is the compounded effective rate of return that would be earned over the life of the investment based on the contractual interest rate (adjusted for any deferred loan fees, costs, premiums or discounts) and assumes no dispositions, early prepayments or defaults. Unleveraged Effective Yield for each loan is calculated based on SOFR as of March 31, 2025 or the SOFR floor, as applicable. The total Weighted Average Unleveraged Effective Yield is calculated based on the average of Unleveraged Effective Yield of all loans held by the Company as of March 31, 2025 as weighted by the outstanding principal balance of each loan.
- (3) Reflects the initial loan maturity date excluding any contractual extension options. Certain loans are subject to contractual extension options that generally vary between one and two 12-month extensions and may be subject to performance based or other conditions as stipulated in the loan agreement. Actual maturities may differ from contractual maturities stated herein as certain borrowers may have the right to prepay with or without paying a prepayment penalty. The Company may also extend contractual maturities and amend other terms of the loans in connection with loan modifications.
- (4) I/O = interest only, P/I = principal and interest.

- (5) The Illinois loan is structured as both a senior and mezzanine loan with the Company holding both positions. The senior position has a per annum interest rate of $S + 2.25\%$ and the mezzanine position has a fixed per annum interest rate of 10.00% . The senior and mezzanine loans were both on non-accrual status as of March 31, 2025 and the Unleveraged Effective Yield is not applicable. In March 2025, the Company and the borrower entered into a modification and extension agreement to, among other things, extend the maturity date on the Illinois loan from March 2025 to July 2025. For the three months ended March 31, 2025, the Company received \$1.9 million of interest payments in cash on the senior loan that was recognized as a reduction to the carrying value of the loan and the borrower is current on all contractual interest payments.
- (6) The New York loan is structured as both a senior and mezzanine loan with the Company holding both positions. The senior and mezzanine positions each have a per annum interest rate of $S + 8.95\%$. The senior and mezzanine loans were both on non-accrual status as of March 31, 2025 and the Unleveraged Effective Yield is not applicable.
- (7) In February 2023, amortization began on the senior diversified loan, which had an outstanding principal balance of \$77.3 million as of March 31, 2025. In December 2023, amortization began on the senior California loan, which had an outstanding principal balance of \$20.1 million as of March 31, 2025. The remainder of the loans in the Company's portfolio are non-amortizing through their primary terms.
- (8) In March 2025, the Company and the borrower entered into a modification and extension agreement to, among other things, extend the maturity date on the senior California loan from March 2025 to March 2026.
- (9) The New York loan is structured as both a senior A-Note and a subordinated B-Note with the Company holding both positions. The subordinated B-Note is subordinate to new sponsor equity related to additional capital contributions. The senior A-Note, which had an outstanding principal balance of \$59.0 million as of March 31, 2025, has a per annum interest rate of $S + 2.65\%$ and the subordinated B-Note, which had an outstanding principal balance of \$10.3 million as of March 31, 2025, has a fixed per annum interest rate of 5.50% . As of March 31, 2025, the subordinated B-Note was on non-accrual status and therefore, the Unleveraged Effective Yield is not applicable. As of March 31, 2025, the borrower is current on all contractual interest payments for the senior A-Note and the subordinated B-Note.
- (10) In January 2025, the Company and the borrower entered into a modification and extension agreement to, among other things, extend the maturity date on the senior Illinois loan from January 2025 to January 2027.

The subordinated B-Note and C-Note are subordinate to new sponsor equity related to additional capital contributions. As of March 31, 2025, the subordinated C-Note was on non-accrual status and therefore, the Unleveraged Effective Yield is not applicable. As of March 31, 2025, the borrower is current on all contractual interest payments for the senior A-Note and the subordinated C-Note.

The Company has made, and may continue to make, modifications to loans, including loans that are in default. Loan terms that may be modified include interest rates, required prepayments, asset release prices, maturity dates, covenants, principal amounts and other loan terms. The terms and conditions of each modification vary based on individual circumstances and will be determined on a case by case basis. As of December 31, 2024, the Company had five loans held for investment on non-accrual status with a carrying value of \$318.4 million.

4. CURRENT EXPECTED CREDIT LOSSES

The Company estimates its CECL Reserve primarily using a probability-weighted model that considers the likelihood of default and expected loss given default for each individual loan. Calculation of the CECL Reserve requires loan-specific data, which includes capital senior to the Company when the Company is the subordinate lender, changes in net operating income, debt service coverage ratio, loan-to-value, occupancy, property type and geographic location. Estimating the CECL Reserve also requires significant judgment with respect to various factors, including (i) the appropriate historical loan loss reference data, (ii) the expected timing of loan repayments, (iii) calibration of the likelihood of default to reflect the risk characteristics of the Company's floating rate loan portfolio and (iv) the Company's current and future view of the macroeconomic environment. The Company may consider loan-specific qualitative factors on certain loans to estimate its CECL Reserve. In order to estimate the future expected loan losses relevant to the Company's portfolio, the Company utilizes historical market loan loss data licensed from a third party data service. The third party's loan database includes historical loss data for commercial mortgage-backed securities, or CMBS, issued dating back to 1998, which the Company believes is a reasonably comparable and available data set to its type of loans. The Company utilized macroeconomic forecasts and inputs that reflected a blend of a stable and a weaker economic outlook in the near term; however, the actual financial impact on the Company of the current environment is highly uncertain. For periods beyond the reasonable and supportable forecast period, the Company reverts back to historical loss data. Management's current estimate of expected credit losses as of March 31, 2025 decreased compared to the estimate of expected credit losses as of December 31, 2024 primarily due to a relative improvement in the near-term macroeconomic forecasts, shorter average remaining loan term and loan repayments during the three months ended March 31, 2025. The CECL Reserve also takes into consideration the assumed impact of macroeconomic conditions on CRE properties and is not specific to any loan losses or impairments on the Company's loans held for investment, unless the Company determines that a specifically identifiable reserve is warranted for a select asset.

In certain instances, the Company may identify specific loans to be collateral dependent. The Company considers loans to be collateral dependent if both of the following criteria are met: (i) loan is expected to be substantially repaid through the operation or sale of the underlying collateral, and (ii) the borrower is experiencing financial difficulty. The determination of whether these criteria are met for an individual loan requires the use of significant judgment and can be based on several factors subject to uncertainty.

For such loans that the Company determines that foreclosure of the collateral is probable, the Company estimates the CECL Reserve based on the difference between the fair value of the collateral (less costs to sell the asset if repayment is expected through the sale of the collateral) and the amortized cost basis of the loan as of the measurement date. For collateral dependent loans that the Company determines foreclosure is not probable, the Company applies a practical expedient to estimate the CECL Reserve using the difference between the collateral's fair value (less costs to sell the asset if repayment is expected through the sale of the collateral) and the amortized cost basis of the loan. To determine the fair value of the collateral, the Company may employ different approaches depending on the type of collateral, including methods such as the income approach, the market approach or the direct capitalization approach. These methods require the use of key unobservable inputs, which are inherently uncertain and subjective. Determining the appropriate valuation method and selecting the appropriate key unobservable inputs and assumptions requires significant judgment and consideration of factors specific to the underlying collateral being assessed. Additionally, the key unobservable inputs and assumptions used may vary depending on the information available and market conditions as of the valuation date. As such, the fair value that is used in calculating the CECL Reserve is subject to uncertainty and any actual losses, if incurred, could differ materially from the CECL Reserve.

As of March 31, 2025, the Company's CECL Reserve for its loans held for investment portfolio is \$139.6 million or 945 basis points of the Company's total loans held for investment commitment balance of \$1.5 billion and is bifurcated between the CECL Reserve (contra-asset) related to outstanding balances on loans held for investment of \$131.4 million and a liability for unfunded commitments of \$8.2 million. The liability was based on the unfunded portion of the loan commitment over the full contractual period over which the Company is exposed to credit risk through a current obligation to extend credit. Management considered the likelihood that funding will occur, and if funded, the expected credit loss on the funded portion.

As of March 31, 2025, the senior mortgage loan on an office property located in Illinois with a principal balance of \$165.1 million had a risk rating of "5." As of March 31, 2025, this loan was assessed individually and the Company elected to assign a CECL Reserve of \$57.7 million on the Illinois office loan. The CECL Reserve for this loan was based on the Company's estimate of net proceeds available from the potential sale of the collateral property and this CECL Reserve is included in the Company's total CECL Reserve.

Current Expected Credit Loss Reserve for Funded Loan Commitments

Activity related to the CECL Reserve for outstanding balances on the Company's loans held for investment as of and for the three months ended March 31, 2025 was as follows (\$ in thousands):

Activity related to the CECL Reserve for unfunded commitments on the Company's loans held for investment as of and for the three months ended March 31, 2025 was as follows (\$ in thousands):

Balance at December 31, 2024 (1)	\$ 8,757
Provision for (reversal of) current expected credit losses, net	(549)
Balance at March 31, 2025 (1)	\$ 8,208

- (1) The CECL Reserve related to unfunded commitments on loans held for investment is recorded within other liabilities in the Company's consolidated balance sheets.

The Company continuously evaluates the credit quality of each loan by assessing the risk factors of each loan and assigning a risk rating based on a variety of factors. Risk factors include property type, geographic and local market dynamics, physical condition, leasing and tenant profile, projected cash flow, loan structure and exit plan, loan-to-value ratio, debt service coverage ratio, project sponsorship, and other factors deemed necessary. Based on a 5-point scale, the Company's loans are rated "1" through "5," from less risk to greater risk, which ratings are defined as follows:

Ratings	Definition
1	Very Low Risk
2	Low Risk
3	Medium Risk
4	High Risk/Potential for Loss: Asset performance is trailing underwritten expectations. Loan at risk of impairment without material improvement to performance
5	Impaired/Loss Likely: A loan that has a significantly increased probability of default and principal loss

The risk ratings are primarily based on historical data as well as taking into account future economic conditions.

As of March 31, 2025, the carrying value, excluding the CECL Reserve, of the Company's loans held for investment within each risk rating by year of origination is as follows (\$ in thousands):

	2025	2024	2023	2022	2021	Prior	Total

Accrued Interest Receivable

The Company elected not to measure a CECL Reserve on accrued interest receivable due to the Company's policy of writing off uncollectible accrued interest receivable balances in a timely manner. As of March 31, 2025 and December 31, 2024, interest receivable of \$6.0 million and \$8.1 million, respectively, is included within other assets in the Company's consolidated balance sheets and is excluded from the carrying value of loans held for investment. If the Company were to have uncollectible accrued interest receivable, it generally would reverse accrued and unpaid interest against interest income and no longer accrue for these amounts.

5. REAL ESTATE OWNED

On September 19, 2024, the Company acquired legal title to a multi-building office property located in North Carolina through a deed in lieu of foreclosure. Prior to September 19, 2024, the office property collateralized a \$68.6 million senior mortgage loan held by the Company that was in maturity default due to the failure of the borrower to repay the outstanding principal balance of the loan by the May 2024 maturity date. In conjunction with the deed in lieu of foreclosure, the Company derecognized the \$68.6 million senior mortgage loan and recognized the office property as real estate owned. As the Company does not expect to complete a sale of the office property within the next twelve months, the office property is considered held for investment, and is carried at its estimated fair value at acquisition and is presented net of accumulated depreciation or amortization and impairment charges. At acquisition, the Company recognized a realized loss of \$5.8 million on the derecognition of the senior mortgage loan as the fair value of the office property at acquisition of \$60.2 million and the net operating assets and liabilities held at the office property of \$(201) thousand at acquisition was less than the \$65.8 million cost basis of the senior mortgage loan. Certain operating assets and liabilities of the office property are included within other assets and other liabilities, respectively, in the Company's consolidated balance sheets and include items such as prepaid expenses, rent receivables, straight-line rent receivables and payables and trade payables.

On September 8, 2023, the Company acquired legal title to a mixed-use property located in Florida through a consensual foreclosure. Prior to September 8, 2023, the mixed-use property collateralized an \$82.9 million senior mortgage loan held by the Company that was in maturity default due to the failure of the borrower to repay the outstanding principal balance of the loan by the February 2023 maturity date. In conjunction with the consensual foreclosure, the Company derecognized the \$82.9 million senior mortgage loan and recognized the mixed-use property as real estate owned. As the Company does not expect to complete a sale of the mixed-use property within the next twelve months, the mixed-use property is considered held for investment, and is carried at its estimated fair value at acquisition and is presented net of accumulated depreciation or amortization and impairment charges. The Company did not recognize any gain or loss on the derecognition of the senior mortgage loan as the fair value of the mixed-use property of \$84.3 million and the net operating assets and liabilities held at the mixed-use property of \$(1.4) million at acquisition approximated the \$82.9 million carrying value of the senior mortgage loan. Certain operating assets and liabilities of the mixed-use property are included within other assets and other liabilities, respectively, in the Company's consolidated balance sheets and include items such as prepaid expenses, rent receivables, straight-line rent receivables and payables and trade payables.

The following table summarizes the Company's real estate owned held for investment as of March 31, 2025 and December 31, 2024 (\$ in thousands):

With the exception of amortization related to intangible assets and liabilities for above-market or below-market leases, depreciation and amortization expense is included within expenses from real estate owned in the Company's consolidated statements of operations. Amortization related to intangible assets and liabilities for above-market or below-market leases is recognized as an adjustment to rental revenue and is included within revenue from real estate owned in the Company's consolidated statements of operations.

Intangible Lease Assets and Liabilities

For the three months ended March 31, 2025, there were no property acquisitions. The Company refers to the Secured Funding Agreements, Notes Payable and the Secured Term Loan as the “Financing Agreements.” The outstanding balance of the Financing Agreements in the table below are presented gross of debt issuance costs. As of March 31, 2025 and December 31, 2024, the outstanding balances and total commitments under the Financing Agreements consisted of the following (\$ in thousands):

- (1) The maximum commitment for the Wells Fargo Facility (as defined below) may be increased to up to \$500.0 million at the Company's option, subject to the satisfaction of certain conditions, including payment of an upsize fee.
- (2) The maximum commitment for the Citibank Facility (as defined below) may be increased to up to \$425.0 million by up to two increments of \$50.0 million with the consent of Citibank (defined below), subject to the satisfaction of certain conditions, including payment of an upsize fee.
- (3) Amount immediately available under the CNB Facility at any given time can fluctuate based on the fair value of the collateral in the borrowing base that secures the CNB Facility. As of March 31, 2025, there was no immediate availability under the CNB Facility based on the fair value of the collateral in the borrowing base at such time. The amount immediately available under the CNB Facility may be increased to up to \$75.0 million by the pledge of additional collateral into the borrowing base in accordance with the CNB Facility agreement.
- (4) In January 2025, the Company elected to repay \$10.0 million of outstanding principal on the Secured Term Loan at par prior to the scheduled maturity as permitted by the contractual terms of the Secured Term Loan. As of March 31, 2025, the Secured Term Loan has a total commitment of \$120.0 million.

Some of the Company's Financing Agreements are collateralized by (i) assignments of specific loans, preferred equity or a pool of loans held for investment or loans held for sale owned by the Company, (ii) interests in the subordinated portion of the Company's securitization debt, (iii) interests in wholly-owned entity subsidiaries that hold the Company's loans held for investment, or (iv) available-for-sale debt securities. The Company is the borrower or guarantor under each of the Financing Agreements. Generally, the Company partially offsets interest rate risk by matching the interest index of loans held for investment with the Secured Funding Agreements used to fund them. The Company's Financing Agreements contain various affirmative and negative covenants, including negative pledges, and provisions regarding events of default that are normal and customary for similar financing arrangements.

Wells Fargo Facility

The Company is party to a master repurchase funding facility with Wells Fargo Bank, National Association ("Wells Fargo") (the "Wells Fargo Facility"), which allows the Company to borrow up to \$450.0 million. The maximum commitment may be increased to up to \$500.0 million at the Company's option, subject to the satisfaction of certain conditions, including payment of an upsize fee. Under the Wells Fargo Facility, the Company is permitted to sell, and later repurchase, certain qualifying senior commercial mortgage loans, A-Notes, pari-passu participations in commercial mortgage loans and mezzanine loans under certain circumstances, subject to available collateral approved by Wells Fargo in its sole discretion. In February 2025, the Company amended the Wells Fargo Facility to, among other things, extend the initial maturity date and funding period of the Wells Fargo Facility to February 10, 2028, subject to two 12-month extensions, each of which may be exercised at the Company's option assuming no existing defaults under the Wells Fargo Facility and applicable extension fees being paid, which, if both were exercised, would extend the maturity date of the Wells Fargo Facility to February 10, 2030. Advances under the Wells Fargo Facility accrue interest at a per annum rate equal to the sum of one-month SOFR plus a pricing margin range of 1.50% to 3.75%, subject to certain exceptions.

Citibank Facility

The Company is party to a \$325.0 million master repurchase facility with Citibank, N.A. ("Citibank") (the "Citibank Facility"). Under the Citibank Facility, the Company is permitted to sell and later repurchase certain qualifying senior commercial mortgage loans and A-Notes approved by Citibank in its sole discretion. The initial maturity date of the Citibank Facility is January 13, 2027, subject to two 12-month extensions, each of which may be exercised at the Company's option assuming no existing defaults under the Citibank Facility and applicable extension fees being paid, which, if both were exercised, would extend the maturity date of the Citibank Facility to January 13, 2029. The Citibank Facility includes an accordion provision such that the maximum commitment for the Citibank Facility may be increased to up to \$425.0 million by up to two increments of \$50.0 million with the consent of Citibank, subject to the satisfaction of certain conditions, including payment of an upsize fee. Advances under the Citibank Facility accrue interest at a per annum rate equal to the sum of one-month SOFR plus an indicative pricing margin range of 1.50% to 2.10%, subject to certain exceptions. The Company incurs a non-utilization fee of 25 basis points per annum on the average daily positive difference between the maximum advances approved by Citibank and the actual advances outstanding on the Citibank Facility. For the three months ended March 31, 2025, the Company incurred a non-utilization fee of \$1 thousand. For the three months ended March 31, 2024, the Company did not incur a non-utilization fee. The non-utilization fee is included within interest expense in the Company's consolidated statements of operations.

CNB Facility

The Company is party to a \$75.0 million secured revolving funding facility with City National Bank (the “CNB Facility”). The Company is permitted to borrow funds under the CNB Facility to finance investments and for other working capital and general corporate needs. The amount immediately available under the CNB Facility at any given time can fluctuate based on the fair value of the collateral in the borrowing base that secures the CNB Facility. As of March 31, 2025, there was no immediate availability under the CNB Facility based on the fair value of the collateral in the borrowing base at such time, which may be increased to up to \$75.0 million by the pledge of additional collateral into the borrowing base in accordance with the CNB Facility agreement. In February 2025, the Company exercised its 12-month extension option to extend the maturity date of the CNB Facility to March 10, 2026. The interest rate on advances under the CNB Facility is a per annum rate equal to the sum of, at the Company's option, either (a) a SOFR-based rate plus 3.25% or (b) a base rate plus 2.25%, in each case, subject to an interest rate floor. Unless at least 75% of the CNB Facility is used on average, unused commitments under the CNB Facility accrue non-utilization fees at the rate of 0.375% per annum. For the three months ended March 31, 2025 and 2024, the Company incurred a non-utilization fee of \$70 thousand and \$71 thousand, respectively. The non-utilization fee is included within interest expense in the Company's consolidated statements of operations.

Morgan Stanley Facility

The Company is party to a \$250.0 million master repurchase and securities contract with Morgan Stanley Bank, N.A. (“Morgan Stanley”) (the “Morgan Stanley Facility”). Under the Morgan Stanley Facility, the Company is permitted to sell, and later repurchase, certain qualifying commercial mortgage loans collateralized by retail, office, mixed-use, multifamily, industrial, hospitality, student housing or self storage properties. Morgan Stanley may approve the mortgage loans that are subject to the Morgan Stanley Facility in its sole discretion. The initial maturity date of the Morgan Stanley Facility is July 16, 2025, subject to one 12-month extension, which may be exercised at the Company's option, subject to the satisfaction of certain conditions, including payment of an extension fee, which, if exercised, would extend the maturity date of the Morgan Stanley Facility to July 16, 2026. Advances under the Morgan Stanley Facility generally accrue interest at a per annum rate equal to the sum of one-month SOFR plus a spread ranging from 1.75% to 2.25%, determined by Morgan Stanley, depending upon the mortgage loan sold to Morgan Stanley in the applicable transaction.

Notes Payable

ACRC Lender CO LLC, a wholly owned subsidiary of the Company, was party to a Credit and Security Agreement with Capital One, National Association, as administrative agent and collateral agent, and the lender referred to therein. The Credit and Security Agreement provided for a \$105.0 million recourse note (the “Notes Payable”). The \$105.0 million note was secured by a \$133.0 million senior mortgage loan held by the Company on a multifamily property located in New York and was fully and unconditionally guaranteed by the Company pursuant to a Guaranty of Recourse Obligation (the “CapOne Guaranty”). The initial maturity date of the \$105.0 million note was July 28, 2025, subject to two 12-month extensions, each of which may have been exercised at the Company's option, subject to the satisfaction of certain conditions, including payment of an extension fee, which, if both were exercised, would have extended the maturity date to July 28, 2027. On September 13, 2024, the Company elected to repay in full and terminate the \$105.0 million note prior to its scheduled maturity on July 28, 2025. There were no prepayment penalties in connection with the early termination of the \$105.0 million note. The \$105.0 million note accrued interest at a per annum rate equal to the sum of one-month SOFR plus a spread of 2.00%.

Secured Term Loan

The Company and certain of its subsidiaries are party to a \$120.0 million Credit and Guaranty Agreement with the lenders referred to therein and Cortland Capital Market Services LLC, as administrative agent and collateral agent for the lenders (the “Secured Term Loan”). The maturity date of the Secured Term Loan is November 12, 2026. The interest rate on advances under the Secured Term Loan are set to the following fixed rates: (i) 4.50% per annum until May 1, 2025 and (ii) after May 1, 2025 through November 12, 2026, the interest rate increases 0.25% every three months. There is a contingent interest rate increase of 4.00% if the outstanding principal amount of the Secured Term Loan is not paid down to the following amounts on specific dates as follows: (i) \$120.0 million as of February 1, 2025, (ii) \$110.0 million as of May 1, 2025, (iii) \$100.0 million as of August 1, 2025 and (iv) \$90.0 million as of November 1, 2025. On January 27, 2025, the Company elected to repay \$10.0 million of outstanding principal on the Secured Term Loan at par. As of March 31, 2025, the total outstanding principal balance of the Secured Term Loan was \$120.0 million.

The total original issue discount and the modification fee on the Secured Term Loan represents a discount to the debt cost to be amortized into interest expense using the effective interest method over the term of the Secured Term Loan. For the three months ended March 31, 2025 and 2024, the per annum effective interest rate of the Secured Term Loan, which is equal to the fixed interest rate plus the accretion of the original issue discount and associated costs, was 5.7% and 4.6%, respectively.

7. COMMITMENTS AND CONTINGENCIES

As further discussed in Note 2 to our consolidated financial statements, the impact of the current macroeconomic conditions on the Company's business is uncertain. As of March 31, 2025, there were no contingencies recorded on the Company's consolidated balance sheets as a result of such conditions; however, if global market conditions worsen, it could adversely affect the Company's business, financial condition and results of operations.

As of March 31, 2025 and December 31, 2024, the Company had the following commitments to fund various senior mortgage loans, subordinated debt investments, as well as preferred equity investments accounted for as loans held for investment (\$ in thousands):

	As of

Less: funded commitments	(1,404,409)	(1,698,506)
Total unfunded commitments	\$ 73,366	\$ 74,577

The Company from time to time may be a party to litigation relating to claims arising in the normal course of business. As of March 31, 2025, the Company is not aware of any legal claims that could materially impact its business, financial condition or results of operations.

8. STOCKHOLDERS' EQUITY

Stock Repurchase Program

On July 31, 2024, the Company's board of directors renewed its stock repurchase program of up to \$50.0 million (the "Repurchase Program"), which is expected to be in effect until July 31, 2025, or until the approved dollar amount has been used to repurchase shares. Pursuant to the Repurchase Program, the Company may repurchase shares of its common stock in amounts, at prices and at such times as it deems appropriate, subject to market conditions and other considerations, including all applicable legal requirements. Repurchases may include purchases on the open market or privately negotiated transactions, under Rule 10b5-1 trading plans, under accelerated share repurchase programs, in tender offers and otherwise. The Repurchase Program does not obligate the Company to acquire any particular amount of shares of its common stock and may be modified or suspended at any time at its discretion. During the three months ended March 31, 2025 and 2024, the Company did not repurchase any shares through the Repurchase Program.

Common Stock

There were no shares of the Company's common stock issued in public or private offerings for the three months ended March 31, 2025 and 2024. See "Equity Incentive Plan" below for shares issued under the Equity Incentive Plan described below.

Equity Incentive Plan

On April 23, 2012, the Company adopted an equity incentive plan, which was amended and restated in June 2018 and further amended in May 2022 (as further amended, the “Amended and Restated 2012 Equity Incentive Plan”). In April 2024, the Company’s board of directors approved, and in May 2024, the Company’s stockholders approved, the second amendment to the Amended and Restated 2012 Equity Incentive Plan, which increased the total number of shares of common stock the Company may grant thereunder to 5,015,000 shares. Pursuant to the Amended and Restated 2012 Equity Incentive Plan, as amended by the second amendment, the Company may grant awards consisting of restricted shares of the Company’s common stock, restricted stock units (“RSUs”) and/or other equity-based awards to the Company’s outside directors, employees of the Manager, officers, ACREM and other eligible awardees under the plan. Any restricted shares of the Company’s common stock and RSUs will be accounted for under FASB ASC Topic 718, Compensation—Stock Compensation, resulting in stock-based compensation expense equal to the grant date fair value of the underlying restricted shares of common stock or RSUs.

Restricted stock and RSU grants generally vest ratably over a one to three-year period from the vesting start date. The grantee receives additional compensation for each outstanding restricted stock or RSU grant, classified as dividends paid, equal to the per-share dividends received by the Company’s common stockholders.

The following tables summarize the (i) non-vested shares of restricted stock and RSUs and (ii) vesting schedule of shares of restricted stock and RSUs for the Company’s directors and officers and employees of the Manager as of March 31, 2025:

10. INCOME TAX

The Company wholly owns ACRC Lender W TRS LLC, which is a taxable REIT subsidiary (“TRS”) formed to issue and hold certain loans intended for sale. The Company also wholly owns ACRC 2017-FL3 TRS LLC, which is a TRS formed to hold a portion of the FL3 CLO Securitization and FL4 CLO Securitization (as defined below), including the portion that generates excess inclusion income. Additionally, the Company wholly owns ACRC WM Tenant LLC, which is a TRS formed to lease from an affiliate the hotel property classified as real estate owned acquired on March 8, 2019. ACRC WM Tenant LLC engaged a third-party hotel management company to operate the hotel under a management contract prior to the sale of the hotel on March 1, 2022.

The income tax provision for the Company and the TRSs consisted of the following for the three months ended March 31, 2025 and 2024 (\$ in thousands):

	For the Three Months Ended March 31,	
	2025	2024
Current	\$ 282	\$ —
Deferred	(1)	2

Total income tax expense (benefit), including excise tax	\$ 281	\$ 2

For the three months ended March 31, 2025 and 2024, the Company did not incur any expense for U.S. federal excise tax. Excise tax represents a 4% tax on the sum of a portion of the Company’s ordinary income and net capital gains not distributed during the calendar year (including any distribution declared in the fourth quarter and paid the following January) plus any prior year shortfall. If it is determined that an excise tax liability exists for the current tax year, the Company will accrue excise tax on estimated excess taxable income as such taxable income is earned. The quarterly expense is calculated in accordance with applicable tax regulations.

The TRSs recognize interest and penalties related to unrecognized tax benefits within income tax expense in the Company’s consolidated statements of operations. Accrued interest and penalties, if any, are included within other liabilities in the Company’s consolidated balance sheets.

As of March 31, 2025, tax years 2021 through 2025 remain subject to examination by taxing authorities. The Company does not have any unrecognized tax benefits and the Company does not expect that to change in the next 12 months.

11. FAIR VALUE

The Company follows FASB ASC Topic 820-10, *Fair Value Measurement* (“ASC 820-10”), which expands the application of fair value accounting. ASC 820-10 defines fair value, establishes a framework for measuring fair value in accordance with GAAP and expands disclosure requirements for fair value measurements. ASC 820-10 determines fair value to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. ASC 820-10 specifies a hierarchy of valuation techniques based on the inputs used in measuring fair value.

In accordance with ASC 820-10, the inputs used to measure fair value are summarized in the three broad levels listed below:

- Level 1—Quoted prices in active markets for identical assets or liabilities.
- Level 2—Prices are determined using other significant observable inputs. Observable inputs are inputs that other market participants would use in pricing a security. These may include quoted prices for similar securities, interest rates, prepayment rates, credit risk and others.
- Level 3—Prices are determined using significant unobservable inputs. In situations where quoted prices or observable inputs are unavailable (for example, when there is little or no market activity for an investment at the end of the period), unobservable inputs may be used.

GAAP requires disclosure of fair value information about financial and nonfinancial assets and liabilities, whether or not recognized in the financial statements, for which it is practical to estimate the value. In cases where quoted market prices are not available, fair values are based upon the application of discount rates to estimated future cash flows using market yields, or other valuation methodologies. Any changes to the valuation methodology will be reviewed by the Company’s management to ensure the changes are appropriate. The methods used may produce a fair value calculation that is not indicative of net realizable value or reflective of future fair values. Furthermore, while the Company anticipates that the valuation methods are appropriate and consistent with other market participants, the use of different methodologies, or assumptions, to determine the fair value of certain financial and nonfinancial assets and liabilities could result in a different estimate of fair value at the reporting date. The Company uses inputs that are current as of the measurement date, which may fall within periods of market dislocation, during which price transparency may be reduced.

Recurring Fair Value Measurements

Available-for-Sale Debt Securities

The Company designates investments in CRE debt securities as available-for-sale on the acquisition date of such CRE debt securities. The Company is required to record investments in available-for-sale debt securities at fair value on a recurring basis in accordance with GAAP. During the year ended December 31, 2022, the Company acquired three CRE debt securities for an aggregate purchase price of \$27.9 million, which consisted of floating rate, investment grade rated debt securities that had a weighted average coupon of SOFR plus 2.47%. The Company’s available-for-sale debt securities have a contractual maturity greater than 10 years from the purchase date.

During the year ended December 31, 2024, the Company had one CRE debt security fully repay at par. As of March 31, 2025 and December 31, 2024, the Company had two CRE debt security investments outstanding that were designated as available-for-sale debt securities. The following tables summarize the Company's investments in available-for-sale debt securities as of March 31, 2025 and December 31, 2024 (\$ in thousands):

	As of March 31, 2025			
	Face Amount	Amortized Cost	Unamortized Discount	Unrealized Gain (Loss), Net
Available-for-sale debt securities	\$ 8,579	\$ 8,561	\$ 18	\$ 7

	Face Amount	Amortized Cost	Unamortized Discount	Unrealized Gain (Loss), Net
Available-for-sale debt securities	\$ 8,667	\$ 8,647	\$ 20	\$ 37

The fair value of available-for-sale debt securities was estimated using third-party broker quotes, which provide valuation estimates based upon contractual cash flows, observable inputs comprising credit spreads and market liquidity.

The following tables summarize the financial assets measured at fair value on a recurring basis as of March 31, 2025 and December 31, 2024 (\$ in thousands):

As of March 31, 2025 and December 31, 2024, the Company did not have any financial liabilities or nonfinancial assets or liabilities required to be recorded at fair value on a recurring basis.

Nonrecurring Fair Value Measurements

Real Estate Owned

The Company is required to record real estate owned, a nonfinancial asset, at fair value on a nonrecurring basis in accordance with GAAP. Real estate owned consists of an office property and a mixed-use property that were acquired by the Company on September 19, 2024 and September 8, 2023 through a deed in lieu of foreclosure and a consensual foreclosure, respectively. See Note 5 included in these consolidated financial statements for more information on real estate owned. Real estate owned is recorded at fair value at acquisition using Level 3 inputs and is evaluated for indicators of impairment on a quarterly basis. Real estate owned is considered impaired when the sum of estimated future undiscounted cash flows expected to be generated by the real estate owned over the estimated remaining holding period is less than the carrying amount of such real estate owned. Cash flows include operating cash flows and anticipated capital proceeds generated by the real estate owned. An impairment charge is recorded equal to the excess of the carrying value of the real estate owned over the fair value.

The office property acquired on September 19, 2024 is classified as real estate owned held for investment in the Company's consolidated balance sheets as of the acquisition date and is carried at its estimated fair value at acquisition and is presented net of accumulated depreciation or amortization and impairment charges. The fair value of the office property at acquisition was estimated using a third-party appraisal, which utilized standard industry valuation techniques such as the income and market approach. When determining the fair value of the office property, certain assumptions are made including, but not limited to: (1) projected operating cash flows, including factors such as property operating expenses and re-leasing

assumptions that take into account the number of months to re-lease, market rental revenue and required tenant improvements; and (2) projected cash flows from the eventual disposition of the office property based upon the Company's estimation of a capitalization rate, discount rates and comparable selling prices in the market. The fair value of the office property was estimated using significant unobservable inputs, which considered various comparable properties that were valued using capitalization rates ranging from 6.4% to 11.0% and discount rates ranging from 14.0% to 16.0%. No impairment charges have been recognized for the office property as of March 31, 2025.

The mixed-use property acquired on September 8, 2023 is classified as real estate owned held for investment in the Company's consolidated balance sheets as of the acquisition date and is carried at its estimated fair value at acquisition and is presented net of accumulated depreciation or amortization and impairment charges. The fair value of the mixed-use property at acquisition was estimated using a third-party appraisal, which utilized standard industry valuation techniques such as the income and market approach. When determining the fair value of the mixed-use property, certain assumptions are made including, but not limited to: (1) projected operating cash flows, including factors such as property operating expenses and re-leasing assumptions that take into account the number of months to re-lease, market rental revenue and required tenant improvements; and (2) projected cash flows from the eventual disposition of the mixed-use property based upon the Company's estimation of a capitalization rate, discount rates and comparable selling prices in the market. The fair value of the mixed-use property was estimated using significant unobservable inputs, which considered various comparable properties that were valued using capitalization rates ranging from 6.4% to 8.3% and discount rates ranging from 8.0% to 9.5%. No impairment charges have been recognized for the mixed-use property as of March 31, 2025.

As of March 31, 2025 and December 31, 2024, the Company did not have any financial or nonfinancial liabilities required to be recorded at fair value on a nonrecurring basis.

Financial Assets and Liabilities Not Measured at Fair Value

As of March 31, 2025 and December 31, 2024, the carrying values and fair values of the Company's financial assets and liabilities recorded at cost are as follows (\$ in thousands):

	Level in Fair Value Hierarchy	As of			
		March 31, 2025		December 31, 2024	
		Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets:					
Loans held for investment	3	\$ 1,355,264	\$ 1,213,321	\$ 1,656,688	\$ 1,510,670
Financial liabilities:					
Secured funding agreements	2	\$ 674,405	\$ 674,405	\$ 588,468	\$ 588,468
Secured term loan	3	118,437	115,945	128,062	125,260
Collateralized loan obligation securitization debt (consolidated VIEs)	2	151,970	147,476	455,839	447,356

The carrying values of cash and cash equivalents, restricted cash, interest receivable, due to affiliate liability and accrued expenses, which are all categorized as Level 2 within the fair value hierarchy, approximate their fair values due to their short-term nature.

Loans held for investment are recorded at cost, net of unamortized purchase discounts, deferred loan fees and origination costs and cost-recovery proceeds. To determine the fair value of the collateral, the Company may employ different approaches depending on the type of collateral. The Company determined the fair value of loans held for investment based on a discounted cash flow methodology (1) for risk rated "1", "2", or "3" loans, on a portfolio basis and (b) for risk rated "4" or "5" loans, on an asset-by-asset basis, in each case taking into consideration various factors including capitalization rates, discount rates, leasing, occupancy rates, availability and cost of financing, exit plan, sponsorship, actions of other lenders, and comparable selling prices in the market. The Secured Funding Agreements are recorded at outstanding principal, which is the Company's best estimate of the fair value. The Company determined the fair value of the Secured Term Loan and collateralized loan obligation ("CLO") securitization debt based on a discounted cash flow methodology, taking into consideration various factors including discount rates, actions of other lenders and comparable market quotes and recent trades for similar products.

12. RELATED PARTY TRANSACTIONS

Management Agreement

The Company is party to an Amended and Restated Management Agreement under which ACREM, subject to the supervision and oversight of the Company's board of directors, is responsible for, among other duties, (a) performing all of the Company's day-to-day functions, (b) determining the Company's investment strategy and guidelines in conjunction with the Company's board of directors, (c) sourcing, analyzing and executing investments, asset sales and financing, and (d) performing portfolio management duties. In addition, ACREM has an Investment Committee that oversees compliance with the Company's investment strategy and guidelines, loans held for investment portfolio holdings and financing strategy.

In exchange for its services, ACREM is entitled to receive a base management fee, an incentive fee and expense reimbursements. In addition, ACREM and its personnel may receive grants of equity-based awards pursuant to the Company's Amended and Restated 2012 Equity Incentive Plan and a termination fee, if applicable.

The base management fee is equal to 1.5% of the Company's stockholders' equity per annum, which is calculated and payable quarterly in arrears in cash. For purposes of calculating the base management fee, stockholders' equity means: (a) the sum of (i) the net proceeds from all issuances of the Company's equity securities since inception (allocated on a pro-rata daily basis for such issuances during the fiscal quarter of any such issuance), plus (ii) the Company's retained earnings at the end of the most recently completed fiscal quarter determined in accordance with GAAP (without taking into account any non-cash equity compensation expense incurred in current or prior periods); less (b) (x) any amount that the Company has paid to repurchase the Company's common stock since inception, (y) any unrealized gains and losses and other non-cash items that have impacted stockholders' equity as reported in the Company's consolidated financial statements prepared in accordance with GAAP, and (z) one-time events pursuant to changes in GAAP, and certain non-cash items not otherwise described above, in each case after discussions between ACREM and the Company's independent directors and approval by a majority of the Company's independent directors. As a result, the Company's stockholders' equity, for purposes of calculating the management fee, could be greater or less than the amount of stockholders' equity shown in the Company's consolidated financial statements.

The incentive fee is an amount, not less than zero, equal to the difference between: (a) the product of (i) 20% and (ii) the difference between (A) the Company's Core Earnings (as defined below) for the previous 12-month period, and (B) the product of (1) the weighted average of the issue price per share of the Company's common stock of all of the Company's public offerings of common stock multiplied by the weighted average number of all shares of common stock outstanding including any restricted shares of the Company's common stock, RSUs, or any shares of the Company's common stock not yet issued, but underlying other awards granted under the Company's Amended and Restated 2012 Equity Incentive Plan (see Note 8 included in these consolidated financial statements) in the previous 12-month period, and (2) 8%; and (b) the sum of any incentive fees earned by ACREM with respect to the first three fiscal quarters of such previous 12-month period; provided, however, that no incentive fee is payable with respect to any fiscal quarter unless cumulative Core Earnings for the 12 most recently completed fiscal quarters is greater than zero. "Core Earnings" is defined in the Management Agreement as net income (loss) computed in accordance with GAAP, excluding non-cash equity compensation expense, the incentive fee, depreciation and amortization (to the extent that any of the Company's target investments are structured as debt and the Company forecloses on any properties underlying such debt), any unrealized gains, losses or other non-cash items recorded in net income (loss) for the period, regardless of whether such items are included in other comprehensive income (loss), or in net income (loss), and one-time events pursuant to changes in GAAP and certain non-cash charges after discussions between ACREM and the Company's independent directors and after approval by a majority of the Company's independent directors. Core Earnings is defined in the Management Agreement and is used to calculate the incentive fees the Company pays to ACREM. For the three months ended March 31, 2025 and 2024, the Company did not incur any incentive fees.

The Company reimburses ACREM at cost for operating expenses that ACREM incurs on the Company's behalf, including expenses relating to legal, financial, accounting, servicing, due diligence and other services, expenses in connection with the origination and financing of the Company's investments, communications with the Company's stockholders, information technology systems, software and data services used for the Company, travel, complying with legal and regulatory requirements, taxes, insurance maintained for the benefit of the Company as well as all other expenses actually incurred by ACREM that are reasonably necessary for the performance by ACREM of its duties and functions under the Management Agreement. Ares Management, from time to time, incurs fees, costs and expenses on behalf of more than one investment vehicle. To the extent such fees, costs and expenses are incurred for the account or benefit of more than one fund, each such investment vehicle, including the Company, will typically bear an allocable portion of any such fees, costs and expenses in proportion to the size of its investment in the activity or entity to which such expense relates (subject to the terms of each fund's governing documents) or in such other manner as Ares Management considers fair and equitable under the circumstances, such as the relative fund size or capital available to be invested by such investment vehicles. Where an investment vehicle's

governing documents do not permit the payment of a particular expense, Ares Management will generally pay such investment vehicle's allocable portion of such expense. In addition, the Company is responsible for its proportionate share of certain fees and expenses, including due diligence costs, as determined by ACREM and Ares Management, including legal, accounting and financial advisor fees and related costs, incurred in connection with evaluating and consummating investment opportunities, regardless of whether such transactions are ultimately consummated by the parties thereto.

The Company will not reimburse ACREM for the salaries and other compensation of its personnel, except for the allocable share of the salaries and other compensation of the Company's (a) Chief Financial Officer, based on the percentage of his time spent on the Company's affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of ACREM or its affiliates who spend all or a portion of their time managing the Company's affairs based on the percentage of their time spent on the Company's affairs. The Company is also required to pay its pro-rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of ACREM and its affiliates that are required for the Company's operations.

Certain of the Company's subsidiaries, along with the Company's lenders under certain of the Company's Secured Funding Agreements, as well as under the CLO transaction have entered into various servicing agreements with ACREM's subsidiary servicer, Ares Commercial Real Estate Servicer LLC ("ACRES"). The Company's Manager will specially service, as needed, certain of the Company's investments. ACRES has agreed that no servicing fees pursuant to these servicing agreements would be charged to the Company or its subsidiaries by ACRES or the Manager for so long as the Management Agreement remains in effect, but that ACRES will continue to receive reimbursement for overhead related to servicing and operational activities pursuant to the terms of the Management Agreement.

The term of the Management Agreement ends on April 25, 2026, with automatic one-year renewal terms thereafter. Except under limited circumstances, upon a termination of the Management Agreement, the Company will pay ACREM a termination fee equal to three times the average annual base management fee and incentive fee received by ACREM during the 24-month period immediately preceding the most recently completed fiscal quarter prior to the date of termination, each as described above.

The following table summarizes the related party costs incurred by the Company for the three months ended March 31, 2025 and 2024, and amounts payable to the Company's Manager as of March 31, 2025 and December 31, 2024 (\$ in thousands):

	Incurred		Payable

Direct costs (1)	28	44	—	41
Total	<u>\$ 3,598</u>	<u>\$ 3,944</u>	<u>\$ 4,194</u>	<u>\$ 3,790</u>

(1) For the three months ended March 31, 2025 and 2024, direct costs incurred are included within general and administrative expenses in the Company's consolidated statements of operations.

Investments in Loans

From time to time, the Company may co-invest with other investment vehicles managed by Ares Management or its affiliates, including the Manager, and their portfolio companies, including by means of splitting investments, participating in investments or other means of syndication of investments. For such co-investments, the Company expects to act as the administrative agent for the holders of such investments provided that the Company maintains a majority of the aggregate investment. No fees will be received by the Company for performing such service. The Company will be responsible for its pro-rata share of costs and expenses for such co-investments, including due diligence costs for transactions which fail to close. The Company's investment in such co-investments are made on a pari-passu basis with the other Ares managed investment vehicles and the Company is not obligated to provide, nor has it provided, any financial support to the other Ares managed investment vehicles. As such, the Company's risk is limited to the carrying value of its investment and the Company recognizes only the carrying value of its investment in its consolidated balance sheets. As of March 31, 2025 and December 31, 2024, the total outstanding principal balance for co-investments held by the Company was \$277.1 million and \$266.8 million, respectively.

Loan Purchases From Affiliate

One or more affiliates of the Company's Manager may originate commercial real estate loans, which may be made available for purchase by other investment vehicles, including the Company and other Ares Management managed investment vehicles. From time to time, the Company may purchase such commercial real estate loans from affiliates of the Company's Manager. The Company's Manager will approve the purchase of such loans only on terms, including the consideration to be paid, that are determined by the Company's Manager in good faith to be appropriate for the Company and provided that the Company has sufficient liquidity. The Company is not obligated to purchase any loans originated by affiliates of the Company's Manager. In addition, from time to time, the Company may purchase loans, including participations in loans, from other Ares Management managed investment vehicles. Loans purchased by the Company from affiliates of the Company's Manager or other Ares Management managed investment vehicles are purchased at fair value as determined by an independent third-party valuation expert and are subject to approval by a majority of the Company's independent directors. No loans were purchased by the Company from affiliates of the Company's Manager or other Ares Management managed investment vehicles for the three months ended March 31, 2025 and 2024.

13. DIVIDENDS AND DISTRIBUTIONS

14. VARIABLE INTEREST ENTITIES

Consolidated VIEs

As discussed in Note 2, the Company evaluates all of its investments and other interests in entities for consolidation, including its investments in the CLO Securitizations (as defined below), which are considered to be variable interests in VIEs.

CLO Securitizations

On January 11, 2019, ACRE Commercial Mortgage 2017-FL3 Ltd. (the “FL3 Issuer”) and ACRE Commercial Mortgage 2017-FL3 LLC (the “FL3 Co-Issuer”), both wholly-owned indirect subsidiaries of the Company, entered into an Amended and Restated Indenture with Wells Fargo Bank, National Association, as advancing agent and note administrator, and Wilmington Trust, National Association, as trustee, which governed the approximately \$504.1 million principal balance of secured floating rate notes (the “FL3 Notes”) issued by the FL3 Issuer and \$52.9 million of preferred equity in the FL3 Issuer (the “FL3 CLO Securitization”).

The contribution of the FL3 Mortgage Assets to the FL3 Issuer was governed by a Mortgage Asset Purchase Agreement between ACRC Lender LLC, a wholly owned subsidiary of the Company (the “Seller”) and the FL3 Issuer, and acknowledged by the Company solely for purposes of confirming its status as a REIT, in which the Seller made certain customary representations, warranties and covenants.

In connection with the securitization, the FL3 Issuer and FL3 Co-Issuer offered and issued the following classes of Notes: Class A, Class A-S, Class B, Class C and Class D Notes (collectively, the “FL3 Offered Notes”) to a third party. The Company retained (through one of its wholly-owned subsidiaries) approximately \$58.5 million of the FL3 Notes and all of the \$52.9 million of preferred equity in the FL3 Issuer, which totaled \$111.4 million. The Company, as the holder of the subordinated FL3 Notes and all of the preferred equity in the FL3 Issuer, had the obligation to absorb losses of the CLO, since the Company had a first loss position in the capital structure of the CLO. On March 17, 2025, the Company terminated the FL3 Issuer, and in connection therewith, exchanged its remaining FL3 Notes and preferred equity in the FL3 Issuer for the remaining mortgage loans held by the FL3 Issuer. As of March 31, 2025, all of the FL3 Notes of the FL3 Issuer held by the third party have been repaid in full at par. As of December 31, 2024, the FL3 Notes were collateralized by interests in a pool of 12 mortgage assets having a total principal balance of \$365.2 million that were closed by a wholly-owned subsidiary of the Company. During the three months ended March 31, 2025 and 2024, the Company paid down \$303.9 million and \$31.2 million of the FL3 Offered Notes, respectively.

On January 28, 2021, ACRE Commercial Mortgage 2021-FL4 Ltd. (the “FL4 Issuer”) and ACRE Commercial Mortgage 2021-FL4 LLC (the “FL4 Co-Issuer”), both wholly owned indirect subsidiaries of the Company, entered into an Indenture (the “FL4 Indenture”) with the Seller, as advancing agent, Wells Fargo Bank, National Association, as note administrator, and Wilmington Trust, National Association, as trustee, which governs the issuance of approximately \$603.0 million principal balance secured floating rate notes (the “FL4 Notes”) and \$64.3 million of preferred equity in the FL4 Issuer (the “FL4 CLO Securitization”). For U.S. federal income tax purposes, the FL4 Issuer and FL4 Co-Issuer are disregarded entities.

As of March 31, 2025, the FL4 Notes were collateralized by interests in a pool of four mortgage assets having a total principal balance of \$182.4 million (the “FL4 Mortgage Assets”) that were closed by a wholly-owned subsidiary of the Company, \$57.5 million of real estate owned related to an office property, which had collateralized a previous mortgage asset, and was acquired in September 2024 through a deed in lieu of foreclosure and \$4.3 million of receivables related to repayments of outstanding principal on previous mortgage assets. As of December 31, 2024, the FL4 Notes were collateralized by interests in a pool of four mortgage assets having a total principal balance of \$186.8 million that were closed by a wholly-owned subsidiary of the Company and \$58.8 million of real estate owned related to an office property, which had collateralized a previous mortgage asset, and was acquired in September 2024 through a deed in lieu of foreclosure. During the period that ended in April 2024 (the “Companion Participation Acquisition Period”), the FL4 Issuer was able to use certain principal proceeds from the FL4 Mortgage Assets to acquire additional funded pari-passu participations related to the FL4 Mortgage Assets that met certain acquisition criteria. The Companion Participation Acquisition Period expired in April 2024 and was not renewed.

The sale of the FL4 Mortgage Assets to the FL4 Issuer is governed by a FL4 Mortgage Asset Purchase Agreement between the Seller and the FL4 Issuer, and acknowledged by the Company solely for purposes of confirming its status as a REIT, in which the Seller made certain customary representations, warranties and covenants.

In connection with the FL4 CLO Securitization, the FL4 Issuer and FL4 Co-Issuer offered and issued the following classes of FL4 Notes to third party investors: Class A, Class A-S, Class B, Class C, Class D and Class E Notes (collectively, the “FL4 Offered Notes”). A wholly owned subsidiary of the Company retained approximately \$62.5 million of the FL4 Notes and all of the \$64.3 million of preferred equity in the FL4 Issuer, which totaled \$126.8 million. The Company, as the holder of the subordinated FL4 Notes and all of the preferred equity in the FL4 Issuer, has the obligation to absorb losses of the FL4 CLO Securitization, since the Company has a first loss position in the capital structure of the FL4 CLO Securitization. During the three months ended March 31, 2025 and 2024, the Company paid down \$135 thousand and \$97.1 million of the FL4 Offered Notes, respectively.

The FL3 CLO Securitization and the FL4 CLO Securitization are collectively referred to as the “CLO Securitizations.” As the directing holder of the CLO Securitizations, the Company has or had, as applicable, the ability to direct activities that could significantly impact the CLO Securitizations’ economic performance. ACRES is designated as special servicer of the CLO Securitizations and has or had, as applicable, the power to direct activities during the loan workout process on defaulted and delinquent loans, which is the activity that most significantly impacts the CLO Securitizations’ economic performance. ACRES did not waive the special servicing fee, and the Company pays its overhead costs. If an unrelated third party had the right to unilaterally remove the special servicer, then the Company would not have the power to direct activities that most significantly impact the CLO Securitizations’ economic performance. In addition, there were no substantive kick-out rights of any unrelated third party to remove the special servicer without cause. The Company’s subsidiaries, as directing holders, have or had, as applicable, the ability to remove the special servicer without cause. Based on these factors, the Company is determined to be the primary beneficiary of each of the CLO Securitizations; thus, the CLO Securitizations are consolidated into the Company’s consolidated financial statements.

The CLO Securitizations are consolidated in accordance with FASB ASC Topic 810 and are structured as pass through entities that receive principal and interest on the underlying collateral and distributes those payments to the note holders, as applicable. The assets and other instruments held by the CLO Securitizations are restricted and can only be used to fulfill the obligations of the respective CLO Securitizations. Additionally, the obligations of the CLO Securitizations do not or did not, as applicable, have any recourse to the general credit of any other consolidated entities, nor to the Company as the primary beneficiary.

The inclusion of the assets and liabilities of the CLO Securitizations of which the Company is deemed the primary beneficiary has no economic effect on the Company. The Company’s exposure to the obligations of the CLO Securitizations are generally limited to its investment in the entity. The Company is not obligated to provide, nor has it provided, any financial support for the consolidated structures. As such, the risk associated with the Company’s involvement in the CLO Securitizations are limited to the carrying value of its investment in each of the entities. As of March 31, 2025, the Company’s maximum risk of loss was \$95.2 million, which represents the carrying value of its investments in the CLO Securitizations.

Non-consolidated VIEs

The Company evaluated its senior mortgage loan investment that is collateralized by a residential condominium property located in New York, and it was determined to be an interest in a VIE. However, the Company was not deemed to be the primary beneficiary. The Company’s exposure to the obligations of the VIE is generally limited to its investment and the Company is not obligated to provide, nor has it provided, any financial support to the VIE. As such, the risk associated with the Company’s involvement in the VIE is limited to the carrying value of its investment. As of March 31, 2025, the Company’s maximum risk of loss was \$105.7 million, which represents the carrying value of its investment in the VIE.

15. SEGMENT INFORMATION

As described in Note 1 included in these consolidated financial statements, the Company operates as a single reportable segment, which derives its revenues by directly originating and managing a diversified portfolio of CRE debt-related investments. The Company manages its business activities on a consolidated basis and the accounting policies of the segment are the same as those described in Note 2 included in these consolidated financial statements. The Company's Chief Operating Decision Maker ("CODM") is the chief executive officer.

The CODM assesses performance for the segment and decides how to allocate resources based on net income (loss) attributable to common stockholders. The measure of segment assets is reported in the consolidated balance sheets as total assets.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Overview

We are a specialty finance company primarily engaged in directly originating and investing in commercial real estate ("CRE") loans and related investments. We are externally managed by ACREM, a subsidiary of Ares Management Corporation (NYSE: ARES) ("Ares Management"), a publicly traded, leading global alternative asset manager, pursuant to the terms of the amended and restated management agreement dated July 26, 2022, between us and our Manager (the "Management Agreement"). From the commencement of our operations in late 2011, we have been primarily focused on directly originating and managing a diversified portfolio of CRE debt-related investments for our own account.

We were formed and commenced operations in late 2011. We are a Maryland corporation and completed our initial public offering in May 2012. We have elected and qualified to be taxed as a REIT for United States federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), commencing with our taxable year ended December 31, 2012. We generally will not be subject to United States federal income taxes on our REIT taxable income as long as we annually distribute to stockholders an amount at least equal to our REIT taxable income prior to the deduction for dividends paid and comply with various other requirements as a REIT. We also operate our business in a manner that is intended to permit us to maintain our exemption from registration under the 1940 Act.

Developments During the First Quarter of 2025:

- We elected to terminate the FL3 collateralized loan obligation ("CLO") securitization on March 17, 2025 and in connection therewith, all of the outstanding notes of the FL3 CLO securitization held by a third party were repaid in full at par through a refinancing of certain remaining underlying loans held for investment under the Wells Fargo Facility and the Citibank Facility.
- We amended the Wells Fargo Facility to, among other things, extend the initial maturity date and funding period of the Wells Fargo Facility to February 10, 2028. The maturity date of the Wells Fargo Facility continues to be subject to two 12-month extensions, each of which may be exercised at our option, subject to the satisfaction of certain conditions and applicable extension fees being paid, which, if both were exercised, would extend the maturity date of the Wells Fargo Facility to February 10, 2030.
- We exercised our 12-month extension option to extend the maturity date of the CNB Facility to March 10, 2026.

Trends Affecting Our Business

During the first quarter of 2025, the commercial real estate market continued to demonstrate overall improvement. Evidencing this trend, commercial real estate property transaction volumes increased year over year across most major property types with enhanced liquidity from capital markets sources supporting market activity during the first quarter.

Continued rising operating costs, such as property insurance and raw material costs for property development and improvements, placed pressure on cash flow performance across many real estate property types in the first quarter of 2025. Office properties, in particular, continue to experience challenges driven by remote work and elevated costs to operate, improve or repurpose office properties. These factors have largely resulted in lower demand for office space and have driven elevated levels of vacancy rates and default rates. Offsetting some of these challenges, there has been a significant decline in new commercial real estate development that began in 2023 and has continued benefitting existing in-demand property types. Ultimately, this lack of new future inventory may result in a shortage of contemporary, in-demand properties in the years to come, furthering the disparity between supply and demand dynamics. In addition, there is a significant amount of unspent capital targeting commercial real estate properties that could support values and elevate transaction activities.

In April 2025, proposed U.S. trade and economic policies resulted in increased capital markets volatility and uncertainty, which may lead to lower expectations for future economic activity. Should these economic factors persist, the commercial real estate market we service may be adversely impacted.

Factors Impacting Our Operating Results

The results of our operations are affected by a number of factors and primarily depend on, among other things, the level of our net interest income, the market value of our assets, including the real estate collateralizing our investments, and the supply of, and demand for, commercial mortgage loans, CRE debt and other financial assets in the marketplace. Our net interest income, which reflects the amortization of origination fees and direct costs, is recognized based on the contractual rate and the

outstanding principal balance of the loans we originate. Interest rates vary according to the type of investment, conditions in the financial markets, creditworthiness of our borrowers, competition and other factors, none of which can be predicted with any certainty. Our operating results are also impacted by credit losses in excess of initial anticipations or unanticipated credit events experienced by borrowers.

Stock Repurchase Program

On July 31, 2024, our board of directors renewed the Repurchase Program of up to \$50.0 million, which is expected to be in effect until July 31, 2025, or until the approved dollar amount has been used to repurchase shares. Pursuant to the Repurchase Program, we may repurchase shares of our common stock in amounts, at prices and at such times as we deem appropriate, subject to market conditions and other considerations, including all applicable legal requirements. Repurchases may include purchases on the open market or privately negotiated transactions, under Rule 10b5-1 trading plans, under accelerated share repurchase programs, in tender offers and otherwise. The Repurchase Program does not obligate us to acquire any particular amount of shares of our common stock and may be modified or suspended at any time at our discretion. During the three months ended March 31, 2025, we did not repurchase any shares through the Repurchase Program.

Loans Held for Investment Portfolio

As of March 31, 2025, our portfolio included 27 loans held for investment, excluding 188 loans that were repaid, sold, converted to real estate owned or written off since inception. As of March 31, 2025, the aggregate originated commitment under these loans at closing was approximately \$1.5 billion and outstanding principal was \$1.4 billion. During the three months ended March 31, 2025, we funded approximately \$7.2 million of outstanding principal and received repayments of \$306.8 million of outstanding principal. As of March 31, 2025, 68.3% of our loans have SOFR floors, with a weighted average floor of 0.96%, calculated based on loans with SOFR floors. References to SOFR or “S” are to 30-day SOFR (unless otherwise specifically stated).

Other than as set forth in Note 3 to our consolidated financial statements included in this quarterly report on Form 10-Q, as of March 31, 2025, all loans held for investment were paying in accordance with their contractual terms.

Our loans held for investment are accounted for at amortized cost. The following table summarizes our loans held for investment as of March 31, 2025 (\$ in thousands):

	As of March 31, 2025				
	Carrying Amount (1)	Outstanding Principal (1)	Weighted Average Unleveraged Effective Yield		Weighted Average Remaining Life (Years) (4)
Senior mortgage loans	\$ 1,336,798	\$ 1,381,528	6.2 % (2)	8.3 % (3)	1.0
Subordinated debt and preferred equity investments	18,466	22,881	— % (2)	— % (3)	2.0
Total loans held for investment portfolio	\$ 1,355,264	\$ 1,404,409	6.1 % (2)	8.3 % (3)	1.0

- (1) The difference between the Carrying Amount and the Outstanding Principal amount of the loans held for investment consists of unamortized purchase discounts, deferred loan fees and origination costs and cost-recovery proceeds.
- (2) Unleveraged Effective Yield is the compounded effective rate of return that would be earned over the life of the investment based on the contractual interest rate (adjusted for any deferred loan fees, costs, premiums or discounts) and assumes no dispositions, early prepayments or defaults. The total Weighted Average Unleveraged Effective Yield is calculated based on the average of Unleveraged Effective Yield of all loans held by us as of March 31, 2025 as weighted by the outstanding principal balance of each loan.
- (3) Unleveraged Effective Yield is the compounded effective rate of return that would be earned over the life of the investment based on the contractual interest rate (adjusted for any deferred loan fees, costs, premiums or discounts) and assumes no dispositions, early prepayments or defaults. The total Weighted Average Unleveraged Effective Yield is calculated based on the average of Unleveraged Effective Yield of all interest accruing loans held by us as of March 31, 2025 as weighted by the total outstanding principal balance of each interest accruing loan (excludes loans on non-accrual status as of March 31, 2025).
- (4) Remaining Life is based on contractual maturity date and does not include contractual extension options not yet exercised.

Critical Accounting Estimates

Our consolidated financial statements have been prepared in accordance with generally accepted accounting principles (“GAAP”), which require management to make estimates and assumptions that affect reported amounts. These estimates and assumptions are based on historical experience and other factors management believes to be reasonable. Actual results may differ from those estimates and assumptions. For a description of our critical accounting estimates, please see Part II, “Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our 2024 Annual Report on Form 10-K.

RECENT DEVELOPMENTS

Our board of directors declared a regular cash dividend of \$0.15 per common share for the second quarter of 2025. The second quarter 2025 dividend will be payable on July 15, 2025 to common stockholders of record as of June 30, 2025.

The following tables set forth select details of our consolidated results of operations for the three months ended March 31, 2025 and 2024 (\$ in thousands):

Net Interest Margin

	For the Three Months Ended March 31,	
	2025	2024
Interest income	\$ 27,480	\$ 44,033
Interest expense	(18,189)	(28,819)
Net interest margin	<u>\$ 9,291</u>	<u>\$ 15,214</u>

For the three months ended March 31, 2025 and 2024, net interest margin was approximately \$9.3 million and \$15.2 million, respectively. For the three months ended March 31, 2025 and 2024, interest income of \$27.5 million and \$44.0 million, respectively, was generated by weighted average earning assets of \$1.5 billion and \$2.2 billion, respectively, offset by \$18.2 million and \$28.8 million, respectively, of interest expense, unused fees and amortization of deferred loan costs. The weighted average borrowings under the Secured Funding Agreements, Notes Payable, the Secured Term Loan and securitization debt, as applicable, were \$1.1 billion for the three months ended March 31, 2025 and \$1.6 billion for the three months ended March 31, 2024. The decrease in net interest margin for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 relates to a decrease in our weighted average earning assets and weighted average borrowings for the three months ended March 31, 2025 and a decrease in SOFR rates on our loans held for investment for the three months ended March 31, 2025 as compared to the three months ended March 31, 2024.

Revenue From Real Estate Owned

On September 19, 2024, we acquired legal title to an office property located in North Carolina through a deed in lieu of foreclosure. Prior to September 19, 2024, the office property collateralized a \$68.6 million senior mortgage loan that we held that was in maturity default due to the failure of the borrower to repay the outstanding principal balance of the loan by the May 2024 maturity date. In conjunction with the deed in lieu of foreclosure, we derecognized the \$68.6 million senior mortgage loan and recognized the office property as real estate owned. Revenues from this property consist primarily of rental revenue from operating leases. For the three months ended March 31, 2025, revenue from real estate owned related to this property was \$2.4 million.

On September 8, 2023, we acquired legal title to a mixed-use property located in Florida through a consensual foreclosure. Prior to September 8, 2023, the mixed-use property collateralized an \$82.9 million senior mortgage loan that we held that was in maturity default due to the failure of the borrower to repay the outstanding principal balance of the loan by the February 2023 maturity date. In conjunction with the consensual foreclosure, we derecognized the \$82.9 million senior mortgage loan and recognized the mixed-use property as real estate owned. Revenues from this property consist primarily of rental revenue from operating leases. For the three months ended March 31, 2025 and 2024, revenue from real estate owned related to this property was \$3.3 million and \$3.5 million, respectively.

Operating Expenses

	For the Three Months Ended March 31,	
	2025	2024
Management and incentive fees to affiliate	\$ 2,567	\$ 2,768
Professional fees	877	533
General and administrative expenses	1,720	2,081
General and administrative expenses reimbursed to affiliate	1,003	1,132
Expenses from real estate owned	4,495	2,037
Total expenses	\$ 10,662	\$ 8,551

See the Related Party Expenses, Other Expenses and Expenses from Real Estate Owned discussions below for the cause of the changes in operating expenses for the three months ended March 31, 2025 compared to the three months ended March 31, 2024.

Related Party Expenses

For the three months ended March 31, 2025, related party expenses included \$2.6 million in management fees due to our Manager pursuant to the Management Agreement. No incentive fees were incurred for the three months ended March 31, 2025. For the three months ended March 31, 2025, related party expenses also included \$1.0 million for our share of allocable general and administrative expenses for which we were required to reimburse our Manager pursuant to the Management Agreement. For the three months ended March 31, 2024, related party expenses included \$2.8 million in management fees due to our Manager pursuant to the Management Agreement. No incentive fees were incurred for the three months ended March 31, 2024. For the three months ended March 31, 2024, related party expenses also included \$1.1 million for our share of allocable general and administrative expenses for which we were required to reimburse our Manager pursuant to the Management Agreement. The decrease in management fees for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 primarily relates to a decrease in our weighted average stockholders' equity for the three months ended March 31, 2025 as a result of realized losses on loans and the sale of real estate owned. The decrease in allocable general and administrative expenses due to our Manager for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 relates to changes in the mix of employees of our Manager that allocated time to us year over year.

Other Expenses

For the three months ended March 31, 2025 and 2024, professional fees were \$0.9 million and \$0.5 million, respectively. The increase in professional fees for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 primarily relates to an increase in our use of third-party professionals due to changes in transaction activity year over year. For the three months ended March 31, 2025 and 2024, general and administrative expenses were \$1.7 million and \$2.1 million, respectively. The decrease in general and administrative expenses for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 primarily relates to a decrease in stock-based compensation expense due to a reduction in the weighted average grant date fair value for restricted stock and restricted stock unit awards granted after March 31, 2024.

Expenses From Real Estate Owned

For the three months ended March 31, 2025 and 2024, expenses from real estate owned were comprised of the following (\$ in thousands):

	For the Three Months Ended March 31,	
	2025	2024
Mixed-use property operating expenses	\$ 1,227	\$ 1,022
Office property operating expenses	1,095	—
Depreciation and amortization expense	2,173	1,015
Expenses from real estate owned	\$ 4,495	\$ 2,037

For the three months ended March 31, 2025 and 2024, mixed-use property operating expenses were \$1.2 million and \$1.0 million, respectively. Mixed-use property operating expenses consisted primarily of expenses incurred in the day-to-day operation of our mixed-use property, including common area maintenance costs, property taxes and insurance. Common area maintenance costs include items such as maintenance and repairs, utilities, janitorial services, security and property management fees. The increase in mixed-use property operating expenses for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 is primarily due to an increase in insurance costs and non-recurring repairs and maintenance.

For the three months ended March 31, 2025, office property operating expenses were \$1.1 million, which consists of operating expenses for our office property, which was acquired on September 19, 2024. For the three months ended March 31, 2024, there were no office property operating expenses incurred as we did not acquire legal title to the office property until September 19, 2024. Office property operating expenses consisted primarily of expenses incurred in the day-to-day operation of our office property, including common area maintenance costs, property taxes and insurance. Common area maintenance costs include items such as maintenance and repairs, utilities, janitorial services, security and property management fees.

For the three months ended March 31, 2025 and 2024, depreciation and amortization expense were \$2.2 million and \$1.0 million, respectively, and relates primarily to our mixed-use property that was acquired on September 8, 2023 and our office property acquired on September 19, 2024. The increase in depreciation and amortization expense for the three months ended March 31, 2025 compared to the three months ended March 31, 2024 is primarily due to the three months ended March 31, 2024 only including depreciation and amortization expense related to the mixed-use property as we did not acquire legal title to the office property until September 19, 2024.

(Provision for) Reversal of Current Expected Credit Losses, Net

For the three months ended March 31, 2025 and 2024, the (provision for) reversal of current expected credit losses, net was \$5.3 million and \$22.3 million, respectively. For the three months ended March 31, 2025, the net reversal of current expected credit losses is primarily due to a relative improvement in the near-term macroeconomic forecasts, shorter average remaining loan term and loan repayments during the three months ended March 31, 2025. For the three months ended March 31, 2024, the net reversal of current expected credit losses was primarily due to realized losses on two risk rated “5” loans, resulting in a reversal of the associated CECL Reserves, shorter average remaining loan term and loan repayments during the three months ended March 31, 2024. These factors were partially offset by an increase in the CECL Reserves for risk rated “4” and “5” loans in the portfolio as a result of the impact of the current macroeconomic environment, including high inflation and interest rates, volatility and reduced liquidity in the office sector and other loan-specific factors during the three months ended March 31, 2024.

The CECL Reserve takes into consideration our estimates relating to the impact of macroeconomic conditions on CRE properties and is not specific to any loan losses or impairments on our loans held for investment, unless the Company determines that a specifically identifiable reserve is warranted for a select asset. Additionally, the CECL Reserve is not an indicator of what we expect our CECL Reserve would have been absent the current and potential future impacts of macroeconomic conditions.

Realized Losses on Loans

In December 2023, we entered into a sale agreement with a third party to sell a senior mortgage loan with outstanding principal of \$37.9 million, which was collateralized by a mixed-use property located in California. As of December 31, 2023, the sale had not yet closed and the loan was reclassified from held for investment to held for sale and was carried at the lower of carrying value or fair value in our consolidated balance sheets. We recognized an unrealized loss of \$1.0 million in our consolidated statements of operations upon reclassifying the loan to held for sale as the carrying value of the senior mortgage loan exceeded fair value as determined by the agreed upon sale price of the loan and loan reserves. In January 2024, we closed the sale of the senior mortgage loan. At the time of the sale, the senior mortgage loan was in maturity default due to the failure of the borrower to repay the outstanding principal balance of the loan by the March 2023 maturity date. This \$1.0 million unrealized loss was realized during the three months ended March 31, 2024.

In February 2024, we received a discounted payoff on a senior mortgage loan with outstanding principal of \$18.8 million, which was collateralized by a multifamily property located in Washington. The discounted payoff was received in conjunction with a short sale of the multifamily property by the borrower to a third party. At the time of the discounted payoff, the senior mortgage loan was in default due to the failure of the borrower to repay the outstanding principal balance of the loan by the September 2023 maturity date. For the three months ended March 31, 2024, we recognized a realized loss of \$1.7 million in our consolidated statements of operations upon the payoff of the senior mortgage loan as the carrying value exceeded the net proceeds from the payoff of the loan.

In March 2024, we received a discounted payoff on a senior mortgage loan with outstanding principal of \$56.9 million, which was collateralized by an office property located in Illinois. The discounted payoff was received in conjunction with a short sale of the office property by the borrower to a third party. At the time of the discounted payoff, the senior mortgage loan was in default due to the failure of the borrower to repay the outstanding principal balance of the loan by the February 2024 maturity date. For the three months ended March 31, 2024, we recognized a realized loss of \$43.1 million in our consolidated statements of operations upon the payoff of the senior mortgage loan as the carrying value exceeded the net proceeds from the payoff of the loan.

Change in Unrealized Losses on Loans Held for Sale

As described above, the sale of the senior mortgage loan with outstanding principal of \$37.9 million, which was collateralized by a mixed-use property located in California, had not yet closed as of December 31, 2023. As such, we recognized an unrealized loss of \$1.0 million in our consolidated statements of operations upon reclassifying the loan to held for sale for the year ended December 31, 2023. In January 2024, we closed the sale of the senior mortgage loan and the \$1.0 million unrealized loss related to this senior mortgage loan for the year ended December 31, 2023 was realized during the three months ended March 31, 2024.

LIQUIDITY AND CAPITAL RESOURCES

Liquidity is a measure of our ability to meet potential cash requirements, including ongoing commitments to repay borrowings, fund and maintain our assets and operations, make distributions to our stockholders, repurchase shares and other general business needs. We use significant cash to purchase our target investments, make principal and interest payments on our borrowings, make distributions to our stockholders and fund our operations.

Our primary sources of cash generally consist of unused borrowing capacity under our Secured Funding Agreements, payments of principal and interest we receive on our portfolio of assets, cash generated from our operating activities and the net proceeds of future equity offerings, if any. Principal repayments from mortgage loans in securitizations where we retain the subordinate securities are applied sequentially, first used to pay down the senior notes, and accordingly, we will not receive any proceeds from repayment of loans in the securitizations until all senior notes are repaid in full.

We expect our primary sources of cash to continue to be sufficient to fund our operating activities and cash commitments for investing and financing activities for at least the next 12 months and thereafter for the foreseeable future. As a result of the current macroeconomic environment, certain borrowers have been unable to make interest and principal payments timely, including at the maturity date of the borrower's loan. We increase our CECL Reserve from time to time, as necessary, to reflect this risk. Our Secured Funding Agreements contain margin call provisions following the occurrence of certain mortgage loan credit events. If we are unable to make the required payment or if we fail to meet or satisfy any of the covenants in our Financing Agreements, we would be in default under these agreements, and our lenders could elect to declare outstanding amounts due and payable, terminate their commitments, require the posting of additional collateral, including cash to satisfy margin calls, and enforce their interests against existing collateral. For example, certain of our Financing Agreements contain (i) negative covenants that limit, among other things, our ability to repurchase our common stock, make distributions to our stockholders, employ leverage beyond certain amounts, sell assets, engage in mergers or consolidations, grant liens, and enter into transactions with affiliates (including amending the Management Agreement in a material respect) and (ii) operating and financial covenants, including those requiring us to maintain a certain tangible net worth, asset coverage ratio, total net leverage ratio and loan concentration. We are also subject to cross-default and acceleration rights with respect to our Financing Agreements. If we experience borrower default as a result of the current macroeconomic conditions, we may not be able to negotiate modifications to our borrowings with our lenders or receive financing from our Secured Funding Agreements with respect to our commitments to fund our loans held for investment in the future. See "Summary of Financing Agreements" below for a description of our Financing Agreements.

Subject to maintaining our qualification as a REIT and our exemption from registration under the 1940 Act, we expect that our primary sources of liquidity will be financing, to the extent available to us, through credit, secured funding and other lending facilities, other sources of private financing, including warehouse and repurchase facilities, and public or private offerings of our equity or debt securities. Macroeconomic conditions may impair our ability to access the financing and capital markets. Furthermore, we have sold, and may continue to sell certain of our mortgage loans, or interests therein, in order to manage liquidity needs. Subject to maintaining our qualification as a REIT, we may also change our dividend practice, including by reducing the amount of, or temporarily suspending, our future dividends or making dividends that are payable in cash and shares of our common stock for some period of time. We may also continue or discontinue share repurchases under the Repurchase Program. In addition, our FL4 CLO Securitization contains certain senior note overcollateralization ratio tests. To the extent we fail to meet these tests, amounts that would otherwise be used to make payments on the subordinate securities

that we hold will be used to repay principal on the more senior securities to the extent necessary to satisfy any senior note overcollateralization ratio and we may incur significant losses. Our sources of liquidity may be impacted to the extent we do not receive cash payments that we would otherwise expect to receive from the FL4 CLO Securitization if these tests were met.

Ares Management or one of its investment vehicles may originate mortgage loans. We have had and may continue to have the opportunity to purchase such loans that are determined by our Manager in good faith to be appropriate for us, depending on our available liquidity. Ares Management or one of its investment vehicles may also acquire mortgage loans from us.

We have commitments to fund various senior mortgage loans, as well as subordinated debt and preferred equity investments in our portfolio. Other than as set forth in this quarterly report on Form 10-Q, we do not have any relationships with unconsolidated entities or financial partnerships, such as entities often referred to as structured investment vehicles, special purpose entities or variable interest entities, established to facilitate off-balance sheet arrangements or other contractually narrow or limited purposes. Further, we have not guaranteed any obligations of unconsolidated entities or entered into any commitment or intend to provide additional funding to any such entities.

As of May 2, 2025, we had approximately \$147 million in liquidity including \$113 million of cash and \$34 million of availability under our Secured Funding Agreements.

- (1) In February 2025, we amended the master repurchase funding facility with Wells Fargo Bank, National Association (the “Wells Fargo Facility”) to, among other things, extend the initial maturity date and funding period of the Wells Fargo Facility to February 10, 2028, subject to two 12-month extensions, each of which may be exercised at our option provided that certain conditions are met and applicable extension fees are paid. The maximum commitment may be increased to up to \$500.0 million at our option, subject to the satisfaction of certain conditions, including payment of an upsize fee.
- (2) The maturity date of the master repurchase facility with Citibank, N.A. (the “Citibank Facility”) is subject to two 12-month extensions, each of which may be exercised at our option provided that certain conditions are met and applicable extension fees are paid. The Citibank Facility has an accordion provision such that the maximum commitment may be increased to up to \$425.0 million by up to two increments of \$50.0 million with the consent of Citibank, subject to the satisfaction of certain conditions, including payment of an upsize fee.
- (3) In February 2025, we exercised our 12-month extension option to extend the maturity date of the secured revolving funding facility with City National Bank (the “CNB Facility”) to March 10, 2026. The interest rate on advances under the CNB Facility are a per annum rate equal to the sum of, at our option, either (a) a SOFR-based rate plus 3.25% or (b) a base rate plus 2.25%, in each case, subject to an interest rate floor. The amount immediately available under the CNB Facility at any given time can fluctuate based on the fair value of the collateral in the borrowing base that secures the CNB Facility. As of March 31, 2025, there was no immediate availability under the CNB Facility based on the fair value of the collateral in the borrowing base at such time. The amount immediately available under the CNB Facility may be increased to up to \$75.0 million by the pledge of additional collateral into the borrowing base in accordance with the CNB Facility agreement.
- (4) The master repurchase and securities contract with Morgan Stanley (the “Morgan Stanley Facility”) is subject to one 12-month extension, which may be exercised at our option provided that certain conditions are met and applicable extension fees are paid.

- (5) The maturity date of the Credit and Guaranty Agreement with the lenders referred to therein and Cortland Capital Market Services LLC, as administrative agent and collateral agent for the lenders (the “Secured Term Loan”) is November 12, 2026. Advances under the Secured Term Loan are set to the following fixed rates: (i) 4.50% per annum until May 1, 2025 and (ii) after May 1, 2025 through November 12, 2026, the interest rate increases 0.25% every three months. The Secured Term Loan has a contingent interest rate increase of 4.00% if the outstanding principal amount of the Secured Term Loan is not paid down to the following amounts on specific dates as follows: (i) \$120.0 million as of February 1, 2025, (ii) \$110.0 million as of May 1, 2025, (iii) \$100.0 million as of August 1, 2025 and (iv) \$90.0 million as of November 1, 2025. In January 2025, we elected to repay \$10.0 million of outstanding principal on the Secured Term Loan at par.

Our Financing Agreements contain various affirmative and negative covenants, including negative pledges, and provisions related to events of default that are normal and customary for similar financing agreements. As of March 31, 2025, we were in compliance with all financial covenants of each respective Financing Agreement. We may be required to fund commitments on our loans held for investment in the future and we may not receive funding from our Secured Funding Agreements with respect to these commitments. See Note 6 to our consolidated financial statements included in this quarterly report on Form 10-Q for more information on our Financing Agreements.

Securitizations

As of March 31, 2025, both the carrying amount and outstanding principal of our FL4 CLO Securitization was \$152.0 million. See Note 14 to our consolidated financial statements included in this quarterly report on Form 10-Q for additional terms and details of our FL4 CLO Securitization.

Leverage Policies

We intend to use prudent amounts of leverage to increase potential returns to our stockholders. To that end, subject to maintaining our qualification as a REIT and our exemption from registration under the 1940 Act, we intend to continue to use borrowings to fund the origination or acquisition of our target investments. Given current macroeconomic conditions and our focus on first or senior mortgages, we currently expect that such leverage would not exceed, on a debt-to-equity basis, a 4.5-to-1 ratio. Our charter and bylaws do not restrict the amount of leverage that we may use. The amount of leverage we deploy for particular investments in our target investments depends upon our Manager’s assessment of a variety of factors, which includes, among others, our liquidity position, the anticipated liquidity and price volatility of the assets in our loans held for investment portfolio, the potential for losses and extension risk in our portfolio, the gap between the duration of our assets and liabilities, including hedges, the availability and cost of financing the assets, our opinion of the creditworthiness of our financing counterparties, the impact of the macroeconomic environment on the United States economy generally or in specific geographic regions and commercial mortgage markets, our outlook for the level and volatility of interest rates, the slope of the yield curve, the credit quality of our assets, the collateral underlying our assets, and our outlook for asset spreads relative to the SOFR curve or another alternative interest index rate commonly used for floating rate loans.

Dividends

We elected to be taxed as a REIT for United States federal income tax purposes and, as such, anticipate annually distributing to our stockholders at least 90% of our REIT taxable income, prior to the deduction for dividends paid. If we distribute less than 100% of our REIT taxable income in any tax year (taking into account any distributions made in a subsequent tax year under Sections 857(b)(9) or 858 of the Code), we will pay tax at regular corporate rates on that undistributed portion. Furthermore, if we distribute less than the sum of 1) 85% of our ordinary income for the calendar year, 2) 95% of our capital gain net income for the calendar year and 3) any undistributed shortfall from our prior calendar year (the “Required Distribution”) to our stockholders during any calendar year (including any distributions declared by the last day of the calendar year but paid in the subsequent year), then we are required to pay non-deductible excise tax equal to 4% of any shortfall between the Required Distribution and the amount that was actually distributed. Any of these taxes would decrease cash available for distribution to our stockholders. The 90% distribution requirement does not require the distribution of net capital gains. However, if we elect to retain any of our net capital gain for any tax year, we must notify our stockholders and pay tax at regular corporate rates on the retained net capital gain. The stockholders must include their proportionate share of the retained net capital gain in their taxable income for the tax year, receive a credit for their share of the tax paid by such REIT, and are deemed to have paid the REIT’s tax on their proportionate share of the retained capital gain. Furthermore, such retained capital gain may be subject to the nondeductible 4% excise tax. If we determine that our estimated current year taxable income (including net capital gain) will be in excess of estimated dividend distributions (including capital gains dividends) for the current year from such income, we accrue excise tax on a portion of the estimated excess taxable income as such taxable income is earned.

Before we make any distributions, whether for United States federal income tax purposes or otherwise, we must first meet both our operating and debt service requirements under on our Financing Agreements and other debt payable. If our cash available for distribution is less than our REIT taxable income, we could be required to sell assets or borrow funds to make cash distributions or we may elect to make a portion of the Required Distribution in the form of a taxable stock distribution or distribution of debt securities.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

As part of our risk management strategy, our Manager closely monitors our portfolio and actively manages the credit, interest rate, market, prepayment, financing, real estate and inflation risks associated with holding a portfolio of our target investments. We manage our portfolio through an interactive process with our Manager and Ares Management. Our Manager has an Investment Committee that oversees compliance with our investment strategy and guidelines, loans held for investment portfolio holdings and financing strategy. We seek to manage our risks related to the credit quality of our assets, interest rates, liquidity, prepayment rates and market value while, at the same time, seeking to provide an opportunity to stockholders to realize attractive risk-adjusted returns through ownership of our capital stock. While we do not seek to avoid risk completely, we believe the risks can be quantified from historical experience and seek to actively manage those risks, to earn sufficient compensation to justify taking those risks and to maintain capital levels consistent with the risks we undertake.

Credit Risk

We are subject to varying degrees of credit risk in connection with holding our target investments. We have exposure to credit risk on our CRE loans held for investment and available-for-sale debt securities. Our Manager seeks to manage credit risk by performing a due diligence process prior to origination or acquisition and through the use of non-recourse financing, when and where available and appropriate. Credit risk is also addressed through our Manager’s ongoing review of our loans held for investment portfolio. In addition, with respect to any particular target investment, our Manager’s investment team evaluates, among other things, relative valuation, comparable analysis, supply and demand trends, shape of yield curves, delinquency and default rates, recovery of various sectors and vintage of collateral.

In the current macroeconomic environment, certain borrowers have not been able to repay principal upon the loan maturity and may not be able to qualify for loan extensions. Additionally, if tenants are not able to pay rent to their landlords, property owners may not be able to make payments to their lenders. We have continued regular dialogue with our borrowers and our financing providers to assess this credit risk.

Interest Rate Risk

Interest rates are highly sensitive to many factors, including fiscal, monetary and trade policies and domestic and international economic and political considerations, as well as other factors beyond our control. We are subject to interest rate risk in connection with our assets and our related financing obligations, including our borrowings under the Financing

Agreements. We primarily originate or acquire floating rate mortgage assets and finance those assets with index-matched floating rate liabilities. As a result, we significantly reduce our exposure to changes in portfolio value and cash flow variability related to changes in interest rates. However, we regularly measure our exposure to interest rate risk and assess interest rate risk and manage our interest rate exposure on an ongoing basis by comparing our interest rate sensitive assets to our interest rate sensitive liabilities. Based on that review, we determine whether or not we should enter into hedging transactions and derivative financial instruments, such as forward sale commitments and interest rate floors in order to mitigate our exposure to changes in interest rates.

While hedging activities may mitigate our exposure to adverse fluctuations in interest rates, certain hedging transactions that we have entered into or may enter into in the future, such as interest rate swap agreements, may also limit our ability to participate in the benefits of lower interest rates with respect to our investments. In addition, there can be no assurance that we will be able to effectively hedge our interest rate risk. As of March 31, 2025, we did not have hedging or derivative financial instruments in place.

In addition to the risks discussed above, there is also the risk of non-performance on floating rate assets. In the case of a significant increase in interest rates, the additional debt service payments due from our borrowers may strain the operating cash flows of the real estate assets underlying our mortgages and, potentially, contribute to non-performance or, in severe cases, default, which may be mitigated by borrower purchased interest rate caps.

Interest Rate Effect on Net Income

Our interest income and expense will generally change directionally with index rates. The impact of declining interest rates may be mitigated by interest rate floors and the impact of rising or declining interest rates may be mitigated by certain hedging transactions that we have entered into or may enter into in the future. The following table estimates the hypothetical increases/(decreases) in net income for a twelve month period, assuming (1) an immediate increase or decrease in 30-day SOFR as of March 31, 2025 and (2) no change in the outstanding principal balance of our loans held for investment portfolio, available-for-sale debt securities and borrowings as of March 31, 2025 (\$ in millions):

Change in 30-Day SOFR	Increase/(Decrease) in Net Income
Up 100 basis points	\$2.2
Up 50 basis points	\$1.1
Down 50 basis points	\$(1.1)
Down 100 basis points	\$(2.2)
SOFR at 0 basis points	\$(2.8)

The severity of any such impact depends on our asset/liability composition at the time as well as the magnitude and duration of the interest rate increase and any applicable floors or hedging transactions. If any of these events happen, we could experience a decrease in net income or incur a net loss during these periods, which could adversely affect our liquidity and results of operations.

Interest Rate Floor Risk

We primarily originate or acquire floating rate mortgage and mortgage-related assets. Some of these mortgage assets may be subject to interest rate floors. Similarly, some of our borrowing costs may be subject to interest rate floors. In a period of decreasing interest rates, the interest rate yields on our floating rate mortgage assets could decrease, while the interest rate costs on certain of our borrowings could be fixed at a higher floor. In addition, a decrease in interest rates or tightening credit spreads increases the likelihood that certain of our investments will be refinanced at lower rates. These factors could lower our net interest income or cause a net loss during periods of decreasing interest rates, which would harm our financial condition, cash flows and results of operations.

Market Risk

The estimated fair values of our investments fluctuate primarily due to changes in index rates, changes in credit spreads and other factors. In general, in a rising interest rate environment, whether due to increases in index rates or credit spreads, the estimated fair value of our fixed-rate investments would generally be expected to decrease; conversely, in a decreasing interest rate environment, whether due to decreases in index rates or credit spreads, the estimated fair value of our fixed-rate investments would generally be expected to increase. Also, in general, in a widening credit spread environment, the

estimated fair value of our floating rate investments would generally be expected to decrease. However, in a compressing credit spread environment, the estimated fair value of our floating rate investments may not increase, particularly if prepayment restrictions are not in place and our floating rate investments are fully prepayable. As market volatility increases or liquidity decreases, the fair value of our investments and liabilities may be adversely impacted.

Prepayment and Securitizations Repayment Risk

Our net income (loss) and earnings may be affected by prepayment rates on our existing CRE loans. When we originate our CRE loans, we anticipate that we will generate an expected yield. When borrowers prepay their CRE loans faster than we expect, we may be unable to replace these CRE loans with new CRE loans that will generate yields which are as high as the prepaid CRE loans. If prepayment rates decrease in a high interest rate environment, borrowers exercise extension options on CRE loans or we extend the term of CRE loans, the life of the loans could extend beyond the term of the Financing Agreements that we borrow on to fund our CRE loans. This could have a negative impact on our results of operations. In some situations, we may be forced to fund additional cash collateral in connection with the Financing Agreements or sell assets to maintain adequate liquidity, which could cause us to incur losses. Additionally, principal repayment proceeds from mortgage loans in the FL4 CLO Securitization are applied sequentially, first used to pay down the senior notes in the FL4 CLO Securitization. We will not receive any proceeds from the repayment of loans in the FL4 CLO Securitization until all senior notes are repaid in full.

Financing Risk

We borrow funds under our Financing Agreements to finance our target assets. We may be subject to risk arising from a default by one of several large banking institutions that are dependent on one another to meet their liquidity or operational needs, so that a default by one institution may cause a series of defaults by the other institutions, and may impact the liquidity of our lenders and their willingness to provide us with borrowings to finance our target assets and other needs.

In addition, our Secured Funding Agreements contain margin call provisions following the occurrence of certain mortgage loan credit events. If we are unable to make the required payment or if we fail to meet or satisfy any of the covenants in our Financing Agreements, we would be in default under these agreements, and our lenders could elect to declare outstanding amounts due and payable, terminate their commitments, require the posting of additional collateral, including cash to satisfy margin calls, and enforce their interests against existing collateral. For example, certain of our Financing Agreements contain (i) negative covenants that limit, among other things, our ability to repurchase our common stock, make distributions to our stockholders, employ leverage beyond certain amounts, sell assets, engage in mergers or consolidations, grant liens, and enter into transactions with affiliates (including amending the Management Agreement in a material respect) and (ii) operating and financial covenants, including those requiring us to maintain a certain tangible net worth, asset coverage ratio, total net leverage ratio and loan concentration. We are also subject to cross-default and acceleration rights with respect to our Financing Agreements. In addition, our FL4 CLO Securitization contains certain senior note overcollateralization ratio tests. To the extent we fail to meet these tests, amounts that would otherwise be used to make payments on the subordinate securities that we hold will be used to repay principal on the more senior securities to the extent necessary to satisfy any senior note overcollateralization ratio and we may incur significant losses. Our sources of liquidity may be impacted to the extent we do not receive cash payments that we would otherwise expect to receive from the FL4 CLO Securitization if these tests were met. Additionally, in such a case, interest income may continue to accrue for the holders of subordinate securities within the FL4 CLO Securitization notwithstanding the cash being used to repay principal on the more senior securities. This would cause us to recognize income but not have a corresponding amount of cash available for operations or for distribution to our stockholders.

Continued weakness or volatility in the financial markets, the commercial real estate and mortgage markets and the economy generally could adversely affect one or more of our lenders or potential lenders and could cause one or more of our lenders or potential lenders to be unwilling or unable to provide us with financing or to increase the costs of that financing. From time to time, capital markets may also experience periods of disruption and instability, which may adversely affect our ability to refinance our financing arrangements.

Real Estate Risk

Our real estate investments and the value of real estate owned are subject to volatility and may be affected adversely by a number of factors, including, but not limited to, national, regional and local economic conditions (which may be adversely affected by industry slowdowns and other factors); local real estate conditions; changes or continued weakness in specific industry segments; local markets with a significant exposure to the energy sector; construction quality, age and design; demographic factors; insurance costs; and retroactive changes to building or similar codes. Higher interest rates and persistent inflation have had, and continue to have, an adverse impact on industries whose properties serve as collateral for some of our portfolio investments. Similarly, increased demand for work-from-home arrangements and elevated costs to operate, improve or

repurpose office properties have impacted the operations of office properties and rising operating costs, such as property insurance, have further pressured cash flow performance of commercial real estate. Decreases in property values reduce the value of the collateral and the potential proceeds available to a borrower to repay the underlying loan or loans, as the case may be, and reduce the value of properties that we own as a result of default on the underlying loan, each of which could cause us to suffer losses. We seek to manage these risks through our underwriting and asset management processes.

Inflation Risk

Virtually all of our assets and liabilities are sensitive to interest rates. As a result, interest rates and other factors influence our performance far more so than does inflation. Changes in interest rates do not necessarily correlate with inflation rates or changes in inflation rates but adverse changes in inflation or changes in inflation expectations can lead to lower returns on our investments than originally anticipated. Current levels of inflation could exacerbate this possibility. In each case, in general, our activities and balance sheet are measured with reference to historical cost and/or fair market value without considering inflation.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures (as that term is defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) that are designed to ensure that information required to be disclosed in our reports under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our principal executive officer and principal financial officer, as appropriate, to allow timely decisions regarding required disclosures. Any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. Our management, with the participation of our principal executive officer and principal financial officer, has evaluated the effectiveness of the design and operation of our disclosure controls and procedures as of March 31, 2025. Based upon that evaluation and subject to the foregoing, our principal executive officer and principal financial officer concluded that, as of March 31, 2025, the design and operation of our disclosure controls and procedures were effective to accomplish their objectives at the reasonable assurance level.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the quarter ended March 31, 2025 that have materially affected, or that are reasonably likely to materially affect, our internal control over financial reporting.

We incur significant costs and expenses in connection with any such proceedings, information requests and investigations.

Item 1A. Risk Factors

You should carefully consider the risk factors discussed in Part I, "Item 1A. ARTICLE 3 THE TRANSACTIONS

Section 3.01 Procedures.

(a) From time to time during the Funding Period, a Seller may request Buyer to enter into a proposed Transaction by sending notice to Buyer (a "Transaction Request") (i) describing the Transaction and each proposed Asset and any related underlying Mortgaged Property and other security therefor in reasonable detail, (ii) transmitting a complete Underwriting Package for each proposed Asset, and (iii) specifying which (if any) of the representations and warranties of such Seller set forth in this Agreement (including in Schedule 1 applicable to the Class of such Asset) such Seller will be unable to make with respect to such Asset. Such Seller shall promptly deliver to Buyer any supplemental materials requested at any time by Buyer. Buyer shall conduct such review of the Underwriting Package and each such Asset as Buyer determines appropriate. Buyer shall determine whether or not it is willing to purchase any or all of the proposed Assets, and if so, on what terms and conditions. It is expressly agreed and acknowledged that Buyer is entering into the Transactions on the basis of all such representations and warranties and on the completeness and accuracy of the information contained in the applicable Underwriting Package, and any incompleteness or inaccuracies in the related Underwriting Package will only be acceptable to Buyer if disclosed in writing to Buyer by such Seller in advance of the related Purchase Date, and then only if Buyer opts to purchase the related Purchased Asset from such Seller notwithstanding such incompleteness and

inaccuracies. In the event of a Representation Breach, the applicable Seller shall within three (3) Business Days after notice repurchase the related Asset or Assets in accordance with Section 3.05.

(b) Buyer shall give the related Seller notice of the date when Buyer has received a complete Underwriting Package and supplemental materials. Buyer shall approve or disapprove in writing any proposed Asset, within ten (10) Business Days after such date. If Buyer has not communicated such decision to such Seller by such date, Buyer shall automatically and without further action be deemed to have determined not to purchase any such Asset.

(c) If Buyer communicates to the related Seller a final non-binding determination that it is willing to purchase any or all of such Assets, such Seller shall deliver to Buyer an executed preliminary Confirmation for such Transaction, describing each such Asset and its proposed Purchase Date, Market Value, Applicable Percentage, Purchase Price, ~~Applicable SOFR~~ Benchmark and such other terms and conditions as Buyer may require. If Buyer requires changes to the preliminary Confirmation, the related Seller shall make such changes and re-execute the preliminary Confirmation. If Buyer determines to enter into the Transaction on the terms described in the preliminary Confirmation, Buyer shall execute and return the same to such Seller at the time that Buyer pays the related Purchase Price to applicable Seller, which shall thereupon become effective as the Confirmation of the Transaction. Buyer's approval of the purchase of an Asset on such terms and conditions as Buyer may require shall be evidenced only by its execution and delivery of the related Confirmation. For the avoidance of doubt, Buyer shall not (i) be bound by any preliminary or final non-binding determination referred to above, or (ii) be obligated to purchase an Asset notwithstanding a Confirmation executed by the Parties unless and until all applicable conditions precedent in Article 6 have been satisfied or waived by Buyer.

(d) Each Confirmation, together with this Agreement, shall be conclusive evidence of the terms of the Transaction covered thereby, and shall be construed to be cumulative to the extent possible. If terms in a Confirmation are inconsistent with terms in this Agreement with respect to a particular Transaction, the Confirmation shall prevail. Whenever the Applicable Percentage or any other term of a Transaction (other than the Pricing Rate, Market Value and outstanding Purchase Price) with respect to an Asset is revised or adjusted in accordance with this Agreement, an amended and restated Confirmation reflecting such revision or adjustment and that is otherwise acceptable to the Parties shall be prepared by the related Seller and executed by the Parties.

(e) The fact that Buyer has conducted or has failed to conduct any partial or complete examination or any other due diligence review of any Asset or Purchased Asset shall in no way affect any rights Buyer may have under the Repurchase Documents or otherwise with respect to any representations or warranties or other rights or remedies thereunder or otherwise, including the right to determine at any time that such Asset or Purchased Asset is not an Eligible Asset.

(f) No Transaction shall be entered into if (i) any Margin Deficit, Default or Event of Default exists or would exist as a result of such Transaction, (ii) the Repurchase Date for the Purchased Assets subject to such Transaction would be later than the Facility Termination Date, or (iii) after giving effect to such Transaction, the Aggregate Amount Outstanding would exceed the Maximum Amount.

(g) [Reserved].

(h) Notwithstanding any of the foregoing provisions of this Section 3.01 or any contrary provisions set forth in the Custodial Agreement, solely with respect to any Wet Mortgage Asset:

(i) by 12:00 noon (New York City time) on the Purchase Date, the related Seller or Bailee shall deliver signed .pdf copies of the Purchased Asset Documents to Custodian via electronic mail, and such Seller shall deliver the appropriate written third-party wire transfer instructions to Buyer;

(ii) not later than 12:00 noon (New York City time) on the related Purchase Date, (A) Bailee shall deliver an executed .pdf copy of the Bailee Agreement to related Seller, Buyer and Custodian by electronic mail and (B) if Buyer has previously received the trust receipt in accordance with Section 3.01(b) of the Custodial Agreement, determined that all other applicable conditions in this Agreement, including without limitation those set forth in Section 6.02 hereof have been satisfied, and otherwise has agreed to purchase the related Wet Mortgage Asset, Buyer shall (I) execute and deliver a .pdf copy of the related Confirmation to the related Seller and Bailee via electronic mail and (II) wire funds in the amount of the related Purchase Price for the related Wet Mortgage Asset in accordance with the wire transfer instructions that were previously delivered to Buyer by such Seller; and

(iii) within five (5) Business Days after the applicable Purchase Date with respect to any Wet Mortgage Asset, the related Seller shall deliver, or cause to be delivered (A) to Custodian, the complete original Mortgage Asset File with respect to such Wet Mortgage Asset, pursuant to and in accordance with the terms of the Custodial Agreement, and (B) to Buyer, the complete original Underwriting Package with respect to the related Wet Mortgage Assets purchased by Buyer; provided, that, if Buyer's diligence review of the related Mortgage Asset File requires the delivery of a mortgage file, document or instrument or the equivalent that such Seller cannot deliver, or cause to be delivered, to Custodian at the time they are required to be delivered, solely because of a delay caused by the public recording office where such document or instrument has been delivered for recordation, the delivery requirements set forth in this Agreement and the Custodial Agreement shall be deemed to have been satisfied as to such non-delivered Mortgage Asset File, document or instrument if a copy thereof (certified by such Seller to be a true and complete copy of the original thereof submitted for recording) is delivered to Custodian on or before the date on which such original is required to be delivered, and either the original of such non-delivered document or instrument, or a photocopy thereof, with evidence of recording thereon, is delivered to Custodian within ninety (90) days of the related Purchase Date, and, provided, further, that Buyer may, but is not obligated to, consent to a later date for delivery of any part of the Mortgage Asset File in its sole discretion.

(i) Purchased Assets with an initial Recourse Percentage of greater than twenty-five percent (25%) that have been sufficiently modified or otherwise rehabilitated may be re-submitted by Seller for an adjustment to such Recourse Percentage, with such request including all supporting documentation and information as requested by Buyer. Buyer shall determine, in its sole discretion, whether or not to approve or deny each such adjustment request and, if so, on what terms and conditions. Any such adjustment that is approved by Buyer and for which Seller satisfies all other conditions for a Transaction set forth in the Repurchase Documents shall be subject to an amended and restated Confirmation executed by Seller and Buyer and the Recourse Percentage with respect to such Purchased Asset will thereafter be as set forth in such amended and restated Confirmation for all purposes under the Repurchase Documents; provided that the Pricing Margin and Applicable Percentage for any such Purchased

Asset shall not be changed or modified unless otherwise agreed by Buyer in its sole discretion in the amended and restated Confirmation.

(j) In addition to the foregoing provisions of this Section 3.01, solely with respect to any Mezzanine Related Mortgage Asset owned by a Seller that is being purchased by Buyer hereunder, such Seller shall (i) as part of the Underwriting Package, provide Buyer with such information regarding the related Mezzanine Loans as Buyer may request including, without limitation, any related intercreditor, co-lender or similar agreements, and (ii) in connection with the purchase thereof by Buyer, convey, transfer and assign to Buyer, for no additional consideration from Buyer, each Mezzanine Loan relating to such Mezzanine Related Mortgage Asset owned by such Seller, Guarantor or any of their respective Affiliates to Buyer, in form and substance satisfactory to Buyer, together with all other documents necessary or desirable to effect such collateral assignment, in each case as determined by Buyer and its counsel in their discretion

~~(k) Notwithstanding anything to the contrary herein, in no event shall any LIBOR Based Transaction be entered into on or after January 1, 2022, unless otherwise agreed by Buyer in its sole discretion.~~

Section 3.02 Transfer of Purchased Assets; Servicing Rights. On the Purchase Date for each Purchased Asset, and subject to the satisfaction of all applicable conditions precedent in Article 6, (a) ownership of and title to such Purchased Asset shall be transferred to and vest in Buyer or its designee against the simultaneous transfer of the Purchase Price to the account of the related Seller specified in Annex 1 (or if not specified therein, in the related Confirmation or as directed by such Seller), and (b) such Seller hereby sells, transfers, conveys and assigns to Buyer on a servicing-released basis all of such Seller's right, title and interest (except with respect to any Retained Interests) in and to such Purchased Asset, together with all related Servicing Rights. Subject to this Agreement, during the Funding Period a Seller may sell to Buyer, repurchase from Buyer and re-sell Eligible Assets to Buyer, but Sellers may not substitute other Eligible Assets for Purchased Assets. Buyer has the right to designate each servicer of the Purchased Assets. The Servicing Rights and other servicing provisions under this Agreement are not severable from or to be separated from the Purchased Assets under this Agreement; and, such Servicing Rights and other servicing provisions of this Agreement constitute (a) "related terms" under this Agreement within the meaning of Section 101(47)(A)(i) of the Bankruptcy Code and/or (b) a security agreement or other arrangement or other credit enhancement related to the Repurchase Documents. To the extent any additional limited liability company is formed by a Division of Seller (and without prejudice to Sections 8.01 and 9.01 hereof), Seller shall cause each such Division LLC to sell, transfer, convey and assign to Buyer on a servicing released basis and for no additional consideration all of each such Division LLC's right, title and interest in and to each Purchased Asset, together with all related Servicing Rights in the same manner and to the same extent as the sale, transfer, conveyance and assignment by Seller on each related Purchase Date of all of Seller's right, title and interest in and to each Purchased Asset, together with all related Servicing Rights.

Section 3.03 Maximum Amount. The aggregate outstanding Purchase Price for all Purchased Assets as of any date of determination shall not exceed the Maximum Amount. If the aggregate outstanding Purchase Price for all Purchased Assets as of any date of determination exceeds the Maximum Amount, Sellers shall immediately pay to Buyer an amount necessary to reduce such aggregate outstanding Purchase Price to an amount equal to or less than the Maximum Amount. Once per calendar year, so long as no Default or Event of Default has occurred and is continuing, Sellers shall have the option to reduce the Maximum Amount at their discretion without premium or penalty to an amount no less than the then-outstanding aggregate Purchase Price upon three (3) Business Days advance notice to Buyer. In addition, the

Maximum Amount shall be automatically reduced to the outstanding aggregate Purchase Price plus the amount of any remaining unfunded Buyer commitments set forth on all outstanding Confirmations as of the expiration of the Funding Period.

Section 3.04 Early Repurchase Date; Mandatory Repurchases.

(a) The applicable Seller may terminate any Transaction with respect to any or all Purchased Assets sold by such Seller and repurchase such Purchased Assets on any date prior to the Repurchase Date (an “Early Repurchase Date”); provided, that (a) such Seller irrevocably notifies Buyer at least three (3) Business Days before the proposed Early Repurchase Date identifying the Purchased Asset(s) to be repurchased and the Repurchase Price thereof, (b) such Seller delivers a certificate from a Responsible Officer of such Seller in form and substance satisfactory to Buyer certifying that no Margin Deficit, Default or Event of Default exists or would exist as a result of such repurchase and there are no other Liens on the Purchased Assets or Pledged Collateral other than Buyer’s Lien, unless all such Liens are satisfied in full on or before the related Early Repurchase Date (c) if the Early Repurchase Date is not a Remittance Date, such Seller pays to Buyer any amount due under Section 12.04 and pays all amounts due to any Affiliated Hedge Counterparty under the related Interest Rate Protection Agreement, (d) such Seller pays to Buyer the related (if any) Exit Fee due and payable, but no such Exit Fee shall be due and payable if the related repurchase occurs in connection with an Exempted Transaction, and (e) such Seller thereafter complies with Section 3.05. Such early terminations and repurchases shall be limited to three (3) occurrences in any calendar week.

(b) In addition to other rights and remedies of Buyer under any Repurchase Document, the applicable Seller shall, within two (2) Business Days of receipt of written notice from Buyer, repurchase any Purchased Asset that no longer qualifies as an Eligible Asset.

(c) In addition to the foregoing, in connection with each repurchase made pursuant to Section 3.04(a), if such repurchase occurs at any time during (i) the First Extension Period, then the applicable Seller shall pay an amount equal to 110% of the applicable Repurchase Price otherwise payable for such date, and (ii) the Second Extension Period, then the applicable Seller shall pay an amount equal to 125% of the applicable Repurchase Price otherwise payable for such date; provided, however, if (x) at the time of any repurchase during the time period described in clause (i) above, there are at least seven (7) remaining Purchased Assets and the Debt Yield for all of the remaining Purchased Assets, calculated on an aggregate basis, equals or exceeds nine percent (9.0%), or (y) if at the time of any repurchase during the time period described in clause (ii) above, (i) the Debt Yield for all of the remaining Purchased Assets, calculated on an aggregate basis, equals or exceeds twelve and one-half percent (12.5%), and (ii) the PPV Ratio for all of the remaining Purchased Assets, calculated on an aggregate basis, is less than or equal to forty-five percent (45%), then the amount payable pursuant to the applicable clause shall be solely the applicable Repurchase Price for such date. The proceeds of any payment made pursuant to this Section 3.04(c) in excess of the applicable Repurchase Price that otherwise would have been payable shall be applied by Buyer first to repay any outstanding Margin Deficits, and second to reduce the unpaid Repurchase Prices of all remaining Purchased Assets on a pro rata basis, unless such Seller and Buyer otherwise agree to apply any such amounts differently.

(d) In addition, at any time during the existence of an uncured Event of Default or an unsatisfied Margin Deficit, if a Seller elects to repurchase a Purchased Asset due to the prepayment in whole (but not in part) of the underlying Whole Loan, such Seller shall pay to Buyer one-hundred percent (100%) of the net proceeds due in connection with the payoff of the underlying Purchased Asset in question, up to the amount of funds necessary to both cure the Event of Default and/or unsatisfied Margin Deficit (and pay in full the Repurchase Price for such Purchased Asset). All such net proceeds in excess of the outstanding Repurchase Price of the

related Purchased Asset shall be applied first to any other Purchased Asset to the extent of any Margin Deficit, and then pro-rata to the Repurchase Prices of all other Purchased Assets, unless such Seller and Buyer otherwise agree to apply such amount differently, and if such application has served to fully cure all outstanding Defaults or Events of Default and pay to Buyer any other amounts due and payable under the Repurchase Documents, then any remaining amounts to such Seller.

Section 3.05 Repurchase. On the Repurchase Date for each Purchased Asset, the applicable Seller shall transfer to Buyer the Repurchase Price for such Purchased Asset as of the Repurchase Date, and pay all amounts due to any Affiliated Hedge Counterparty under the related Interest Rate Protection Agreement and, so long as no Event of Default has occurred and is continuing, Buyer shall transfer to such Seller such Purchased Asset, along with all rights validly transferred to Buyer by such Seller on the Purchase Date thereof, whereupon such Transaction with respect to such Purchased Asset shall terminate; provided, however, that, with respect to any Repurchase Date that occurs on the second Business Day prior to the maturity date (as defined under the related Purchased Asset Documents with respect to such Purchased Asset) for such Purchased Asset by reason of clause (d) of the definition of "Repurchase Date", settlement of the payment of the Repurchase Price and such amounts may occur up to the second Business Day after such Repurchase Date; provided, further, that Buyer shall have no obligation to transfer to such Seller, or release any interest in, such Purchased Asset until Buyer's receipt of payment in full of the Repurchase Price therefor. So long as no Event of Default has occurred and is continuing, Buyer shall be deemed to have simultaneously released its security interest in such Purchased Asset, shall authorize Custodian to promptly release to the applicable Seller the Mortgage Asset File for such Purchased Asset, and Buyer shall execute, acknowledge and deliver to the related Seller, at such Seller's sole expense, any and all documents, instruments and agreements necessary to release all security interests in such Purchased Asset, including, to the extent any UCC financing statement filed against such Seller specifically identifies such Purchased Asset, an amendment thereto or termination thereof evidencing the release of such Purchased Asset from Buyer's security interest therein; provided, however, that whether or not an Event of Default has occurred and is continuing hereunder, Buyer shall be required to release the Mortgage Asset File relating to a Purchased Asset and execute, acknowledge and deliver to the related Seller, at such Seller's sole expense, all necessary release documents if (a) the Underlying Obligor has paid the entire principal amount of the underlying Whole Loan and all other amounts due to Seller under the related Purchased Asset Documents and (b) such Seller makes the required prepayment of the underlying Whole Loan in respect of such Purchased Asset hereunder in accordance with Section 5.02. Any such transfer or release shall be without recourse to Buyer and without representation or warranty by Buyer, except that Buyer shall represent to the related Seller, to the extent that good title was transferred and assigned by such Seller to Buyer hereunder on the related Purchase Date, that Buyer is the sole owner of such Purchased Asset, free and clear of any other interests or Liens caused by Buyer's actions or inactions. Any Income with respect to such Purchased Asset received by Buyer or Waterfall Account Bank after payment of the Repurchase Price therefor shall be remitted to the applicable Seller. Notwithstanding the foregoing, on or before the Facility Termination Date, the applicable Seller shall repurchase all Purchased Assets by paying to Buyer the outstanding Repurchase Price therefor and all other outstanding Repurchase Obligations. Notwithstanding any provision to the contrary contained elsewhere in any Repurchase Document, at any time during the existence of an uncured Default or Event of Default, the related Seller cannot repurchase a Purchased Asset in connection with a full payoff of the underlying Whole Loan by the Underlying Obligor, unless one hundred percent (100%) of the net proceeds due in connection with the relevant payoff shall be paid directly to Buyer. The portion of all such net proceeds in excess of the then-current Repurchase Price of the related Purchased Asset shall be applied by Buyer to reduce any other amounts due and payable to Buyer under this Agreement.

Section 3.06 Extension of the Facility Termination Date.

(a) Facility Termination Date Extension Options. At the request of Sellers delivered to Buyer no earlier than ninety (90) days or later than thirty (30) days before the then-applicable Facility Termination Date, Buyer shall grant up to two (2) extensions of the Facility Termination Date for a period of one (1) year each by giving notice approving such extension to Sellers prior to the then-current Facility Termination Date. The failure of Buyer to so deliver such notice approving the extension shall be deemed to be Buyer's determination not to extend the Facility Termination Date unless Buyer thereafter gives notice to the contrary. Any extension of the Facility Termination Date shall be subject to the following conditions (the "Extension Conditions"): (i) no Default or Event of Default exists on the date of the request to extend and as of the current Facility Termination Date, (ii) no Margin Deficit shall be outstanding on the date of the request to extend and as of the current Facility Termination Date, (iii) each Seller has made a timely request for the extension in question, (iv) the Purchased Assets shall be in compliance with the requirements of the Minimum Portfolio Debt Yield Test that are applicable to the next ensuing Extension Period on the date of the request to extend and as of the current Facility Termination Date, which compliance shall be determined by Buyer in its sole discretion, (v) all Purchased Assets must qualify as Eligible Assets on the date of the request to extend and as of the current Facility Termination Date and (vi) the payment by Sellers to Buyer of the Extension Fee has been effected on or before the current Facility Termination Date; provided that (A) if any Default, Event of Default or outstanding Margin Deficit exists or the Purchased Assets are not in compliance with the Minimum Portfolio Debt Yield Test, Buyer shall grant Sellers a temporary extension not to exceed the time permitted to cure/satisfy such Default, Event of Default, Margin Deficit or Minimum Portfolio Debt Yield Test set forth in the Repurchase Documents, and (B) if any Seller is not in compliance with any of the foregoing Extension Conditions on the date of the related extension request, such request may be submitted by Sellers, setting forth any conditions to extension of the Facility Termination Date that are not in compliance and the reasons for such non-compliance, and such request shall be granted by Buyer if, as of the Facility Termination Date for which such request is submitted, each Seller certifies to Buyer's satisfaction that it is in compliance with each of the conditions set forth in this Section 3.06(a). No additional Transactions shall be entered into after the expiration of the Funding Period.

In connection with each extension of the Facility Termination Date to a date beyond the expiration of the Funding Period, if any unfunded commitments in respect of any Purchased Asset remain outstanding on the Facility Termination Date so extended, the applicable Seller may request funding of such unfunded commitments subject to all terms and conditions of funding set forth in this Agreement, including review and approval by Buyer of such funding based on an updated Underwriting Package, in an aggregate amount not to exceed, for any such Purchased Asset, the product of (x) the Applicable Percentage attributable to such Purchased Asset and (y) the amount of unfunded commitments remaining available in respect of such Purchased Asset at such time; provided that in no event shall any amounts so funded by Buyer cause the aggregate amounts funded hereunder to exceed the Maximum Amount.

(b) Reserved.

(c) Maximum Amount Upsize Option. At any time during the Funding Period, but in no event more than three (3) times, Sellers may request an increase of the Maximum Amount (the "Upsize Option") by delivery of written notice to Buyer of such request not less than thirty (30) days prior to the requested effective date of the corresponding increase in the Maximum Amount. Each Upsize Option shall be in an amount not less than \$50,000,000. Each Upsize Option in an amount greater than \$50,000,000 shall be in increments of \$50,000,000. Seller's request(s) to exercise an Upsize Option may be approved or denied by Buyer in Buyer's sole discretion; provided, that a request by Seller to exercise an Upsize Option will be deemed to

be denied if, on the date of the related request or on the proposed effective date of such request, any of the Extension Conditions set forth in Section 3.06(a) are not satisfied. In addition, no exercise of an Upsize Option shall be effective until Seller has paid to Buyer the Upsize Fee applicable for the related Upsize Option.

Section 3.07 Partial Prepayment. On any Business Day, on three (3) Business Days' prior written notice from the applicable Seller to Buyer, such Seller may partially pay the Repurchase Price of any Purchased Asset, which shall include any related amounts then due and owing to an Affiliated Hedge Counterparty (any such asset, a "Partially Repaid Purchased Asset" and the amount so repaid, the "Partial Payment Amount"). With respect to such payment that is not occasioned by a repayment of principal with respect to the Purchased Asset, such Seller shall give Buyer at least three (3) Business Days prior notice of payment and shall not partially pay in an amount whereby the remaining Purchase Price of any such Purchased Asset, after giving effect to any such partial payment, is less than \$500,000. In respect of any Partially Repaid Purchased Asset, the applicable Seller may request, on no less than one (1) Business Day's prior written notice to Buyer, that Buyer pay to such Seller the Partial Payment Amount in respect of such Partially Repaid Purchased Asset. If any such request is delivered to Buyer less than ninety (90) days after Buyer's initial approval to purchase such Purchased Asset from such Seller, Buyer shall pay to such Seller the Partial Payment Amount in respect of such Partially Repaid Purchased Asset. If any such request is delivered to Buyer ninety (90) or more days after Buyer's initial approval to purchase such Purchased Asset from such Seller, Buyer may, in its discretion either decline such request in its entirety, or accept such request in whole or in part and pay to such Seller none, all or part of the Partial Payment Amount in respect of such Partially Repaid Purchased Asset, subject to any terms or conditions Buyer may, in its discretion, require. Any prepayment made under this Section shall be deposited directly into the General Repo Account and, notwithstanding any provision in Section 5.02 to the contrary, applied by Buyer to reduce the unpaid Repurchase Price of the related Purchased Asset within one (1) Business Day after deposit therein, and not, for the avoidance of doubt, on the next Remittance Date.

Section 3.08 Payment of Price Differential and Fees.

(a) Notwithstanding that Buyer and each Seller intend that each Transaction hereunder constitute a sale to Buyer of the Purchased Assets subject thereto, each Seller shall pay to Buyer the accrued value of the Price Differential for each Purchased Asset on each Remittance Date. Buyer shall give the applicable Seller notice of the Price Differential and any fees and other amounts due under the Repurchase Documents on or prior to the second (2nd) Business Day preceding each Remittance Date; provided, that Buyer's failure to deliver such notice shall not affect such Seller's obligation to pay such amounts. If the Price Differential includes any estimated Price Differential, Buyer shall recalculate such Price Differential after the Remittance Date and, if necessary, make adjustments to the Price Differential amount due on the following Remittance Date.

(b) Sellers shall pay to Buyer all fees and other amounts as and when due as set forth in this Agreement including, without limitation, the Structuring Fee, the Extension Fee and the Upsize Fee, each of which shall be paid pursuant to the terms of the Fee Letter.

Section 3.09 Payment, Transfer and Custody.

(a) Unless otherwise expressly provided herein, all amounts required to be paid or deposited by any Seller, Guarantor or any other Person under the Repurchase Documents shall be paid or deposited in accordance with the terms hereof no later than 3:00 p.m. on the Business Day when due, in immediately available Dollars and without deduction, setoff or counterclaim, and if not received before such time shall be deemed to be received on the next Business Day. Whenever any payment under the Repurchase Documents shall be stated to be

due on a day other than a Business Day, such payment shall be made on the next following Business Day, and such extension of time shall in such case be included in the computation of such payment. Each Seller, Guarantor and Pledgor shall, to the extent permitted by Requirements of Law, pay to Buyer interest in connection with any amounts not paid when due under the Repurchase Documents, which interest shall be calculated at the Default Rate, until all such amounts are received in full by Buyer. Amounts payable to Buyer and not otherwise required to be deposited into the Waterfall Account shall be deposited into the General Repo Account. Sellers shall have no rights in, rights of withdrawal from, or rights to give notices or instructions regarding Buyer's account or the Waterfall Account or any Collection Account; provided that the Sellers may withdraw funds from the Waterfall Account or any Collection Account with the prior written consent of Buyer in accordance with the terms of the related Controlled Account Agreement. Amounts in the Waterfall Account and/or any Collection Account may be invested at the direction of Buyer in cash equivalents before they are distributed in accordance with Article 5.

(b) Any Purchased Asset Documents not delivered to Buyer or Custodian on the relevant Purchase Date and subsequently received or held by or on behalf of a Seller are and shall be held in trust by the applicable Seller or its agent for the benefit of Buyer as the owner thereof until so delivered to Buyer or Custodian. The related Seller or its agent shall maintain a copy of such Purchased Asset Documents and the originals of the Purchased Asset Documents not delivered to Buyer or Custodian. The possession of Purchased Asset Documents by the applicable Seller or its agent is in a custodial capacity only at the will of Buyer for the sole purpose of assisting Interim Servicer with its duties under the Servicing Agreement. Each Purchased Asset Document retained or held by or on behalf of a Seller or its agent shall be segregated on such Seller's books and records from the other assets of such Seller or its agent, and the books and records of such Seller or its agent shall be marked to reflect clearly the sale of the related Purchased Asset to Buyer on a servicing released basis. Each Seller or its agent shall release its custody of the Purchased Asset Documents only in accordance with written instructions from Buyer, unless such release is required as incidental to the servicing of the Purchased Assets by Interim Servicer or is in connection with a repurchase of any Purchased Asset by a Seller, in each case in accordance with the Custodial Agreement.

Section 3.10 Repurchase Obligations Absolute. All amounts payable by Sellers under the Repurchase Documents shall be paid without notice, demand, counterclaim, setoff, deduction or defense (as to any Person and for any reason whatsoever) and without abatement, suspension, deferment, diminution or reduction (as to any Person and for any reason whatsoever), and the Repurchase Obligations shall not be released, discharged or otherwise affected, except upon indefeasible payment in full or as otherwise expressly provided herein, by reason of: (a) any damage to, destruction of, taking of, restriction or prevention of the use of, interference with the use of, title defect in, encumbrance on or eviction from, any Purchased Asset or related Mortgaged Property, (b) any Insolvency Proceeding relating to any Seller, any Underlying Obligor or any other loan participant under a Senior Interest, or any action taken with respect to any Repurchase Document, Purchased Asset Document by any trustee or receiver of Seller, any Underlying Obligor or any other loan participant under a Senior Interest, or by any court in any such proceeding, (c) any claim that Seller has or might have against Buyer under any Repurchase Document or otherwise (unless such claim relates to the indefeasible payment in full of the Repurchase Obligations), (d) any default or failure on the part of Buyer to perform or comply with any Repurchase Document or other agreement with a Seller, (e) the invalidity or unenforceability of any Purchased Asset, Repurchase Document or Purchased Asset Document, or (f) any other occurrence whatsoever, whether or not similar to any of the foregoing, and whether or not any Seller has notice or Knowledge of any of the foregoing. The Repurchase Obligations shall be full recourse to each Seller. This Section 3.10 shall survive the termination of the Repurchase Documents and the payment in full of the Repurchase Obligations.

Section 3.11 Future Funding Transactions.

(a) Each Future Funding Transaction shall be subject to the following terms and conditions:

(i) The applicable Seller shall give Buyer written notice of each proposed Future Funding Transaction, together with a draft of the amended and restated Confirmation signed by a Responsible Officer of Seller. Each amended and restated Confirmation shall identify the related Whole Loan and/or Senior Interest, shall identify Buyer and the applicable Seller, shall set forth the requested Future Funding Amount and shall be executed by both Buyer and such Seller; provided, however, that Buyer shall not be liable to Seller if it inadvertently acts on an amended and restated Confirmation that has not been signed by a Responsible Officer of Seller. Each amended and restated Confirmation, together with this Agreement, shall be conclusive evidence of the terms of the Future Funding Transaction covered thereby, and shall be construed to be cumulative to the extent possible. If terms in an amended and restated Confirmation are inconsistent with terms in this Agreement with respect to a particular Future Funding Transaction, such amended and restated Confirmation shall prevail.

(ii) For each proposed Future Funding Transaction, the applicable Seller shall deliver to Buyer a Future Funding Request Package no less than seven (7) Business Days prior to the proposed date of such Future Funding Transaction. Buyer shall have the right to conduct an additional due diligence investigation of the Future Funding Request Package and/or the related Purchased Asset as Buyer determines. Any Future Funding Transaction shall be subject to the following conditions as determined by Buyer in its sole discretion: (A) all of the applicable conditions precedent for a Transaction, as described in Section 6.02(b), (e), (f) and (h) have been met by such Seller; (B) the consummation of the related Future Funding Transaction would not cause such Seller to breach the Minimum Portfolio Debt Yield Test; (C) if Buyer has not purchased from such Seller a complete ownership interest in the entire related Whole Loan, all of the terms and conditions relating to the splitting of such Whole Loan into multiple interests are satisfactory to Buyer in all respects; (D) all related conditions precedent set forth in the related Purchased Asset Documents have been satisfied; and (E) prior to or simultaneously with Buyer's funding of the Future Funding Transaction, Seller has funded or caused to be funded to the Underlying Obligor (or to an escrow agent or as otherwise directed by the Underlying Obligor) its pro rata portion of the related future advance to the Underlying Obligor (collectively, the "Future Funding Transaction Conditions"). Upon Buyer's determination in its sole and absolute discretion that the Future Funding Transaction Conditions have been satisfied, Buyer shall advance the requested Future Funding Amount in accordance with clause (iii) below. If Buyer determines that the Future Funding Transaction Conditions have not been satisfied and does not advance the requested Future Funding Amount with respect to any such Future Funding Transaction, Seller shall promptly satisfy all future funding obligations with respect thereto as and when required pursuant to the related Purchased Asset Documents, together with the terms of this Agreement.

(iii) Upon the entry by Buyer into a particular Future Funding Transaction, Buyer shall deliver to Seller a signed copy of the related amended and restated Confirmation described in clause (i) above. On the date of such Future Funding Transaction, which shall occur no later than three (3) Business Days after the final approval of such Future Funding Transaction by Buyer in accordance with clause (ii) above, (a) if an escrow agreement has been established in connection with such Future Funding Transaction, Buyer shall remit the related Future Funding Amount to the related escrow account, (b) if the terms of the Purchased Asset Documents provide for a reserve

account in connection with future advances, Buyer shall remit the related Future Funding Amount to the applicable reserve account, (c) upon evidence satisfactory to Buyer that Seller has paid (or cause to be paid) to or as directed by the related Underlying Obligor the entire future funding obligation required by the related Purchased Asset Documents, Buyer shall remit the related Future Funding Amount to Seller, and (d) otherwise, Buyer shall remit the related Future Funding Amount directly to the related Underlying Obligor.

~~(b) Notwithstanding anything to the contrary herein, in no event shall any Future Funding Transaction with respect to any LIBOR Based Transaction be entered into on or after January 1, 2022, unless otherwise agreed by Buyer in its sole discretion.~~

ARTICLE 4

MARGIN MAINTENANCE

Section 4.01 Margin Deficit.

(a) (i) If on any date the Market Value of a Purchased Asset is less than the product of (A) the Margin Percentage times (B) the outstanding Repurchase Price for such Purchased Asset as of such date (the excess, if any, a “Margin Deficit”), and provided that (I) a Credit Event relating to such Purchased Asset has occurred, and (II) each Margin Deficit shall exclude any portion thereof that resulted from any interest rate changes and/or credit spread movements, then the related Seller shall, within five (5) Business Days after the receipt of written notice from Buyer (which notice may be by electronic mail) (a “Margin Call”) (i) transfer cash to Buyer, (ii) repurchase Purchased Assets at the Repurchase Price thereof, or (iii) choose any combination of the foregoing, so that, after giving effect to such transfers, repurchases and payments, the aggregate Purchase Price for all Purchased Assets does not exceed an aggregate amount equal to the products of the Market Value for each Purchased Asset, times the Applicable Percentage. Buyer shall apply the funds received in satisfaction of a Margin Deficit with respect to a Purchased Asset to the Repurchase Obligations owing with respect to such Purchased Asset.

(i) In lieu of a Margin Call pursuant to Section 4.01(a)(i), Buyer may, in its discretion upon written request of the related Seller, reallocate previous partial prepayments made pursuant to Section 3.07 in order to eliminate the related Margin Deficit by increasing the Purchase Price of certain Purchased Assets and decreasing the Purchase Price of other Purchased Assets. Any such request for reallocation shall include a certification by such Seller that no Default or Event of Default has occurred and is continuing (except as would be cured by such reallocation), and shall set forth the following, with such back-up calculations as Buyer may require: (i) the amount of prior partial prepayments and Purchased Assets so prepaid pursuant to Section 3.07 that such Seller requests be re-allocated, (ii) the Purchased Asset to which such Seller is requesting such prior partial prepayment be applied, the new Purchase Price of such Purchased Asset and the new Purchase Price of the previously prepaid Purchased Asset, in each case, after giving pro forma effect to such allocation, (iii) the amount of the Margin Deficit on each applicable Purchased Asset both immediately prior to and immediately after giving pro forma effect to such allocation and (iv) the PPV Test will be satisfied and the Applicable Percentage of such Purchased Asset will not exceed the Maximum Applicable Percentage, in each case after giving pro forma effect to such allocation. Upon Buyer’s independent confirmation, in its commercially reasonable judgment, that the conclusions and calculations set forth in the related Seller’s written request comply with the requirements set forth above, Buyer may, in its discretion, reallocate previous prepayments to those Purchased Assets for which Margin Deficits would otherwise exist,

in a manner acceptable to Buyer in its commercially reasonable judgment and such Seller shall submit new Confirmations acceptable to Buyer reflecting the new Purchase Price of all affected Purchased Assets. ~~Notwithstanding anything to the contrary herein, in no event shall Buyer make a reallocation in respect of any LIBOR-Based Transaction (i.e., in such a way that the Purchase Price of any such LIBOR-Based Transaction would be increased) at any time to cure in whole or in part a Margin Deficit relating to (x) any SOFR-Based Transaction or (y) any LIBOR-Based Transaction where such reallocation would result in an increase to the Purchase Price of any LIBOR-Based Transaction with a Repurchase Date that is later than the Repurchase Date of the LIBOR-Based Transaction in respect of which such Margin Deficit exists.~~

(b) Notwithstanding the foregoing, in the event the Margin Call arises solely as a result of Buyer's determination of an adverse change in the value of the related Mortgaged Property as described in item (iv) of the definition of the term Credit Event, and if the related Seller disputes in good faith such determination by Buyer, such Seller shall have the right by, within the five (5) Business Day period specified in Section 4.01(a)(i), giving Buyer written notice of such dispute and depositing with Buyer (in an account within Buyer's sole dominion and control) the full amount of the Margin Deficit and, the parties will proceed to attempt to resolve such dispute within the next forty-five (45) days in accordance with the appraisal procedure set forth in Schedule 3 hereto, provided that, for the avoidance of doubt, any such dispute period shall not limit any other rights or privileges of Buyer.

(c) Buyer's election not to deliver, or to forbear from delivering, a margin deficit notice at any time there is a Margin Deficit shall not waive or be deemed to waive the Margin Deficit or in any way limit, stop or impair Buyer's right to deliver a margin deficit notice at any time when the same or any other Margin Deficit exists. Buyer's rights relating to Margin Deficits under this Section 4.01 are cumulative and in addition to and not in lieu of any other rights of Buyer under the Repurchase Documents or Requirements of Law.

(d) All cash transferred to Buyer pursuant to this Section 4.01 with respect to a Purchased Asset shall be deposited into the General Repo Account and notwithstanding any provision in Section 5.02 to the contrary, shall be applied to reduce the Purchase Price of such Purchased Asset within one (1) Business Day after deposit and not, for the avoidance of doubt, on the next Remittance Date.

(e) If the applicable Seller believes in good faith that the Credit Event or underlying circumstances that resulted in the most recent determination of Current Mark-to-Market Value of a Purchased Asset is no longer applicable or that the Market Value resulting from such Credit Event has otherwise materially increased, it may request that Buyer consider reassessing the Market Value of the subject Purchased Asset, and Buyer agrees to do so. If, as a result of such reassessment, Buyer determines, in its discretion, that the Market Value for such Purchased Asset has increased, and has received all required internal credit approvals necessary to do so, the Current Mark-to-Market Value shall be revised accordingly, subject to further adjustment as otherwise provided in this Agreement. Such Seller's requests for Buyer to reassess the Market Value of Purchased Assets shall be limited to one (1) request per Purchased Asset per calendar quarter. Nothing in this Section 4.01(e) shall be interpreted to in any way reduce or mitigate Buyer's sole power and discretion to determine Market Value or Credit Event.

(f) If on any date within ninety (90) days following the Purchase Date of a particular Purchased Asset (and provided no Default or Event of Default has occurred and is then continuing and no Margin Deficit remains unpaid), either (i) the outstanding Purchase Price of such Purchased Asset has previously been reduced by one or more previous partial prepayments made by a Seller in accordance with Section 3.07, or (ii) on such Purchase Date, the Purchase Price of such Purchased Asset was, at such Seller's request, less than the maximum Purchase

Price approved by Buyer, as indicated on the related Confirmation, such Seller may deliver a written request to Buyer that Buyer pay to such Seller an amount equal to the amount of either (A) part or all of the partial prepayments described in clause (i) above, and/or (B) part or all of the difference described in clause (ii) above, and Buyer shall pay to such Seller the amount so requested within three (3) Business Days of the date of the related request, so long as, both immediately before and, on a pro forma basis, immediately after the date of each such payment, both the Minimum Portfolio Debt Yield Test and the PPV Test have not been breached. Prior to any such payment, such Seller shall prepare, and the Parties shall execute an amended and restated Confirmation that is otherwise acceptable to the Parties, reflecting such increased Purchase Price.

ARTICLE 5

APPLICATION OF INCOME

Section 5.01 Waterfall Account; Collection Accounts. The Waterfall Account and all Collection Accounts shall be established at Waterfall Account Bank. Buyer shall have sole dominion and control (including, without limitation, “control” within the meaning of Section 9-104(a)(2) of the UCC) over the Waterfall Account. None of any Seller, Interim Servicer or any Person claiming through or under any Seller or Interim Servicer shall have any claim to or interest in the Waterfall Account and all Collection Accounts; provided that the Sellers (or Interim Servicer, at the direction of a Seller) may withdraw funds from the Waterfall Account or any Collection Account with the prior written consent of Buyer in accordance with the terms of the related Controlled Account Agreement. Subject to the final sentence of this Section 5.01, all Underlying Obligors and servicers shall be directed to pay all Income directly into the Collection Account, and any Income received by a Seller, Interim Servicer, Buyer or Waterfall Account Bank in respect of the Purchased Assets shall be deposited directly into the Waterfall Account, within two (2) Business Days of receipt, except to the extent expressly set forth in Section 3.07, and except, prior to an Event of Default, for all amounts due and payable to Interim Servicer under the Interim Servicing Agreement, which shall be paid directly to Interim Servicer as and when due, shall be applied to and remitted by Waterfall Account Bank in accordance with this Article 5. Notwithstanding the foregoing, each Seller shall, promptly after receiving notice of an Underlying Obligor’s intent to make an unscheduled Principal Payment (A) instruct and cause the related Underlying Obligor to directly deposit such unscheduled Principal Payment into the General Repo Account (and in the event that such unscheduled Principal Payment is nonetheless received by the applicable Seller or Interim Servicer, shall forward such funds into the General Repo Account on the Business Day of receipt, unless such payment was received after 1 PM (Central time), in which case the recipient shall use its best efforts to make such transfer on the same Business Day and shall, in all cases, make such transfer on the next Business Day); and within one (1) Business Day of the receipt thereof, Buyer shall apply the each such Principal Payment in accordance with Sections 5.02 and 5.03 below, and (B) provide Buyer with prior notice of the intended receipt thereof from an Underlying Obligor, together with a copy of the related remittance instructions that were previously delivered to the related Underlying Obligor.

Section 5.02 Before an Event of Default. If no Event of Default exists and remains uncured, all Income described in Section 5.01 and deposited into the Waterfall Account during each Pricing Period shall be applied by Waterfall Account Bank, Buyer or a Person designated by Buyer pursuant to the related Controlled Account Agreement by no later than the next following Remittance Date in the following order of priority:

first, to the extent not withheld by Interim Servicer in accordance with Sections 5.01 and 8.06, to pay to Interim Servicer an amount equal to any accrued and unpaid Servicing

Fees (as defined in the Interim Servicing Agreement) in accordance with the terms of the Interim Servicing Agreement;

second, to pay to Buyer an amount equal to the Price Differential accrued with respect to all Purchased Assets as of such Remittance Date;

third, to pay to Buyer an amount equal to all default interest, late fees, fees, expenses and Indemnified Amounts then due and payable from any Seller and other applicable Persons to Buyer under the Repurchase Documents;

fourth, to pay to Buyer an amount sufficient to eliminate any outstanding Margin Deficit (without limiting any Seller's obligation to satisfy a Margin Deficit in a timely manner as required by Section 4.01);

fifth, to pay any custodial fees and expenses due and payable under the Custodial Agreement;

sixth, to pay to Buyer, the Applicable Percentage of any scheduled Principal Payments (to the extent actually deposited into the Waterfall Account), but only to the extent that such remittance would not result in the creation of a Margin Deficit, to be applied to reduce the outstanding Purchase Price of the applicable Purchased Assets or as otherwise agreed in writing by Buyer and the applicable Seller;

seventh, to pay to Buyer any other amounts then due and payable from any Seller and other applicable Persons to Buyer under the Repurchase Documents; and

eighth, to pay to the applicable Seller any remainder for its own account, subject, however, to the covenants and other requirements of the Repurchase Documents; provided that, if any Material Facility Default has occurred and is continuing on such Remittance Date, all amounts otherwise payable to such Seller hereunder shall be retained in the Waterfall Account until the earlier of (x) the day on which Buyer provides written notice to the Waterfall Account Bank that such Material Facility Default has been cured to satisfaction of Buyer in its sole discretion, at which time the Waterfall Account Bank shall apply all such amounts pursuant to this priority *eighth*; and (y) the day that is ten (10) Business Days after the occurrence of the applicable Material Facility Default, at which time the Waterfall Account Bank shall apply all such amounts pursuant to priorities *sixth* and *seventh* of Section 5.03.

Section 5.03 After an Event of Default. If an Event of Default exists and remains uncured, all Income deposited into the Waterfall Account in respect of the Purchased Assets shall be applied by Waterfall Account Bank, Buyer or a Person designated by Buyer pursuant to the related Controlled Account Agreement on the second Business Day following the date on which each amount of Income is so deposited, in the following order of priority:

first, to pay to Buyer an amount equal to the Price Differential accrued with respect to all Purchased Assets as of such date;

second, to pay to Buyer an amount equal to all default interest, late fees, fees, expenses and Indemnified Amounts then due and payable from any Seller and other applicable Persons to Buyer under the Repurchase Documents;

third, to pay any custodial fees and expenses due and payable under the Custodial Agreement;

fourth, to pay to Buyer an amount equal to the aggregate Repurchase Price of all Purchased Assets (to be applied in such order and in such amounts as determined by Buyer, until the aggregate Repurchase Price of all Purchased Assets has been reduced to zero);

fifth, to pay to Interim Servicer, amounts due and payable under the Servicing Agreement;

sixth, to pay to Buyer all other Repurchase Obligations due to Buyer; and

seventh, if all of the Repurchase Obligations have been fully repaid, to pay to the applicable Seller any remainder for its own account, subject, however, to the covenants and other requirements of the Repurchase Documents.

Section 5.04 Sellers to Remain Liable. If the amounts remitted to Buyer as provided in Sections 5.02 and 5.03 are insufficient to pay all amounts due and payable from each Seller to Buyer under this Agreement or any Repurchase Document on a Remittance Date, a Repurchase Date, upon the occurrence of an Event of Default or otherwise, each Seller shall nevertheless remain liable for and shall pay to Buyer when due all such amounts.

The execution, delivery and performance by each Seller of each Repurchase Document to which it is a party do not and will not (a) conflict with, result in a breach of, or constitute (with or without notice or lapse of time or both) a default under, any (i) Governing Document, Indebtedness, Guarantee Obligation or Contractual Obligation applicable to such Seller or any of its properties or assets, (ii) Requirements of Law, or (iii) approval, consent, judgment, decree, order or demand of any Governmental Authority (except where such conflict, breach or default could not reasonably be expected to have a Material Adverse Effect), or (b) result in the creation of any Lien (other than, except with respect to any Purchased Asset, any Liens granted pursuant to the Repurchase Documents) on any of the properties or assets of such Seller. If an Event of Default exists, at the option of Buyer, exercised by notice to either Seller (which option shall be deemed to be exercised, even if no notice is given, automatically and immediately upon the occurrence of an Event of Default under Section 10.01(f)), the Repurchase Date for all Purchased Assets shall be deemed automatically and immediately to occur (the date on which such option is exercised or deemed to be exercised, the “Accelerated Repurchase Date”). If Buyer exercises or is deemed to have exercised the foregoing option:

(a) All Repurchase Obligations shall become immediately due and payable on and as of the Accelerated Repurchase Date.

(b) All amounts in the Waterfall Account and all Income paid after the Accelerated Repurchase Date shall be retained by Buyer and applied in accordance with Article 5.

(c) Buyer may complete any assignments, allonges, endorsements, powers or other documents or instruments executed in blank and otherwise obtain physical possession of all Purchased Asset Documents and all other instruments, certificates and documents then held by or on behalf of Custodian under the Custodial Agreement. Buyer may obtain physical possession of all Servicing Files, Servicing Agreements and other files and records of Sellers or Interim Servicer. Sellers shall deliver to Buyer such assignments and other documents with respect thereto as Buyer shall request.

(d) Buyer may immediately, at any time, and from time to time, exercise either of the following remedies with respect to any or all of the Purchased Assets: (i) sell such Purchased Assets on a servicing-released basis and/or without providing any representations and warranties on an “as-is where is” basis, in a recognized market and by means of a public or private sale at such price or prices as Buyer accepts, and apply the net proceeds thereof in accordance with Article 5, or (ii) retain such Purchased Assets and give Sellers credit against the Repurchase Price for such Purchased Assets (or if the amount of such credit exceeds the Repurchase Price for such Purchased Assets, to credit against Repurchase Obligations due and any other amounts (without duplication) then owing to Buyer by any other Person pursuant to any Repurchase Document, in such order and in such amounts as determined by Buyer), in an amount equal to the Current Mark-to-Market Value of such Purchased Assets. Until such time as Buyer exercises either such remedy with respect to a Purchased Asset, Buyer may hold such Purchased Asset for its own account and retain all Income with respect thereto.

(e) The Parties agree that the Purchased Assets are of such a nature that they may decline rapidly in value, and may not have a ready or liquid market. Accordingly, Buyer shall not be required to sell more than one (1) Purchased Asset on a particular Business Day, to the same purchaser or in the same manner. Buyer may determine whether, when and in what manner a Purchased Asset shall be sold, it being agreed that both a good faith public and a good faith private sale shall be deemed to be commercially reasonable. Buyer shall give to Seller no less than ten (10) Business Days notice in advance of such a sale. Buyer shall not be required to give notice to Seller or any other Person prior to exercising any remedy in respect of an Event of Default. If no prior notice is given, Buyer shall give notice to Sellers of the remedies exercised by Buyer promptly thereafter.

(f) Sellers shall be liable to Buyer for (i) any amount by which the Repurchase Obligations due to Buyer exceed the aggregate of the net proceeds and credits referred to in the preceding clause (d), (ii) the amount of all actual out-of-pocket expenses, including reasonable legal fees and expenses, actually incurred by Buyer in connection with or as a consequence of an Event of Default, (iii) any costs and losses payable under Section 12.04, and (iv) any other actual loss, damage, cost or expense resulting from the occurrence of an Event of Default, but specifically excluding any punitive damages.

(g) Buyer shall be entitled to an injunction, an order of specific performance or other equitable relief to compel each Seller to fulfill any of its obligations as set forth in the Repurchase Documents, including this Article 10, if either Seller fails or refuses to perform its obligations as set forth herein or therein.

(h) Each Seller hereby appoints Buyer as attorney-in-fact of such Seller, effective only during the continuance of an Event of Default, for purposes of carrying out the Repurchase Documents, including executing, endorsing and recording any instruments or documents and taking any other actions that Buyer deems necessary or advisable to accomplish such purposes, which appointment is coupled with an interest and is irrevocable.

(i) Subject to any notice and grace periods expressly set forth herein, Buyer may, without prior notice to either Seller, exercise any or all of its set-off rights including those set forth in Section 18.17. This Section 10.02(i) shall be without prejudice and in addition to any right of set-off, combination of accounts, Lien or other rights to which any Party is at any time otherwise entitled.

(j) All rights and remedies of Buyer under the Repurchase Documents, including those set forth in Section 18.17, are cumulative and not exclusive of any other rights or remedies that Buyer may have and may be exercised at any time when an Event of Default exists. Such rights and remedies may be enforced without prior judicial process or hearing.

Each Seller agrees that nonjudicial remedies are consistent with the usages of the trade, are responsive to commercial necessity and are the result of a bargain at arm's-length. Each Seller hereby expressly waives any defenses such Seller might have to require Buyer to enforce its rights by judicial process or otherwise arising from the use of nonjudicial process, disposition of any or all of the Purchased Assets, or any other election of remedies.

ARTICLE 11

SECURITY INTEREST

Section 11.01 Grant. Buyer and each Seller intend that all Transactions shall be sales to Buyer of the Purchased Assets and not loans from Buyer to Sellers secured by the Purchased Assets. However, to preserve and protect Buyer's rights with respect to the Purchased Assets and under the Repurchase Documents if any Governmental Authority recharacterizes any Transaction with respect to a Purchased Asset as other than a sale, and as security for each Seller's performance of the Repurchase Obligations, each Seller hereby grants to Buyer a present Lien on and security interest in all of the right, title and interest of each Seller in, to and under (i) the Purchased Assets (which for this purpose shall be deemed to include the items described in the proviso in the definition thereof), (ii) each Interest Rate Protection Agreement with each Hedge Counterparty relating to each Purchased Asset, (iii) all of the "Pledged Collateral", as such term is defined in the Pledge and Security Agreement, (iv) the Waterfall Account, all amounts at any time on deposit therein and all Proceeds (as defined in the UCC) thereof and (v) each Mezzanine Loan assigned to Buyer pursuant to Section 3.01(j), and the transfers of the Purchased Assets to Buyer shall be deemed to constitute and confirm such grant, to secure the payment and performance of the Repurchase Obligations (including the obligation of each Seller to pay the Repurchase Price, or if the Transactions are recharacterized as loans, to repay such loans for the Repurchase Price).

Section 11.02 Effect of Grant. If any circumstance described in Section 11.01 occurs, (a) this Agreement shall also be deemed to be a security agreement as defined in the UCC, (b) Buyer shall have all of the rights and remedies provided to a secured party by Requirements of Law (including the rights and remedies of a secured party under the UCC and the right to set off any mutual debt and claim) and under any other agreement between Buyer and either Seller or between any Affiliated Hedge Counterparty and either Seller, (c) without limiting the generality of the foregoing, Buyer shall be entitled to set off the proceeds of the liquidation of the Purchased Assets against all of the Repurchase Obligations, without prejudice to Buyer's right to recover any deficiency, (d) the possession by Buyer or any of its agents, including Custodian, of the Purchased Asset Documents, the Purchased Assets and such other items of property as constitute instruments, money, negotiable documents, securities or chattel paper shall be deemed to be possession by the secured party for purposes of perfecting such security interest under the UCC and Requirements of Law, and (e) notifications to Persons (other than Buyer) holding such property, and acknowledgments, receipts or confirmations from Persons (other than Buyer) holding such property, shall be deemed notifications to, or acknowledgments, receipts or confirmations from, securities intermediaries, bailees or agents (as applicable) of the secured party for the purpose of perfecting such security interest under the UCC and Requirements of Law. The security interest of Buyer granted herein shall be, and each Seller hereby represents and warrants to Buyer and all other Affiliated Hedge Counterparties that it is, a first priority perfected security interest. For the avoidance of doubt, (i) each Purchased Asset and each Interest Rate Protection Agreement relating to a Purchased Asset secures the Repurchase Obligations of each Seller with respect to all other Transactions and all other Purchased Assets, including any Purchased Assets that are junior in priority to the Purchased Asset in question, and (ii) if an Event of Default exists, no Purchased Asset or Interest Rate Protection Agreement relating to a Purchased Asset will be released from Buyer's Lien or transferred to any Seller until the Repurchase Obligations (other than contingent indemnification obligations) are indefeasibly

paid in full. Notwithstanding the foregoing, the Repurchase Obligations shall be full recourse to each Seller.

Section 11.03 Sellers to Remain Liable. Buyer and each Seller agree that the grant of a security interest under this Article 11 shall not constitute or result in the creation or assumption by Buyer of any Retained Interest or other obligation of either Seller or any other Person in connection with any Purchased Asset, or any Interest Rate Protection Agreement whether or not Buyer exercises any right with respect thereto. Other than with respect to any Purchased Asset as to which Buyer has (i) actually assumed servicing, (ii) has terminated the related Seller's rights as Servicer and no replacement Servicer has been appointed and commenced servicing pursuant to a Servicing Agreement, or (iii) otherwise taken and/or sold or liquidated in conjunction with the exercise of remedies pursuant to Section 10.02(d), each Seller shall remain liable under the Purchased Assets, each Interest Rate Protection Agreement and Purchased Asset Documents to perform all of each of the Seller's duties and obligations thereunder to the same extent as if the Repurchase Documents had not been executed.

Section 11.04 Waiver of Certain Laws. Each Seller agrees, to the extent permitted by Requirements of Law, that neither it nor anyone claiming through or under it will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption law now or hereafter in force in any locality where any Purchased Assets may be situated in order to prevent, hinder or delay the enforcement or foreclosure of this Agreement, or the absolute sale of any of the Purchased Assets or Interest Rate Protection Agreement relating to a Purchased Asset or any part thereof, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and each Seller, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may be lawful so to do, the benefit of all such laws and any and all right to have any of the properties or assets constituting the Purchased Assets or Interest Rate Protection Agreement relating to a Purchased Asset marshaled upon any such sale, and agrees that Buyer or any court having jurisdiction to foreclose the security interests granted in this Agreement may sell the Purchased Assets and each Interest Rate Protection Agreement relating to a Purchased Asset as an entirety or in such parcels as Buyer or such court may determine.

In exercising ~~the~~^{its} rights and remedies under this Section 12.03, Buyer shall treat Sellers in a manner that is substantially similar to the manner it treats other similarly situated sellers in facilities with substantially similar assets.

Section 12.04 Breakfunding. ~~Upon demand of Buyer, Sellers shall indemnify Buyer and hold Buyer harmless from any actual loss, cost or expense (including reasonable legal fees and expenses, but excluding any anticipated profit) which Buyer may sustain or incur arising from~~In the event of (a) the failure by ~~Sellers~~^{Seller} to terminate any Transaction after ~~Sellers have~~^{Seller has} given a notice of termination pursuant to Section 3.053.04, (b) any payment to Buyer on account of the outstanding Repurchase Price, including a payment made pursuant to Section 3.053.04 but excluding a payment made pursuant to Section 5.02, on any day other than a Remittance Date ~~(based on the assumption that Buyer funded its commitment with respect to the Transaction in the London Interbank Eurodollar market and using any reasonable attribution or averaging methods that Buyer deems appropriate and practical)~~, (c) any failure by Sellers to sell Eligible Assets to Buyer after Sellers have notified Buyer of a proposed Transaction and Buyer has agreed to purchase such Eligible Assets in accordance with this Agreement, or (d) any redetermination of the Pricing Rate based on a Benchmark Replacement ~~or Rate Conversion~~ for any reason on a day that is not the last day of the then- current Pricing Period⁻, Sellers shall compensate Buyer for the cost and expense attributable to such event. A certificate of Buyer setting forth any amount or amounts that Buyer is entitled to receive pursuant to this Section 12.04 shall be delivered to Sellers and shall be conclusive to the extent calculated in good faith and absent manifest error. Sellers shall pay Buyer the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 12.05 Increased Costs. If the adoption of, or any change in, any Requirements of Law or in the interpretation or application thereof by any Governmental Authority, or compliance by Buyer with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority having jurisdiction over Buyer made after the date of this Agreement, shall: (a) subject Buyer to any Taxes (other than (i) Indemnified Taxes, (ii) Taxes described in clauses (b) through (d) of the definition of "Excluded Taxes" or (iii) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, (b) impose, modify or hold applicable any reserve (including pursuant to regulations issued from time to time by the Board of Governors of the Federal Reserve System of the United States for determining the maximum reserve requirement (including any emergency, special,

supplemental or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as “Eurocurrency liabilities” in Regulation D of the Board of Governors of the Federal Reserve System of the United States, as amended and in effect from time to time)), special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of Buyer, or (c) impose on Buyer any other condition (other than Taxes) ~~any other condition~~; and the result of any of the preceding clauses (a), (b) and (c) is to increase the cost to Buyer, by an amount that Buyer deems to be material, of entering into, continuing or maintaining Transactions, or to reduce any amount receivable under the Repurchase Documents in respect thereof, then, in any such case, upon not less than thirty (30) days’ prior written notice to Sellers, Sellers shall pay to Buyer such additional amount or amounts as reasonably necessary to fully compensate Buyer for such increased cost or reduced amount receivable; provided, however, that Buyer shall not treat Sellers differently than other similarly situated customers in requiring the payment of such amount or amounts.

Section 12.06 Capital Adequacy. If Buyer determines that any change in a Requirement of Law or internal policy regarding capital requirements has or would have the effect of reducing the rate of return on Buyer’s capital as a consequence of this Agreement or its obligations under the Transactions hereunder to a level below that which Buyer could have achieved but for such change in a Requirement of Law or internal policy (taking into consideration Buyer’s policies with respect to capital adequacy), then, in any such case, upon not less than thirty (30) days prior written notice to Sellers, Sellers will promptly upon demand pay to Buyer such additional amount or amounts as will compensate Buyer for any such reduction suffered; provided, however, that Buyer shall not treat Sellers differently than other similarly situated customers in requiring the payment of such amount or amounts.

Section 12.07 Taxes.

(a) Any and all payments by or on account of any obligation of Sellers under any Repurchase Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment, then Sellers shall make (or cause to be made) such deduction or withholding and shall timely pay (or cause to be timely paid) the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Sellers shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 12.07) Buyer receives an amount equal to the sum it would have received had no such deduction or withholding been made in respect of such Indemnified Taxes.

(b) In addition, each Seller shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Seller shall indemnify Buyer, within ten (10) Business Days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 12.07) payable or paid by Buyer or required to be withheld or deducted from a payment to Buyer, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Sellers by Buyer shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by Sellers to a Governmental Authority pursuant to this Section 12.07, Sellers shall deliver to Buyer the original

or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Buyer.

(e) (i) If Buyer is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Repurchase Document, Buyer shall deliver to Sellers, at the time or times reasonably requested by Seller, such properly completed and executed documentation reasonably requested by Sellers as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, Buyer, if reasonably requested by Sellers, shall deliver such other documentation prescribed by applicable law or reasonably requested by Seller as will enable Seller to determine whether or not Buyer is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 12.07(e)(ii)(A), Section 12.07(e)(ii)(B) and Section 12.07(e)(ii)(D) below) shall not be required if in Buyer's reasonable judgment such completion, execution or submission would subject Buyer to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of Buyer.

(i) Without limiting the generality of the foregoing:

(A) if Buyer is a U.S. Person, it shall deliver to Sellers on or prior to the date on which Buyer becomes a Party under this Agreement (and from time to time thereafter upon the reasonable request of Sellers), executed copies of IRS Form W-9 certifying that Buyer is exempt from U.S. federal backup withholding tax;

(B) if Buyer is a Foreign Buyer, it shall, to the extent it is legally entitled to do so, deliver to Sellers (in such number of copies as shall be requested by Sellers) on or prior to the date on which Buyer becomes a Party under this Agreement (and from time to time thereafter upon the reasonable request of Sellers), whichever of the following is applicable:

(I) in the case of a Foreign Buyer claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Repurchase Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Repurchase Document, IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed copies of IRS Form W-8ECI;

(III) in the case of a Foreign Buyer claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Buyer is not a "bank" within the meaning of section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Seller within the meaning of section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable); or

(IV) to the extent a Foreign Buyer is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate or IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Buyer is a partnership and one or more direct or indirect partners of such Foreign Buyer are claiming the portfolio interest exemption, such Foreign Buyer may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner;

(C) if Buyer is a Foreign Buyer, it shall, to the extent it is legally entitled to do so, deliver to Sellers (in such number of copies as shall be requested by Sellers) on or prior to the date on which Buyer becomes a Party under this Agreement (and from time to time thereafter upon the reasonable request of Sellers), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Sellers to determine the withholding or deduction required to be made; and

(D) if a payment made to Buyer under any Repurchase Document would be subject to U.S. federal withholding Tax imposed by FATCA if Buyer were to fail to comply with the applicable reporting requirements of FATCA (including those contained in section 1471(b) or 1472(b) of the Code, as applicable), Buyer shall deliver to Sellers at the time or times prescribed by law and at such time or times reasonably requested by Sellers such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Sellers as may be necessary for Sellers to comply with their obligations under FATCA and to determine that Buyer has complied with Buyer's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include all amendments made to FATCA after the date of this Agreement.

Buyer agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Sellers in writing of its legal inability to do so.

(f) If any Party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 12.07 (including by the payment of additional amounts pursuant to this Section 12.07), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 12.07 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 12.07(f) (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 12.07(f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 12.07(f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to

indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 12.07(f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) For the avoidance of doubt, for purposes of this Section 12.07, the term “applicable law” includes FATCA.

Section 12.08 Payment and Survival of Obligations. Buyer may at any time send Sellers a notice showing the calculation of any amounts payable pursuant to this Article 12, and each Seller shall pay such amounts to Buyer within ten (10) Business Days after such Seller receives such notice. Each Party’s obligations under this Article 12 shall survive any assignment of rights by, or the replacement of the Buyer, the termination of the Transactions and the repayment, satisfaction or discharge of all obligations under any Repurchase Document.

Section 12.09 Early Repurchase Option. If any of the events described in Sections 12.05 or 12.06 result in Buyer’s request for additional amounts, then Sellers shall have the option to notify Buyer in writing at any time of their intent to terminate all of the Transactions and repurchase all of the Purchased Assets no later than ten (10) Business Days after such notice is given to Buyer, and such repurchase by Sellers shall be conducted pursuant to and in accordance with Section 3.04. The election by Sellers to terminate the Transactions in accordance with this Section 12.09 shall not relieve Sellers for liability with respect to any additional amounts actually incurred by Buyer prior to the actual repurchase of the Purchased Assets, except that, notwithstanding anything to the contrary contained herein or in any other Repurchase Document, there shall be no Exit Fee, prepayment fee, premium or other similar payment due in connection therewith.

ARTICLE 13

INDEMNITY AND EXPENSES

Section 13.01 Indemnity.

(a) Each Seller shall release, defend, indemnify and hold harmless Buyer, Affiliates of Buyer and its and their respective officers, directors, shareholders, partners, members, owners, employees, agents, attorneys, Affiliates and advisors (each an “Indemnified Person” and collectively the “Indemnified Persons”), on a net after-tax basis, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, fees, reasonable costs, expenses (including reasonable legal fees, charges, and disbursements of any counsel for any such Indemnified Person and expenses), penalties or fines of any kind that may be imposed on, incurred by or asserted against any such Indemnified Person (collectively, the “Indemnified Amounts”) in any way relating to, arising out of or resulting from or in connection with (i) the Repurchase Documents, the Purchased Asset Documents, the Purchased Assets, the Pledged Collateral, the Transactions, any Mortgaged Property or related property, or any action taken or omitted to be taken by any Indemnified Person in connection with or under any of the foregoing, or any transaction contemplated hereby or thereby, or any amendment, supplement or modification of, or any waiver or consent under or in respect of any Repurchase Document, any Transaction, any Purchased Asset, any Purchased Asset Document, or any Pledged Collateral, (ii) any claims, actions or damages by an Underlying Obligor or lessee with respect to a Purchased Asset, (iii) any violation or alleged violation of, non-compliance with or liability under any Requirements of Law, (iv) ownership of, Liens on, security interests in or the exercise of rights or remedies under any of the items referred to in the preceding clause (i), (v) any accident, injury to or death of any person or loss of or damage to property occurring in, on or

about any Mortgaged Property or on the adjoining sidewalks, curbs, parking areas, streets or ways, (vi) any use, nonuse or condition in, on or about, or possession, alteration, repair, operation, maintenance or management of, any Mortgaged Property or on the adjoining sidewalks, curbs, parking areas, streets or ways, (vii) any failure by Seller to perform or comply with any Repurchase Document, Purchased Asset Document or Purchased Asset, (viii) performance of any labor or services or the furnishing of any materials or other property in respect of any Mortgaged Property or Purchased Asset, (ix) any claim by brokers, finders or similar Persons claiming to be entitled to a commission in connection with any lease or other transaction involving any Repurchase Document, Purchased Asset or Mortgaged Property, (x) the execution, delivery, filing or recording of any Repurchase Document, Purchased Asset Document or any memorandum of any of the foregoing, (xi) any Lien or claim arising on or against any Purchased Asset or related Mortgaged Property under any Requirements of Law or any liability asserted against Buyer or any Indemnified Person with respect thereto, (xii) (1) a past, present or future violation or alleged violation of any Environmental Laws in connection with any Mortgaged Property by any Person or other source, whether related or unrelated to Seller or any Underlying Obligor, (2) any presence of any Materials of Environmental Concern in, on, within, above, under, near, affecting or emanating from any Mortgaged Property in violation of Environmental Law, (3) the failure to timely perform any Remedial Work required under the Purchased Asset Documents or pursuant to Environmental Law, (4) any past, present or future activity by any Person or other source, whether related or unrelated to any Seller or any Underlying Obligor in connection with any actual, proposed or threatened use, treatment, storage, holding, existence, disposition or other release, generation, production, manufacturing, processing, refining, control, management, abatement, removal, handling, transfer or transportation to or from any Mortgaged Property of any Materials of Environmental Concern at any time located in, under, on, above or affecting any Mortgaged Property, in each case, in violation of Environmental Law, (5) any past, present or future actual Release (whether intentional or unintentional, direct or indirect, foreseeable or unforeseeable) to, from, on, within, in, under, near or affecting any Mortgaged Property by any Person or other source, whether related or unrelated to any Seller or any Underlying Obligor, in each case, in violation of Environmental Law, (6) the imposition, recording or filing or the threatened imposition, recording or filing of any Lien on any Mortgaged Property with regard to, or as a result of, any Materials of Environmental Concern or pursuant to any Environmental Law, or (7) any misrepresentation or failure to perform any obligations pursuant to any Repurchase Document or Purchased Asset Document relating to environmental matters in any way, or (xiii) any Seller's conduct, activities, actions and/or inactions in connection with, relating to or arising out of any of the foregoing clauses of this Section 13.01, that, in each case, results from anything whatsoever other than any Indemnified Person's gross negligence or willful misconduct, as determined by a court of competent jurisdiction pursuant to a final, non-appealable judgment. Notwithstanding the foregoing, Sellers shall have no liability to any Indemnified Person under clauses (v), (vi), (viii) or (xii) of this Section 13.01 for any claims arising as a result of activities or events which occur at any time more than six (6) months after Buyer (or one of its Affiliates) takes title to the related Mortgaged Property. In any suit, proceeding or action brought by an Indemnified Person in connection with any Purchased Asset for any sum owing thereunder, or to enforce any provisions of any Purchased Asset, each Seller shall defend, indemnify and hold such Indemnified Person harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim, recoupment or reduction of liability whatsoever of the account debtor or Underlying Obligor arising out of a breach by any Seller of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such account debtor or Underlying Obligor from any Seller. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 13.01 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Seller, an Indemnified Person or any other Person or any Indemnified Person is otherwise a party thereto and whether or not any Transaction is entered into. This Section

13.01(a) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(b) If for any reason the indemnification provided in this Section 13.01 is unavailable to the Indemnified Person or is insufficient to hold an Indemnified Person harmless, even though such Indemnified Person is entitled to indemnification under the express terms thereof, then the applicable Seller shall contribute to the amount paid or payable by such Indemnified Person as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative benefits received by such Indemnified Person on the one hand and such Seller on the other hand, the relative fault of such Indemnified Person, and any other relevant equitable considerations.

(c) An Indemnified Person may at any time send Sellers a notice showing the calculation of Indemnified Amounts, and Sellers shall pay such Indemnified Amounts to such Indemnified Person within ten (10) Business Days after Sellers receive such notice. The obligations of Sellers under this Section 13.01 shall apply (without duplication) to Eligible Assignees and Participants and survive the termination of this Agreement.

Section 13.02 Expenses. Each Seller shall promptly on demand pay to or as directed by Buyer all reasonable third-party out-of-pocket costs and expenses (including legal, accounting and advisory fees and expenses) incurred by Buyer in connection with (a) the development, evaluation, preparation, negotiation, execution, consummation, delivery and administration of, and any amendment, supplement or modification to, or extension, renewal or waiver of, the Repurchase Documents and the Transactions, (b) any Asset or Purchased Asset, including due diligence, inspection, testing, review, recording, registration, travel custody, care, insurance or preservation, (c) the enforcement of the Repurchase Documents or the payment or performance by any Seller of any Repurchase Obligations, (d) any actual or attempted sale, exchange, enforcement, collection, compromise or settlement relating to the Purchased Assets, and (e) the internally allocated costs of Buyer of any Appraisal ordered in connection with an Asset proposed for purchase under Section 3.01 but subsequently rejected by Buyer for any reason.

ARTICLE 14

INTENT

Section 14.01 Safe Harbor Treatment. The Parties intend (a) for each Transaction to qualify for the safe harbor treatment provided by the Bankruptcy Code and for Buyer to be entitled to all of the rights, benefits and protections afforded to Persons under the Bankruptcy Code with respect to a “repurchase agreement” as defined in Section 101(47) of the Bankruptcy Code (to the extent that a Transaction has a maturity date of less than one (1) year) and a “securities contract” as defined in Section 741(7) of the Bankruptcy Code and that payments and transfers under this Agreement are deemed “margin payments” and “settlement payments” as defined in Section 101 of the Bankruptcy Code and constitute transfers made by, to or for the benefit of a financial institution, financial participant or repo participant within the meaning of Section 546(e) or 546(f) of the Bankruptcy Code, (b) for the grant of a security interest set forth in Article 11 to also be a “securities contract” as defined in Section 741(7)(A)(xi) of the Bankruptcy Code and a “repurchase agreement” as that term is defined in Section 101(47)(A)(v) of the Bankruptcy Code; (c) for each of the Guarantee Agreement and the Pledge and Security Agreement to constitute a security agreement or arrangement or other credit enhancement within the meaning of Section 101 of the Code related to a “securities contract” as defined in Section 741(7)(A)(xi) of the Bankruptcy Code and, to the extent that the Guarantee Agreement and the Pledge and Security Agreement relate to a Transaction that has a maturity date of less than one (1) year, a “repurchase agreement” as that term is defined in Section

101(47)(A)(v) of the Bankruptcy Code; and (d) that Buyer (for so long as Buyer is a “financial institution,” “financial participant,” “repo participant,” “master netting participant” or other entity listed in Section 555, 559, 561, 362(b)(6), 362(b)(7) or 362(b)(27) of the Bankruptcy Code) shall be entitled to the “safe harbor” benefits and protections afforded under the Bankruptcy Code with respect to a “repurchase agreement,” “securities contract” and a “master netting agreement,” including (x) the rights, set forth in Article 10 and in Sections 555, 559 and 561 of the Bankruptcy Code, to liquidate the Purchased Assets and terminate this Agreement, and (y) the right to offset or net out as set forth in Article 10 and Section 18.17 and in Sections 362(b)(6), 362(b)(7), 362(b)(27), 362(o) and 546 of the Bankruptcy Code.

Section 14.02 Liquidation. The Parties intend that Buyer’s right to liquidate Purchased Assets delivered to it in connection with Transactions hereunder or to exercise any setoff and netting rights under Section 18.17 or any other remedies pursuant to Articles 10 and 11 and as otherwise provided in the Repurchase Documents is a contractual right to liquidate such Transactions as described in Sections 555, 559 and 561 of the Bankruptcy Code.

Section 14.03 Qualified Financial Contract. The Parties intend that if a Party is an “insured depository institution,” as such term is defined in the Federal Deposit Insurance Act, as amended (“FDIA”), then each Transaction hereunder is a “qualified financial contract,” as that term is defined in FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

Section 14.04 Netting Contract. The Parties acknowledge and agree that this Agreement constitutes a “netting contract” as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 (“FDICIA”) and each payment entitlement and payment obligation under any Transaction shall constitute a “covered contractual payment entitlement” or “covered contractual payment obligation,” respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a “financial institution” as that term is defined in FDICIA).

Section 14.05 Master Netting Agreement. The Parties intend that this Agreement, the Guarantee Agreement and the Pledge and Security Agreement constitutes a “master netting agreement” as defined in Section 101(38A) of the Bankruptcy Code.

ARTICLE 15

DISCLOSURE RELATING TO CERTAIN FEDERAL PROTECTIONS

The Parties acknowledge that they have been advised and understand that:

(a) if one of the Parties is a broker or dealer registered with the Securities and Exchange Commission under Section 14 of the Exchange Act, the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 do not protect the other Party with respect to any Transaction;

(b) if one of the Parties is a government securities broker or a government securities dealer registered with the Securities and Exchange Commission under Section 14C of the Exchange Act, the Securities Investor Protection Act of 1970 will not provide protection to the other Party with respect to any Transaction;

(c) if one of the Parties is a financial institution, funds held by or on behalf of the financial institution pursuant to any Transaction are not a deposit and therefore are not

insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund, as applicable; and

(d) if one of the Parties is an “insured depository institution” as that term is defined in Section 1813(c)(2) of Title 12 of the United States Code, funds held by or on behalf of the financial institution pursuant to any Transaction are not a deposit and therefore are not insured by the Federal Deposit Insurance Corporation, the Savings Association Insurance Fund or the Bank Insurance Fund, as applicable.

ARTICLE 16

NO RELIANCE

Each Party acknowledges, represents and warrants to the other Party that, in connection with the negotiation of, entering into, and performance under, the Repurchase Documents and each Transaction:

(a) It is not relying (for purposes of making any investment decision or otherwise) on any advice, counsel or representations (whether written or oral) of the other Party, other than the representations expressly set forth in the Repurchase Documents;

(b) It has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent that it has deemed necessary, and it has made its own investment, hedging and trading decisions (including decisions regarding the suitability of any Transaction) based on its own judgment and on any advice from such advisors as it has deemed necessary and not on any view expressed by the other Party;

(c) It is a sophisticated and informed Person that has a full understanding of all the terms, conditions and risks (economic and otherwise) of the Repurchase Documents and each Transaction and is capable of assuming and willing to assume (financially and otherwise) those risks;

(d) It is entering into the Repurchase Documents and each Transaction for the purposes of managing its borrowings or investments or hedging its underlying assets or liabilities and not for purposes of speculation;

(e) It is not acting as a fiduciary or financial, investment or commodity trading advisor for the other Party and has not given the other Party (directly or indirectly through any other Person) any assurance, guaranty or representation whatsoever as to the merits (either legal, regulatory, tax, business, investment, financial accounting or otherwise) of the Repurchase Documents or any Transaction; and

(f) No partnership or joint venture exists or will exist as a result of the Transactions or entering into and performing the Repurchase Documents.

ARTICLE 17

SERVICING

This Article 17 shall apply to all Purchased Assets.

Section 17.01 Servicing Rights. Buyer is the owner of all Servicing Rights. Without limiting the generality of the foregoing, Buyer shall have the right to hire or otherwise

engage any Person to service or sub-service all or part of the Purchased Assets, provided, however, that if any other Person other than Buyer is to act as Interim Servicer at any time prior to a Default or Event of Default, Sellers may select a successor servicer to Buyer, so long as such successor servicer is reasonably acceptable to Buyer, and such Person shall have only such servicing obligations with respect to such Purchased Assets as are designated by Buyer. Notwithstanding the preceding sentence, Buyer agrees with Sellers as follows with respect to the servicing of the Purchased Assets:

(a) Interim Servicer shall service the Purchased Assets on behalf of Buyer in accordance with Accepted Servicing Practices. So long as Interim Servicer is an Affiliate of Sellers, Interim Servicer shall service using its customary servicing platform and procedures, subject to the terms of the Servicing Agreement and the related cash management agreement, each of which shall be mutually acceptable to Buyer, Sellers and Interim Servicer.

(b) Prior to or contemporaneously with the execution of the Repurchase Agreement on the Closing Date, Buyer will enter into, and cause Interim Servicer to enter into, the Servicing Agreement and Sellers will enter into, the Servicing Agreement. The Servicing Agreement shall automatically terminate on the last day of the first full calendar month following the Closing Date, unless terminated sooner pursuant to Section 17.04. To the extent Buyer desires to renew the appointment of Interim Servicer, in connection with its delivery of a statement of Price Differential due on the following Remittance Date, Buyer shall deliver notice to Sellers and Interim Servicer of its intent to renew the appointment of Interim Servicer for an additional thirty-day period, provided, if Buyer fails to deliver such notice, Sellers shall have the right to request that Buyer deliver such notice on or before the Remittance Date. In the event Buyer fails to renew Interim Servicer's appointment as Interim Servicer, Buyer shall appoint a successor servicer (which successor servicer shall be Wells Fargo Bank, N.A. or such other successor to whom, so long as no default or Event of Default has occurred and is continuing, Sellers have provided their consent, such consent not to be unreasonably withheld, conditioned or delayed). Any such successor servicer shall be entitled to fees and other servicing compensation as agreed by such successor servicer, Buyer and, so long as no default or Event of Default has occurred and is continuing, Sellers. During such time as the appointment of Interim Servicer has expired and prior to the appointment of any successor servicer, Interim Servicer shall continue to service the Purchased Assets in accordance with the terms of the Servicing Agreement and shall cooperate with the transition of servicing to the successor servicer.

(c) Each Seller shall provide all information regarding Interim Servicer requested by Buyer and otherwise cooperate in connection with Buyer's due diligence regarding Interim Servicer, which due diligence with respect to information provided prior to the Closing Date shall be completed by Buyer on or before the Closing Date. Seller shall cause Interim Servicer to comply with all of Interim Servicer's obligations under the Servicing Agreement. Neither Seller nor Interim Servicer may assign its rights or obligations under the Servicing Agreement without the prior written consent of Buyer.

(d) The Servicing Agreement shall grant Sellers the right, so long as no Default or Event of Default has occurred and is continuing, to direct Interim Servicer with respect to modifications, waivers, consents and other actions related to the Purchased Assets; provided, however, that Sellers shall not and shall not direct Interim Servicer to (i) make any Material Modification without the prior written consent of Buyer (such consent to be given or withheld in Buyer's commercially reasonable discretion), or (ii) take any action which would result in a violation of the obligations of any Person under the Servicing Agreement, the Repurchase Agreement or any other Repurchase Document, or which would otherwise be inconsistent with the rights of Buyer under the Repurchase Documents. Buyer, as owner of the Purchased Assets, shall own all related servicing and voting rights and, as owner, shall act as Interim Servicer with respect to the Purchased Assets, subject to an interim revocable option

from Buyer in favor of Sellers to direct Interim Servicer, so long as no Default or Event of Default has occurred and is continuing; provided, however, that Sellers cannot give any direction or take any action that could materially adversely affect the value or collectability of any amounts due with respect to the Purchased Assets without the consent of Buyer, such consent to be given or withheld by Buyers. Such revocable option is not evidence of any ownership or other interest or right of any Seller in any Purchased Asset.

(e) The servicing fee payable to Interim Servicer shall be payable as a servicing fee in accordance with the Repurchase Agreement and the Servicing Agreement, including without limitation pursuant to priority first of Section 5.02 of the Repurchase Agreement or priority first of Section 5.03 of the Repurchase Agreement, as applicable. Each Seller shall be solely responsible for the payment, from such Seller's own funds, of all fees and expenses of the Interim Servicer, which shall not be payable as a servicing fee by Interim Servicer or otherwise under the Repurchase Agreement or the Servicing Agreement.

All accounts directly related to the Purchased Assets shall be maintained at Wells Fargo Bank, N.A. acceptable to Buyer, and each Seller shall cause the Underlying Obligor to enter into the contractual arrangements with Buyer and such Seller that are necessary in order to create a perfected security interest in favor of Buyer in all such accounts, including, without limitation, an Account Control Agreement in form and substance reasonably acceptable to Buyer.

Section 17.03 Servicing Reports. Each Seller shall deliver to Buyer and Custodian a monthly remittance report on or before the third Business Day immediately preceding each monthly Remittance Date containing servicing information, including those fields reasonably requested by Buyer from time to time, on an asset by asset basis and in the aggregate, with respect to the Purchased Assets for the month (or any portion thereof) before the date of such report.

Section 17.04 Event of Default. If an Event of Default or an Interim Servicer Event of Default exists, Buyer shall have the right at any time thereafter to terminate the Servicing Agreement and transfer the servicing of the Purchased Assets to Buyer or its designee, at no cost or expense to Buyer, it being agreed that each Seller will pay any fees and expenses required to terminate such Servicing Agreement and transfer servicing to Buyer or its designee in such event.

Section 18.01 Governing Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT, THE RELATIONSHIP OF THE PARTIES TO THIS AGREEMENT, AND/OR THE INTERPRETATION AND ENFORCEMENT OF THE RIGHTS AND DUTIES OF THE PARTIES TO THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS AND DECISIONS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CHOICE OF LAW RULES THEREOF OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW. Nothing in this Agreement or the other Repurchase Documents shall affect any right that Buyer may otherwise have to bring any action or proceeding arising out of or relating to the Repurchase Documents against any Seller or its properties in the courts of any jurisdiction. Each Party irrevocably and unconditionally waives, to the fullest extent permitted by Requirements of Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to the Repurchase Documents in any court referred to above, and the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each Party irrevocably consents to service of process in the manner provided for notices in Section 18.12. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

Section 18.03 IMPORTANT WAIVERS.

(a) EACH SELLER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT TO ASSERT A COUNTERCLAIM, OTHER THAN A COMPULSORY COUNTERCLAIM, IN ANY ACTION OR PROCEEDING BROUGHT AGAINST IT BY BUYER OR ANY INDEMNIFIED PERSON.

NO INDEMNIFIED PERSON SHALL BE LIABLE FOR ANY DAMAGES ARISING FROM THE USE BY UNINTENDED RECIPIENTS OF ANY INFORMATION OR OTHER MATERIALS DISTRIBUTED BY IT THROUGH TELECOMMUNICATIONS, ELECTRONIC OR OTHER INFORMATION

TRANSMISSION SYSTEMS IN CONNECTION WITH ANY REPURCHASE DOCUMENT OR THE TRANSACTIONS.

(d) EACH PARTY CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY OR AN INDEMNIFIED PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE OTHER PARTY OR AN INDEMNIFIED PERSON WOULD NOT SEEK TO ENFORCE ANY OF THE WAIVERS IN THIS SECTION 18.03 IN THE EVENT OF LITIGATION OR OTHER CIRCUMSTANCES. THE SCOPE OF SUCH WAIVERS IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THE REPURCHASE DOCUMENTS, REGARDLESS OF THEIR LEGAL THEORY.

EACH PARTY FURTHER REPRESENTS AND WARRANTS THAT IT HAS REVIEWED SUCH WAIVERS WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL AND OTHER RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

(f) THE WAIVERS IN THIS SECTION 18.03 ARE IRREVOCABLE, MEANING THAT THEY MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND SHALL APPLY TO ANY AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO ANY OF THE REPURCHASE DOCUMENTS. Section 18.04 Integration. The Repurchase Documents supersede and integrate all previous negotiations, contracts, agreements and understandings (whether written or oral) between the Parties relating to a sale and repurchase of Purchased Assets and the other matters addressed by the Repurchase Documents, and contain the entire final agreement of the Parties relating to the subject matter thereof.

Section 18.05 Single Agreement. Each Seller agrees that (a) each Transaction is in consideration of and in reliance on the fact that all Transactions constitute a single business and contractual relationship, and that each Transaction has been entered into in consideration of the other Transactions, (b) a default by it in the payment or performance of any its obligations under a Transaction shall constitute a default by it with respect to all Transactions, (c) Buyer may set off claims and apply properties and assets held by or on behalf of Buyer with respect to any Transaction against the Repurchase Obligations owing to Buyer with respect to other Transactions, and (d) payments, deliveries and other transfers made by or on behalf of any Seller with respect to any Transaction shall be deemed to have been made in consideration of payments, deliveries and other transfers with respect to all Transactions, and the obligations of such Seller to make any such payments, deliveries and other transfers may be applied against each other and netted.

The Repurchase Documents and all Transactions shall be binding on and shall inure to the benefit of the Parties and their successors and permitted assigns. All of each Seller's representations, warranties, agreements and indemnities in the Repurchase Documents shall survive the termination of the Repurchase Documents and the payment in full of the Repurchase Obligations, and shall apply to and benefit all Indemnified Persons, Buyer and its successors and assigns, Eligible Assignees and Participants. No other Person shall be entitled to any benefit, right, power, remedy or claim under the Repurchase Documents.

Section 18.08 Assignments and Participations.

(a) Each Seller shall not sell, assign or transfer any of its rights or the Repurchase Obligations or delegate its duties under this Agreement or any other Repurchase Document without the prior written consent of Buyer, and any attempt by a Seller to do so without such consent shall be null and void. Buyer may at any time, without the consent of or notice to any Seller, sell participations to any Person (other than a natural person or Seller or Guarantor) (a "Participant") in all or any portion of Buyer's rights and/or obligations under the Repurchase Documents; provided, that (i) Buyer's obligations and each Seller's rights and obligations under the Repurchase Documents shall remain unchanged, (ii) Buyer shall remain solely responsible to Sellers for the performance of such obligations, and (iii) Sellers shall continue to deal solely and directly with Buyer in connection with Buyer's rights and obligations under the Repurchase Documents. No Participant shall have any right to approve any amendment, waiver or consent with respect to any Repurchase Document, except to the extent that the Repurchase Price or Price Differential of any Purchased Asset would be reduced or the Repurchase Date of any Purchased Asset would be postponed. Each Participant shall be entitled to the benefits of Article 12 to the same extent as if it had acquired its interest by assignment pursuant to Section 18.08(b); so long as such Participant agrees to be subject to Section 12.07 as if it were an Eligible Assignee. To the extent permitted by Requirements of Law, each Participant shall be entitled to the benefits of Sections 10.02(j) and 18.17 to the same extent as if it had acquired its interest by assignment pursuant to Section 18.08(b).

(b) Buyer may at any time, without consent of any Seller or Guarantor but upon notice to Sellers, sell and assign to any Eligible Assignee all or any portion of all of the rights and obligations of Buyer under the Repurchase Documents and, so long as no Default or Event of Default has occurred and is continuing, Buyer shall act as agent for the Eligible Assignee. Each such assignment shall be made pursuant to an Assignment and Acceptance substantially in the form of Exhibit F (an "Assignment and Acceptance"). From and after the effective date of such Assignment and Acceptance, (i) such Eligible Assignee shall be a Party and, to the extent provided therein, have the rights and obligations of Buyer under the Repurchase Documents with respect to the percentage and amount of the Repurchase Price allocated to it, (ii) Buyer shall, to the extent provided therein, if such Assignment and Acceptance is executed after an Event of Default, be released from such obligations (and, in the case of an Assignment and Acceptance covering all or the remaining portion of Buyer's obligations under this Agreement, Buyer shall cease to be a Party hereto), provided that (A) at all times prior to an Event of Default, Buyer shall remain solely responsible to Sellers for the performance of such obligations and (B) Buyer shall remain solely responsible for all claims which are based on events which occurred prior to the date of such Assignment and Acceptance, (iii) at all times prior to an Event of Default, Sellers shall continue to deal solely and directly with Buyer in connection with Buyer's rights and obligations under the Repurchase Documents, (iv) the obligations of Buyer shall be deemed to be so reduced, and (v) Buyer will give prompt written notice thereof (including identification of the Eligible Assignee and the amount of

Any sale or assignment by Buyer of rights or obligations under the Repurchase Documents that does not comply with this Section 18.08(b) shall be treated for purposes of the Repurchase Documents as a sale by such Buyer of a participation in such rights and obligations in accordance with Section 18.08(a). Notwithstanding the foregoing, so long as no Default or Event of Default has occurred and is continuing, Buyer shall not assign, syndicate and/or participate any of its rights to any competitor of a Seller described on the attached Exhibit I hereto.

The Register shall be available for inspection by the Parties at any reasonable time and from time to time upon reasonable prior notice.

(f) If Buyer sells a participation of its rights hereunder, it shall, acting solely for this purpose as a non-fiduciary agent of the applicable Seller, maintain a register on which it enters the name and address of each Participant and, with respect to each such Participant, the aggregate participated Purchase Price and applicable Price Differential, and any other interest in any obligations under the Repurchase Documents (the "Participant Register"); provided that no Party shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any obligations under any Repurchase Document) to any Person except to the extent that such disclosure is necessary to establish that such obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the participating Party shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 18.09 Ownership and Hypothecation of Purchased Assets. Title to all Purchased Assets shall pass to and vest in Buyer on the applicable Purchase Dates and, subject to the terms of the Repurchase Documents, Buyer or its designee shall have free and unrestricted use of all Purchased Assets and be entitled to exercise all rights, privileges and options relating to the Purchased Assets as the owner thereof, including rights of subscription, conversion, exchange, substitution, voting, consent and approval, and to direct any servicer or trustee. Buyer or its designee may, at any time, without the consent of Sellers, Pledgor or Guarantor, engage in repurchase transactions with the Purchased Assets or otherwise sell, pledge, repledge, transfer, hypothecate, or rehypothecate the Purchased Assets, all on terms that Buyer may determine, so long as Buyer provides the applicable Seller with advance notice of them; provided, that no such transaction shall affect the obligations of Buyer to transfer the Purchased Assets to such Seller on the applicable Repurchase Dates free and clear of any pledge, Lien, security interest,

encumbrance, charge or other adverse claim. In the event Buyer engages in a repurchase transaction with any of the Purchased Assets or otherwise pledges or hypothecates any of the Purchased Assets, Buyer shall have the right to assign to Buyer's counterparty any of the applicable representations or warranties herein and the remedies for breach thereof, as they relate to the Purchased Assets that are subject to such repurchase transaction.

Section 18.10 Confidentiality. All information regarding the terms set forth in any of the Repurchase Documents or the Transactions shall be kept confidential and shall not be disclosed by either Party to any Person except (a) to the Affiliates of such Party or its or their respective directors, officers, employees, agents, advisors, attorneys, accountants and other representatives who are informed of the confidential nature of such information and instructed to keep it confidential, (b) to the extent requested by any regulatory authority, stock exchange, government department or agency, or required by Requirements of Law or necessary or advisable in connection with any public company filing requirements under federal securities laws, (c) to the extent required to be included in the financial statements of either Party or an Affiliate thereof, (d) to the extent required to exercise any rights or remedies under the Repurchase Documents, Purchased Assets or Mortgaged Properties, (e) to the extent required to consummate and administer a Transaction, (f) in the event any Party is legally compelled to make pursuant to deposition, interrogatory, request for documents, subpoena, civil investigative demand or similar process by court order of a court of competent jurisdiction, and (g) to any actual or prospective Participant, Eligible Assignee or Hedge Counterparty that agrees to comply with this Section 18.10, and (h) in connection with a public market transaction of Guarantor, but only to the extent such disclosure is legally required pursuant to an applicable Requirement of Law; provided, that, except with respect to the disclosures by Buyer under clause (g) of this Section 18.10, no such disclosure made with respect to any Repurchase Document shall include a copy of such Repurchase Document to the extent that a summary would suffice, but if it is necessary for a copy of any Repurchase Document to be disclosed, all pricing and other economic terms set forth therein shall be redacted before disclosure.

Section 18.11 No Implied Waivers; Amendments. No failure on the part of Buyer to exercise, or delay in exercising, any right or remedy under the Repurchase Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right or remedy thereunder preclude any further exercise thereof or the exercise of any other right. The rights and remedies in the Repurchase Documents are cumulative and not exclusive of any rights and remedies provided by law. Application of the Default Rate after an Event of Default shall not be deemed to constitute a waiver of any Event of Default or Buyer's rights and remedies with respect thereto, or a consent to any extension of time for the payment or performance of any obligation with respect to which the Default Rate is applied. Except as otherwise expressly provided in the Repurchase Documents, no amendment, waiver or other modification of any provision of the Repurchase Documents shall be effective without the signed agreement of the applicable Seller and Buyer. Any waiver or consent under the Repurchase Documents shall be effective only if it is in writing and only in the specific instance and for the specific purpose for which given.

Section 18.12 Notices and Other Communications. Unless otherwise provided in this Agreement, all notices, consents, approvals, requests and other communications required or permitted to be given to a Party hereunder shall be in writing and sent prepaid by hand delivery, by certified or registered mail, by expedited commercial or postal delivery service, or by facsimile or email if also sent by one of the foregoing, to the address for such Party specified in Annex I or such other address as such Party shall specify from time to time in a notice to the other Party. Any of the foregoing communications shall be effective when delivered, if delivered prior to 4:00 PM recipient local time on a Business Day; otherwise, each such communication shall be effective on the first Business Day following the date of such delivery. A Party

receiving a notice that does not comply with the technical requirements of this Section 18.12 may elect to waive any deficiencies and treat the notice as having been properly given.

Section 18.13 Counterparts; Electronic Transmission. Any Repurchase Document may be executed in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which shall together constitute but one and the same instrument. The Parties agree that this Agreement, any documents to be delivered pursuant to this Agreement, any other Repurchase Document and any notices hereunder may be transmitted between them by email and/or facsimile. The Parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties.

Section 18.14 No Personal Liability. No administrator, incorporator, Affiliate, owner, member, partner, stockholder, officer, director, employee, agent or attorney of Buyer, any Indemnified Person, any Seller, Pledgor or Guarantor, as such, shall be subject to any recourse or personal liability under or with respect to any obligation of Buyer, any Seller, Pledgor or Guarantor under the Repurchase Documents, whether by the enforcement of any assessment, by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed that the obligations of Buyer, any Seller, Pledgor or Guarantor under the Repurchase Documents are solely their respective corporate, limited liability company or partnership obligations, as applicable, and that any such recourse or personal liability is hereby expressly waived. This Section 18.14 shall survive the termination of the Repurchase Documents and the repayment in full of the Repurchase Obligations.

Section 18.15 Protection of Buyer's Interests in the Purchased Assets; Further Assurances.

(a) Each Seller shall take such actions as necessary to cause the Repurchase Documents and/or all financing statements and continuation statements and any other necessary documents covering the right, title and interest of Buyer to the Purchased Assets to be promptly recorded, registered and filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by law fully to preserve and protect such right, title and interest. Each Seller shall execute any and all documents reasonably required to fulfill the intent of this Section 18.15.

(b) Each Seller will promptly at its expense execute and deliver such instruments and documents and take such other actions as Buyer may reasonably request from time to time in order to perfect, protect, evidence, exercise and enforce Buyer's rights and remedies under and with respect to the Repurchase Documents, the Transactions and the Purchased Assets. (c) If either Seller fails to perform any of its Repurchase Obligations, then Buyer may (but shall not be required to) perform or cause to be performed such Repurchase Obligation, and the costs and expenses incurred by Buyer in connection therewith shall be payable by Sellers. effect to the intent of the Repurchase Documents. No Default or Event of Default shall be cured by the payment or performance of any Repurchase Obligation by Buyer on behalf of a Seller. Buyer may make any such payment in accordance with any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax Lien, title or claim except to the extent such payment is being contested in good faith by a Seller in appropriate proceedings and against which adequate reserves are being maintained in accordance with GAAP. Buyer shall endeavor to give Sellers notice prior to commencing any action under this Section 18.15(c), but the failure to do so shall have no adverse effect of any kind on Buyer.

(d) Without limiting the generality of the foregoing, each Seller will no earlier than six (6) months or later than three (3) months before the fifth (5th) anniversary of the date of filing of each UCC financing statement filed in connection with to any Repurchase Document or any Transaction, (i) deliver and file or cause to be filed an appropriate continuation statement with respect to such financing statement (provided that Buyer may elect to file such continuation statement), and (ii) if requested by Buyer, deliver or cause to be delivered to Buyer an opinion of counsel, in form and substance reasonably satisfactory to Buyer, confirming and updating the security interest opinion delivered pursuant to Section 6.01(a) with respect to perfection and otherwise to the effect that the security interests hereunder continue to be enforceable and perfected security interests, subject to no other Liens of record except as expressly permitted hereunder, which opinion may contain usual and customary assumptions, limitations and exceptions.

(e) Except as provided in the Repurchase Documents, the sole duty of Buyer, Custodian or any other designee or agent of Buyer with respect to the Purchased Assets shall be to use reasonable care in the custody, use, operation and preservation of the Purchased Assets in its possession or control. Buyer shall incur no liability to any Seller or any other Person for any act of Governmental Authority, act of God or other destruction in whole or in part or negligence or wrongful act of custodians or agents selected by Buyer with reasonable care, or Buyer's failure to provide adequate protection or insurance for the Purchased Assets. Buyer shall have no obligation to take any action to preserve any rights of any Seller in any Purchased Asset against prior parties, and each Seller hereby agrees to take such action. Buyer shall have no obligation to realize upon any Purchased Asset except through proper application of any distributions with respect to the Purchased Assets made directly to Buyer or its agent(s). So long as Buyer and Custodian shall act in good faith in their handling of the Purchased Assets, each Seller waives or is deemed to have waived the defense of impairment of the Purchased Assets by Buyer and Custodian.

(f) At Buyer's election (at Buyer's sole cost and expense) and at any time during the term of this Agreement, Buyer may complete and record any or all of the Blank Assignment Documents as further evidence of Buyer's ownership interest in the related Purchased Assets.

Section 18.16 Default Rate. To the extent permitted by Requirements of Law, each Seller shall pay interest at the Default Rate on the amount of all Repurchase Obligations (other than payments of Price Differential calculated at the Default Rate) not paid when due under the Repurchase Documents until such Repurchase Obligations are paid or satisfied in full.

Section 18.17 Set-off. In addition to any rights now or hereafter granted under the Repurchase Documents, Requirements of Law or otherwise, each Seller hereby grants to Buyer and each Indemnified Person, to secure repayment of the Repurchase Obligations, a right of set-off upon any and all of the following: monies, securities, collateral or other property of each Seller and any proceeds from the foregoing, now or hereafter held or received by Buyer,

any Affiliate of Buyer or any Indemnified Person, for the account of any Seller, whether for safekeeping, custody, pledge, transmission, collection or otherwise, and also upon any and all deposits (general, specified, special, time, demand, provisional or final) and credits, claims or Indebtedness of a Seller at any time existing, and any obligation owed by Buyer or any Affiliate of Buyer to a Seller and to set-off against any Repurchase Obligations or Indebtedness owed by any Seller and any Indebtedness owed by Buyer or any Affiliate of Buyer to Seller, in each case whether direct or indirect, absolute or contingent, matured or unmatured, whether or not arising under the Repurchase Documents and irrespective of the currency, place of payment or booking office of the amount or obligation and in each case at any time held or owing by Buyer, any Affiliate of Buyer or any Indemnified Person to or for the credit of a Seller, without prejudice to Buyer's right to recover any deficiency. Each of Buyer, each Affiliate of Buyer and each Indemnified Person is hereby authorized upon any amount becoming due and payable by a Seller to Buyer or any Indemnified Person under the Repurchase Documents, the Repurchase Obligations or otherwise or upon the occurrence of an Event of Default, without notice to any Seller, any such notice being expressly waived by each Seller to the extent permitted by any Requirements of Law, to set-off, appropriate, apply and enforce such right of set-off against any and all items hereinabove referred to against any amounts owing to Buyer or any Indemnified Person by a Seller under the Repurchase Documents and the Repurchase Obligations, irrespective of whether Buyer, any Affiliate of Buyer or any Indemnified Person shall have made any demand under the Repurchase Documents and regardless of any other collateral securing such amounts, and in all cases without waiver or prejudice of Buyer's rights to recover a deficiency. Each Seller shall be deemed directly indebted to Buyer and the other Indemnified Persons in the full amount of all amounts owing to Buyer and the other Indemnified Persons by any Seller under the Repurchase Documents and the Repurchase Obligations, and Buyer and the other Indemnified Persons shall be entitled to exercise the rights of set-off provided for above. ANY AND ALL RIGHTS TO REQUIRE BUYER OR OTHER INDEMNIFIED PERSONS TO EXERCISE THEIR RIGHTS OR REMEDIES WITH RESPECT TO THE PURCHASED ASSETS, THE PLEDGED COLLATERAL OR OTHER INDEMNIFIED PERSONS UNDER THE REPURCHASE DOCUMENTS, PRIOR TO EXERCISING THE FOREGOING RIGHT OF SET-OFF, ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED BY EACH SELLER.

Buyer or any Indemnified Person shall promptly notify the applicable Seller after any such set-off and application made by Buyer or such Indemnified Person, provided that the failure to give such notice shall not affect the validity of such set-off and application. If an amount or obligation is unascertained, Buyer may in good faith estimate that obligation and setoff in respect of the estimate, subject to the relevant Party accounting to the other Party when the amount or obligation is ascertained. Nothing in this Section 18.17 shall be effective to create a charge or other security interest. This Section 18.17 shall be without prejudice and in addition to any right of set-off, combination of accounts, Lien or other rights to which any Party is at any time otherwise entitled.

Each Seller shall pay the filing costs for any financing statement or statements prepared pursuant to this Section 18.19.

Section 18.20 Periodic Due Diligence Review. Buyer may perform continuing due diligence reviews with respect to any or all of the Purchased Assets, each Seller, Guarantor, Interim Servicer and Manager, including ordering new third party reports, for purposes of, among other things, verifying compliance with the representations, warranties, covenants, agreements, duties, obligations and specifications made under the Repurchase Documents or otherwise. Upon reasonable prior notice to the applicable Seller, unless a Default or Event of Default exists, in which case no notice is required, Buyer or its representatives may during normal business hours inspect any properties and examine, inspect and make copies of the books and records of such Seller, Guarantor, Interim Servicer and Manager, the Purchased Asset Documents and the Servicing Files, except that such rights shall not apply with respect to assets other than the Purchased Assets. Each Seller shall make available to Buyer one or more knowledgeable financial or accounting officers. Each Seller shall cause Interim Servicer to cooperate with Buyer by permitting Buyer to conduct due diligence reviews of the Servicing Files. Buyer may purchase Purchased Assets from a Seller based solely on the information provided by such Seller to Buyer in the Underwriting Package and the representations, warranties, duties, obligations and covenants contained herein, and Buyer may at any time conduct a partial or complete due diligence review on some or all of the Purchased Assets, including ordering new credit reports and new Appraisals on the underlying Mortgaged Properties and otherwise re-generating the information used to originate and underwrite such Purchased Assets. Section 18.21 Time of the Essence. Time is of the essence with respect to all obligations, duties, covenants, agreements, notices or actions or inactions of the parties under the Repurchase Documents.

Section 18.22 Joint and Several Repurchase Obligations.

(a) Each Seller hereby acknowledges and agrees that (i) each Seller shall be jointly and severally liable to Buyer to the maximum extent permitted by Requirements of Law for all Repurchase Obligations, (ii) until all Repurchase Obligations shall have been paid in full and the expiration of any applicable preference or similar period pursuant to any Insolvency Law, or at law or in equity, has expired without any claims having been made, the liability of each Seller (A) shall be absolute and unconditional and shall remain in full force and effect (and, if suspended or terminated, shall be reinstated) and, for the avoidance of doubt, such liability shall be absolute and unconditional and shall remain in full force and effect even if Buyer shall not make a claim before the expiration of such period asserting an interest in all or any part of any payment(s) received by Buyer, and (B) shall not be discharged, affected, modified or impaired on the occurrence from time to time of any event, including, but not limited to, any of the following events, whether or not with notice to, or the consent of, each or any Seller: (1) the waiver, forbearance, compromise, settlement, release, termination, modification or amendment (including, but not limited to, any extension or postponement of the time for payment or performance or renewal or refinancing) of any of the Repurchase Obligations or Repurchase Documents, (2) the failure to give notice to each or any Seller of the occurrence of a Default or

an Event of Default, (3) the release, substitution or exchange by Buyer of any Purchased Asset (with or without consideration) or the acceptance by Buyer of any additional collateral or the availability or claimed availability of any other collateral or source of repayment or any nonperfection, subordination of priority (whether at law or equity) or any other impairment of any collateral, (4) the full or partial release of, or waiver or forbearance from enforcing any rights against, any Person primarily or secondarily liable for payment or performance of all or any part of the Repurchase Obligations, whether or not by Buyer, and whether or not in connection with any Insolvency Proceeding affecting any Seller or any other Person who, or any of whose property, shall at the time in question be obligated in respect of the Repurchase Obligations or any part thereof, (5) the sale, exchange, waiver, surrender or release of any Purchased Asset, guarantee or other collateral by Buyer, (6) the failure of Buyer to protect, secure, perfect or insure any Lien at any time held by Buyer as security for amounts owed by Sellers, or (7) to the extent permitted by Requirements of Law, any other event, occurrence, action or circumstance that would, in the absence of this Section 18.22, result in the release or discharge, in whole or in part, of any or all of Sellers from the payment, performance or observance of any Repurchase Obligation, (iii) Buyer shall not be required first to initiate any suit or to attempt to enforce or exhaust its remedies against any Seller or any other Person in order to enforce the Repurchase Documents or seek payment and/or performance of any or all of the Repurchase Obligations against any Seller and each Seller expressly agrees that, notwithstanding the occurrence of any of the foregoing, each Seller is and shall remain directly and primarily liable for all sums due under any of the Repurchase Documents, including, but not limited to, all of the Repurchase Obligations, (iv) when making any demand hereunder against any Seller or any of the Purchased Assets, Buyer may, but shall be under no obligation to, make a similar demand on any other Seller, or otherwise pursue such rights and remedies as it may have against any Seller or any other Person or against any collateral security or guarantee related thereto or any right of offset with respect thereto, and any failure by Buyer to make any such demand, file suit or otherwise pursue such other rights or remedies or to collect any payments from any other Seller or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right offset, or any release of any Seller or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve any Seller in a respect of which a demand or collection is not made or Sellers not so released of their obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of Buyer against Sellers (as used herein, the term "demand" shall include the commencement and continuation of legal proceedings), (v) on disposition by Buyer of any property encumbered by any Purchased Assets, each Seller shall be and shall remain jointly and severally liable for any deficiency, (vi) each Seller waives (A) any and all notice of the creation, renewal, extension or accrual of any amounts at any time owing to Buyer by any other Seller under the Repurchase Documents and notice of or proof of reliance by Buyer upon any Seller or acceptance of the obligations of any Seller under this Section 18.22, and all such amounts, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the obligations of Sellers under this Agreement, and all dealings between Sellers, on the one hand, and Buyer, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the obligations of Sellers under this Agreement, and (B) diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any Seller with respect to any amounts at any time owing to Buyer by any Seller under the Repurchase Documents, and (vii) each Seller shall continue to be liable under this Section 18.22 without regard to (A) the validity, regularity or enforceability of any other provision of this Agreement or any other Repurchase Document, any amounts at any time owing to Buyer by any Seller under the Repurchase Documents, or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by Buyer, (B) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by any Seller against Buyer, or (C) any other circumstance whatsoever (with or without notice to or knowledge of any Seller) which constitutes, or might be construed

to constitute, an equitable or legal discharge of any Seller for any amounts owing to Buyer by any Seller under the Repurchase Documents, or of Sellers under this Agreement, in bankruptcy or in any other instance.

(b) Each Seller shall remain fully obligated under this Agreement notwithstanding that, without any reservation of rights against any Seller and without notice to or further assent by any Seller, any demand by Buyer for payment of any amounts owing to Buyer by any other Seller under the Repurchase Documents may be rescinded by Buyer and any the payment of any such amounts may be continued, and the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by Buyer (including any extension or postponement of the time for payment or performance or renewal or refinancing of any Repurchase Obligation), and this Agreement and the other Repurchase Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, in accordance with its terms, as Buyer may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by Buyer for the payment of amounts owing to Buyer by Sellers under the Repurchase Documents may be sold, exchanged, waived, surrendered or released. Buyer shall not have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for amounts owing to Buyer by Sellers under the Repurchase Documents, or any property subject thereto.

(c) To the extent that any Seller (the “Paying Seller”) pays more than its proportionate share of any payment made hereunder, the Paying Seller shall be entitled to seek and receive contribution from and against any other Seller that has not paid its proportionate share; provided, that the provisions of this Section 18.22 shall not limit the duties, covenants, agreements, obligations and liabilities of any Seller to Buyer, and, notwithstanding any payment or payments made by the Paying Seller hereunder or any setoff or application of funds of the Paying Seller by Buyer, the Paying Seller shall not be entitled to be subrogated to any of the rights of Buyer against any other Seller or any collateral security or guarantee or right of setoff held by Buyer, nor shall the Paying Seller seek or be entitled to seek any contribution or reimbursement from any other Seller in respect of payments made by the Paying Seller hereunder, until all Repurchase Obligations are paid in full. If any amount shall be paid to the Paying Seller on account of such subrogation rights at any time when all such amounts shall not have been paid in full, such amount shall be held by the Paying Seller in trust for Buyer, segregated from other funds of the Paying Seller, and shall, forthwith upon receipt by the Paying Seller, be turned over to Buyer in the exact form received by the Paying Seller (duly indorsed by the Paying Seller to Buyer, if required), to be applied against the Repurchase Obligations, whether matured or unmatured, in such order as Buyer may determine.

(d) The Repurchase Obligations are full recourse obligations to each Seller, and each Seller hereby forever waives, demises, acquits and discharges any and all defenses, and shall at no time assert or allege any defense, to the contrary.

Section 18.23 PATRIOT Act Notice. Buyer hereby notifies each Seller that Buyer is required by the PATRIOT Act to obtain, verify and record information that identifies such Seller.

Section 18.24 Successors and Assigns. Subject to the foregoing, the Repurchase Documents and any Transactions shall be binding upon and shall inure to the benefit of the Parties and their successors and permitted assigns.

Section 18.25 Acknowledgement of Anti-Predatory Lending Policies. Each Seller and Buyer each have in place internal policies and procedures that expressly prohibit their purchase of any high cost mortgage loan.

Section 18.26 Effect of Amendment and Restatement. From and after the date hereof, the Existing Repurchase Agreement shall be amended, restated and superseded in its entirety by this Agreement. The parties hereto acknowledge and agree that the liens and security interests granted under the Existing Repurchase Agreement are, in each case, continuing in full force and effect and, upon the amendment and restatement of the Existing Repurchase Agreement pursuant to this Agreement, such liens and security interests secure and continue to secure the payment of the Repurchase Obligations.

Section 18.27 No Novation, Effect of Agreement. Sellers and Buyer have entered into this Agreement solely to amend and restate in their entirety the terms of the Existing Repurchase Agreement and do not intend this Agreement or the transactions contemplated hereby to be, and this Agreement and the transactions contemplated hereby shall not be construed to be, a novation of any of the obligations owing by Sellers, Guarantor or Pledgor (the "Repurchase Parties") under or in connection with the Existing Repurchase Agreement, the Pledge and Security Agreement or any of the other Repurchase Documents to which any Repurchase Party is a party. It is the intention of each of the parties hereto that (i) the perfection and priority of all security interests securing the payment of the Repurchase Obligations of the Repurchase Parties under the Existing Repurchase Agreement and the Pledge and Security Agreement are preserved, (ii) the liens and security interests granted under the Existing Repurchase Agreement and the Pledge and Security Agreement continue in full force and effect, and (iii) any reference to the Existing Repurchase Agreement in any such Repurchase Document shall be deemed to reference this Agreement.

Section 18.28 Recognition of the U.S. Special Resolution Regimes.

(a) In the event that Buyer becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from Buyer of this Agreement and/or the Repurchase Documents, and any interest and obligation in or under this Agreement and/or the Repurchase Documents, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement and/or the Repurchase Documents, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that Buyer or a BHC Act Affiliate of Buyer becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement and/or the Repurchase Documents that may be exercised against Buyer are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement and/or the Repurchase Documents were governed by the laws of the United States or a state of the United States.

REPRESENTATIONS AND WARRANTIES
RE: PURCHASED ASSETS CONSISTING OF WHOLE LOANS

Each Seller represents and warrants to Buyer, with respect to each Purchased Asset that is a Whole Loan that, except as specifically disclosed in the Confirmation for such Purchased Asset, as of the Purchase Date for each such Purchased Asset by Buyer from Seller and as of the date of each Transaction hereunder and at all times while the Repurchase Documents or any Transaction hereunder is in full force and effect, the representations set forth on this Schedule 1(a) are true and correct in all material respects. For purposes of this Schedule 1(a) and the representations and warranties set forth herein, a breach of a representation or warranty shall be deemed to have been cured with respect to a Purchased Asset that is a Whole Loan if and when such Seller has taken or caused to be taken action such that the event, circumstance or condition that gave rise to such breach no longer affects such Purchased Asset or has repurchased such Purchased Asset in accordance with the terms of the Agreement.

1. The Whole Loan is a performing mortgage loan secured by a perfected, first priority security interest in a commercial, office, retail, self-storage, student housing, industrial, hotel or multifamily property.

2. As of the Purchase Date, such Whole Loan complied in all material respects with, or is exempt from, all requirements of federal, state or local law relating to such Whole Loan.

3. Immediately prior to the sale, transfer and assignment to Buyer thereof, Seller had good and marketable title to, and was the sole owner and holder of, such Whole Loan, and Seller is transferring such Whole Loan free and clear of any and all liens, pledges, encumbrances, charges, security interests or any other ownership interests of any nature encumbering such Whole Loan. Upon consummation of the purchase contemplated to occur in respect of such Whole Loan on the Purchase Date therefor, Seller will have validly and effectively conveyed to Buyer all legal and beneficial interest in and to such Whole Loan free and clear of any pledge, lien, encumbrance or security interest. There are no participation agreements affecting such Whole Loan.

4. To Seller's Knowledge, no fraudulent acts were committed by Seller in connection with its acquisition or origination of such Whole Loan nor were any fraudulent acts committed by any Person in connection with the origination of such Whole Loan.

5. All information contained in the related Underwriting Package (or as otherwise provided to Buyer) in respect of such Whole Loan is accurate and complete in all material respects. Seller has made available to Buyer for inspection, with respect to such Whole Loan, true, correct and complete Purchased Asset Documents.

6. Except as included in the Underwriting Package, Seller is not a party to any document, instrument or agreement, and there is no document, instrument or agreement, that

by its terms modifies or affects the rights and obligations of any holder of such Whole Loan and Seller has not consented to any material change or waiver to any term or provision of any such document, instrument or agreement and no such change or waiver exists.

7. Such Whole Loan is presently outstanding, the proceeds thereof have been fully disbursed pursuant to the terms of the related Purchased Asset Documents and, except for amounts held in escrow, reserve or similar accounts by Seller or Interim Servicer or as expressly agreed by Buyer in the related Confirmation, there is no requirement for any future advances thereunder.

8. Seller has full right, power and authority to sell and assign such Whole Loan, and such Whole Loan or any related Mortgage Note has not been cancelled, satisfied or rescinded in whole or part nor has any instrument been executed that would effect a cancellation, satisfaction or rescission thereof.

9. Other than consents and approvals obtained as of the related Purchase Date or those already granted in the related Mortgage and/or Mortgage Note, no consent or approval by any Person is required in connection with Seller's sale and/or Buyer's acquisition of such Whole Loan, for Buyer's exercise of any rights or remedies in respect of such Whole Loan or for Buyer's sale, pledge or other disposition of such Whole Loan. To Seller's Knowledge, no third party holds any "right of first refusal", "right of first negotiation", "right of first offer", purchase option, or other similar rights of any kind, and no other impediment exists to any such transfer or exercise of rights or remedies.

10. No consent, approval, authorization or order of, or registration or filing with, or notice to, any court or governmental agency or body having jurisdiction or regulatory authority is required for any transfer or assignment by the holder of such Whole Loan, other than recordation of assignments of each Mortgage and Assignment of Leases securing the related Whole Loan in the applicable real estate records where the Mortgaged Properties are located and the filing of UCC-3 assignments in all applicable filing offices.

11. Seller has not received written notice of any outstanding liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind for which the holder of such Whole Loan is or may become obligated.

12. Seller has not advanced funds, or knowingly received any advance of funds from a party other than the Mortgagor or any other recourse party relating to such Whole Loan or the related Mortgage Note, directly or indirectly, for the payment of any amount required by such Whole Loan or the related Mortgage Note.

13. Each related Mortgage Note, Mortgage, Assignment of Leases (if a document separate from the Mortgage) and other agreement executed by the related Mortgagor in connection with such Whole Loan is legal, valid and binding obligation of the related Mortgagor (subject to any non-recourse provisions therein and any state anti-deficiency or market value limit deficiency legislation), enforceable in accordance with its terms, except (i) that certain provisions contained in such Purchased Asset Documents are or may be

unenforceable in whole or in part under applicable state or federal laws, but neither the application of any such laws to any such provision nor the inclusion of any such provisions renders any of the Purchased Asset Documents invalid as a whole and such Purchased Asset Documents taken as a whole are enforceable to the extent necessary and customary for the practical realization of the rights and benefits afforded thereby and (ii) as such enforcement may be limited by bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws relating to or affecting the enforcement of creditors' rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law). The related Mortgage Note and Mortgage contain no provision limiting the right or ability of Seller to assign, transfer and convey the related Whole Loan to any other Person, except, however, for customary intercreditor restrictions limiting assignees to "Qualified Transferees". With respect to any Underlying Mortgaged Property that has tenants, there exists as either part of the Mortgage or as a separate document, an assignment of leases.

14. To Seller's Knowledge, as of the date of its origination, there was no valid offset, defense, counterclaim, abatement or right to rescission with respect to any related Mortgage Note, Mortgage or other agreements executed in connection therewith, and, as of the Purchase Date, there is no valid offset, defense, counterclaim or right to rescission with respect to any such Mortgage Note, Mortgage or other agreements, except in each case, with respect to the enforceability of any provisions requiring the payment of default interest, late fees, additional interest, prepayment premiums or yield maintenance charges.

15. Seller has delivered to Buyer or its designee the original Mortgage Note(s) made in respect of such Whole Loan, together with an original endorsement thereof executed by Seller in blank, it being understood that in the case of a wet funding, Seller shall deliver such documents when contemplated by and in accordance with the applicable procedures set forth in the Agreement.

16. Each related assignment of Mortgage and assignment of Assignment of Leases from Seller in blank constitutes (or, in the case of a wet funding, will constitute upon delivery in accordance with the terms of the Agreement) the legal, valid and binding perfected, first priority assignment from Seller (assuming the insertion of the Buyer's name), except as such enforcement may be limited by bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws relating to or affecting the enforcement of creditors' rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law). Each Mortgage and Assignment of Leases is freely assignable.

17. The Whole Loan is secured by one or more Mortgages and each such Mortgage is a valid and enforceable first lien on the related Underlying Mortgaged Property subject only to the exceptions set forth in paragraph (13) above and the following title exceptions (each such title exception, a "Title Exception", and collectively, the "Title Exceptions"): (a) the lien of current real property taxes, water charges, sewer rents and assessments not yet due and payable, (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record, none of which, individually or in the aggregate, materially and adversely interferes

with the current use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property, (c) the exceptions (general and specific) and exclusions set forth in the applicable policy described in paragraph (21) below or appearing of record, none of which, individually or in the aggregate, materially and adversely interferes with the current use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property, (d) other matters to which like properties are commonly subject, none of which, individually or in the aggregate, materially and adversely interferes with the current use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property, (e) the right of tenants (whether under ground leases, space leases or operating leases) at the Underlying Mortgaged Property to remain following a foreclosure or similar proceeding (provided that such tenants are performing under such leases) and (f) if such Whole Loan is cross-collateralized with any other Whole Loan, the lien of the Mortgage for such other Whole Loan, none of which, individually or in the aggregate, materially and adversely interferes with the current use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property. Except with respect to cross-collateralized and cross-defaulted Whole Loans and as provided below, there are no mortgage loans that are senior or *pari passu* with respect to the related Underlying Mortgaged Property or such Whole Loan.

18. UCC Financing Statements have been filed and/or recorded (or, if not filed and/or recorded, have been submitted in proper form for filing and recording), in all UCC filing offices necessary to perfect a valid security interest in all items of personal property located on the Underlying Mortgaged Property that are owned by the Mortgagor and either (i) are reasonably necessary to operate the Underlying Mortgaged Property or (ii) are (as indicated in the appraisal obtained in connection with the origination of the related Whole Loan) material to the value of the Underlying Mortgaged Property to the extent perfection may be effected pursuant to applicable law by recording or filing of UCC Financing Statements, and the Mortgages, security agreements, chattel Mortgages or equivalent documents related to and delivered in connection with the related Whole Loan establish and create a valid and enforceable lien and priority security interest on such items of personalty except as such enforcement may be limited by bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws relating to or affecting the enforcement of creditor's rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law). Notwithstanding any of the foregoing, no representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of UCC Financing Statements are required in order to effect such perfection.

19. All real estate taxes and governmental assessments, or installments thereof, which would be a lien on the Underlying Mortgaged Property and that prior to the Purchase Date have become delinquent in respect of the Underlying Mortgaged Property have been paid, or an escrow of funds in an amount sufficient to cover such payments has been established, or, if permitted by the applicable Purchased Asset Documents, such payment is being contested in good faith pursuant to procedures set forth in the applicable Purchased Asset Documents. For purposes of this representation and warranty, real estate taxes and governmental assessments and installments thereof shall not be considered delinquent until the earlier of (a) the date on which interest and/or penalties would first be payable thereon and (b) the date on which enforcement action is entitled to be taken by the related taxing authority.

20. Except as may be set forth in the property condition reports delivered to Buyer with respect to the Mortgaged Properties, as of the Purchase Date, the related Underlying Mortgaged Property was free and clear of any material damage (other than deferred maintenance for which escrows were established at origination or which are currently being maintained) that would affect materially and adversely the value of such Underlying Mortgaged Property as security for the Whole Loan and there was no proceeding pending or, based solely upon the delivery of written notice thereof from the appropriate condemning authority, threatened for the total or partial condemnation of such Underlying Mortgaged Property.

21. The lien of each related Mortgage as a first priority lien in the original principal amount of such Whole Loan after all advances of principal is insured by an ALTA lender's title insurance policy (or a binding commitment therefor), or its equivalent as adopted in the applicable jurisdiction, insuring Seller, its successors and assigns, subject only to the Title Exceptions; the holder of the Mortgage (the "Mortgagee") or its successors or assigns is the sole named insured of such policy; such policy is assignable without consent of the insurer and will inure to the benefit of the Buyer as the Mortgagee of record; such title policy is in full force and effect upon the consummation of the transactions contemplated by this Agreement; all premiums thereon have been paid; no claims have been made under such policy and no circumstance exists which would impair or diminish the coverage of such policy. The insurer issuing such policy is either (x) a nationally-recognized title insurance company or (y) qualified to do business in the jurisdiction in which the related Underlying Mortgaged Property is located to the extent required; such policy contains no material exclusions for, or affirmatively insures (except for any Underlying Mortgaged Property located in a jurisdiction where such insurance is not available) (a) access to public road or (b) against any loss due to encroachments of any material portion of the improvements thereon.

22. As of the origination date of each Whole Loan, and to Seller's Knowledge, as of the Purchase Date of each Whole Loan, all insurance coverage was maintained with respect to the Underlying Mortgaged Property in compliance in all material respects with the requirements under each related Mortgage, which insurance covered such risks as were customarily acceptable to prudent commercial and multifamily mortgage lending institutions lending on the security of property comparable to the related Underlying Mortgaged Property in the jurisdiction in which such Underlying Mortgaged Property is located, and with respect to a fire and extended perils insurance policy, is in an amount (subject to a customary deductible) at

least equal to the lesser of (i) the replacement cost of improvements located on such Underlying Mortgaged Property, or (ii) the outstanding principal balance of the Whole Loan, and in any event, the amount necessary to prevent operation of any co-insurance provisions; and, except if such Underlying Mortgaged Property is operated as a mobile home park, is also covered by business interruption or rental loss insurance, in an amount at least equal to 12 months of operations of the related Underlying Mortgaged Property, all of which was in full force and effect with respect to the related Underlying Mortgaged Property; and insurance covering such other risks and in such amounts as are customarily acceptable to prudent commercial and multifamily mortgage lending institutions lending on the security of property comparable to the related Underlying Mortgaged Property in the jurisdiction in which such Underlying Mortgaged Property is located, is in full force and effect with respect to the related Underlying Mortgaged Property; all premiums due and payable through the Purchase Date have been paid; and no notice of termination or cancellation with respect to any such insurance policy has been received by Seller. Except for certain amounts not greater than amounts which would be considered prudent by an institutional commercial and/or multifamily mortgage lender with respect to a similar Whole Loan and which are set forth in the related Mortgage, any insurance proceeds in respect of a casualty loss, will be applied either (i) to the repair or restoration of all or part of the related Underlying Mortgaged Property or (ii) the reduction of the outstanding principal balance of the Whole Loan, subject in either case to requirements with respect to leases at the related Underlying Mortgaged Property and to other exceptions customarily provided for by prudent institutional lenders for similar loans. The Underlying Mortgaged Property is also covered by comprehensive general liability insurance against claims for personal and bodily injury, death or property damage occurring on, in or about the related Underlying Mortgaged Property, in an amount customarily required by prudent institutional lenders. An architectural or engineering consultant has performed an analysis of the Underlying Mortgaged Properties located in seismic zone 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing the probable maximum loss (“PML”) for the Underlying Mortgaged Property in the event of an earthquake; provided, that for purposes of compliance with the foregoing requirement, the PML shall be deemed to be the Scenario Expected Loss (“SEL”) reflected in the seismic report of the Underlying Mortgaged Property. If the resulting report concluded that the PML would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Underlying Mortgaged Property was obtained by an insurer rated at least A-:V by A.M. Best Company or “BBB-” (or the equivalent) from S&P and Fitch or “Baa3” (or the equivalent) from Moody’s. If the Underlying Mortgaged Property is located in Florida or within 25 miles of the coast of Texas, Louisiana, Mississippi, Alabama, Georgia, North Carolina or South Carolina, such Underlying Mortgaged Property is required to be insured by windstorm insurance in an amount at least equal to the lesser of (i) the outstanding principal balance of such Whole Loan and (ii) 100% of the full insurable value, or 100% of the replacement cost, of the improvements located on the related Underlying Mortgaged Property.

23. The insurance policies contain a standard Mortgagee clause naming the Mortgagee and its successors and assigns as loss payee, in the case of a property insurance policy, or additional insured in the case of a liability insurance policy, and provide that they are not terminable without thirty (30) days prior written notice to the Mortgagee (or, with respect to non-payment, ten (10) days prior written notice to the Mortgagee) or such lesser period as

prescribed by applicable law. Each Mortgage (a) requires that the Mortgagor maintain insurance as described above or permits the Mortgagee to require that the Mortgagor maintain insurance as described above, and (b) permits the Mortgagee to purchase such insurance at the Mortgagor's expense if Mortgagor fails to do so. The insurer with respect to each policy is qualified to write insurance in the relevant jurisdiction to the extent required.

24. As of the Purchase Date, (a) there is no material default, breach, violation or event of acceleration existing under the related Mortgage or the related Mortgage Note, and no event has occurred (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, provided, however, that this representation and warranty does not address or otherwise cover any default, breach, violation or event of acceleration that specifically pertains to any matter otherwise covered by any other representation and warranty made by Seller in any paragraph of this Schedule 1(a) and (b) Seller has not waived any material default, breach, violation or event of acceleration under such Mortgage or Mortgage Note and pursuant to the terms of the related Mortgage or the related Mortgage Note and other documents in the related Purchased Asset Documents, no Person or party other than the holder of such Mortgage Note (or its servicer) may declare any event of default or accelerate the related indebtedness under either of such Mortgage or Mortgage Note.

25. As of the Purchase Date, such Whole Loan is not, and since its origination, has not been 30 days or more past due in respect of any scheduled payment.

26. Each related Mortgage does not provide for or permit, without the prior written consent of the holder of the Mortgage Note, the related Underlying Mortgaged Property to secure any other promissory note or obligation except as expressly described in the following sentence. The related Underlying Mortgaged Property is not encumbered, and none of the Purchased Asset Documents permits the related Underlying Mortgaged Property to be encumbered subsequent to the Purchase Date without the prior written consent of the holder of such Whole Loan, by any lien securing the payment of money junior to or of equal priority with, or superior to, the lien of the related Mortgage (other than Title Exceptions, taxes, assessments and contested mechanics and materialmens liens that become payable after the Purchase Date of the related Whole Loan).

27. To Seller's Actual Knowledge, there is no material and adverse environmental condition or circumstance affecting the Underlying Mortgaged Property; to Seller's Actual Knowledge, there is no material violation of any applicable Environmental Law with respect to the Underlying Mortgaged Property; to Seller's Actual Knowledge, neither Seller nor the Underlying Obligor has taken any actions which would cause the Underlying Mortgaged Property not to be in compliance with all applicable Environmental Laws; the Purchased Asset Documents require the borrower to comply with all Environmental Laws; and each Mortgagor has agreed to indemnify the Mortgagee for any losses resulting from any material, adverse environmental condition or failure of the Mortgagor to abide by such Environmental Laws or has provided environmental insurance.

28. Each related Mortgage and Assignment of Leases, together with applicable state law, contains customary and enforceable provisions for comparable mortgaged properties similarly situated such as to render the rights and remedies of the holder thereof adequate for the practical realization against the Underlying Mortgaged Property of the benefits of the security, including realization by judicial or, if applicable, non-judicial foreclosure, subject to the effects of bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws relating to or affecting the enforcement of creditors' rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law).

29. As of the Purchase Date, no Mortgagor is a debtor in any state or federal bankruptcy or insolvency proceeding.

30. Each Whole Loan is a whole loan and contains no equity participation by the lender or shared appreciation feature and does not provide for any contingent or additional interest in the form of participation in the cash flow of the related Underlying Mortgaged Property or provide for negative amortization. Seller holds no preferred equity interest.

31. Subject to certain exceptions, which are customarily acceptable to prudent commercial and multifamily mortgage lending institutions lending on the security of property comparable to the related Underlying Mortgaged Property, each related Mortgage or loan agreement contains provisions for the acceleration of the payment of the unpaid principal balance of such Whole Loan if, without complying with the requirements of the Mortgage or loan agreement, (a) the related Underlying Mortgaged Property, or any controlling interest in the related Mortgagor, is directly transferred or sold (other than by reason of family and estate planning transfers, transfers by devise, descent or operation of law upon the death of a member, general partner or shareholder of the related borrower and transfers of less than a controlling interest (as such term is defined in the related Purchased Asset Documents) in a mortgagor, issuance of non-controlling new equity interests, transfers among existing members, partners or shareholders in the Mortgagor or an affiliate thereof, transfers among affiliated Mortgagors with respect to Whole Loans which are cross-collateralized or cross-defaulted with other mortgage loans or multi-property Whole Loans or transfers of a similar nature to the foregoing meeting the requirements of the Whole Loan (such as pledges of ownership interests that do not result in a change of control) or a substitution or release of collateral within the parameters of paragraph (34) below), or (b) the related Underlying Mortgaged Property or controlling interest in the borrower is encumbered in connection with subordinate financing by a lien or security interest against the related Underlying Mortgaged Property, other than any existing permitted additional debt. The Purchased Asset Documents require the borrower to pay all reasonable costs incurred by the Mortgagor with respect to any transfer, assumption or encumbrance requiring lender's approval.

32. Except as set forth in the related Purchased Asset Documents delivered to Buyer, the terms of the related Mortgage Note(s) and Mortgage(s) have not been waived, modified, altered, satisfied, impaired, canceled, subordinated or rescinded in any manner which materially interferes with the security intended to be provided by such Mortgage and no such

waiver, modification, alteration, satisfaction, impairment, cancellation, subordination or rescission has occurred since the date upon which the due diligence file related to the applicable Whole Loan was delivered to Buyer or its designee.

33. Each related Underlying Mortgaged Property was inspected by or on behalf of the related originator or an affiliate during the 12 month period prior to the related origination date.

34. Since origination, no material portion of the related Underlying Mortgaged Property has been released from the lien of the related Mortgage in any manner which materially and adversely affects the value of the Whole Loan or materially interferes with the security intended to be provided by such Mortgage, and, except with respect to Whole Loans (a) which permit defeasance by means of substituting for the Underlying Mortgaged Property (or, in the case of a Whole Loan secured by multiple Underlying Mortgaged Properties, one or more of such Underlying Mortgaged Properties) U.S. "government securities" as defined in Section 2(a)(16) of the Investment Company Act of 1940, as amended, sufficient to pay the Whole Loans (or portions thereof) in accordance with its terms, (b) where a release of the portion of the Underlying Mortgaged Property was contemplated at origination and such portion was not considered material for purposes of underwriting the Whole Loan, (c) where release is conditional upon the satisfaction of certain underwriting and other requirements, including the payment of a release price that represents adequate consideration for such Underlying Mortgaged Property or the portion thereof that is being released, (d) which permit the related Mortgagor to substitute a replacement property acceptable to Mortgagee pursuant to its underwriting standards in compliance with certain underwriting and legal requirements, (e) which permit the release(s) of unimproved out-parcels or other portions of the Underlying Mortgaged Property that will not have a material adverse effect on the underwritten value of the security for the Whole Loan or that were not allocated to any value in the underwriting during the origination of the Whole Loan, or (f) upon the payment in full of such Whole Loan, the terms of the related Mortgage do not provide for release of any portion of the Underlying Mortgaged Property from the lien of the Mortgage except in consideration of payment in full therefor.

35. There are no material violations of any applicable zoning ordinances, building codes or land laws applicable to the Underlying Mortgaged Property or the use and occupancy thereof other than those which (i) are insured by an ALTA lender's title insurance policy (or a binding commitment therefor), or its equivalent as adopted in the applicable jurisdiction, or a law and ordinance insurance policy or (ii) would not have a material adverse effect on the value, operation or net operating income of the Underlying Mortgaged Property. The Purchased Asset Documents require the Underlying Mortgaged Property to comply with all applicable laws and ordinances.

36. None of the material improvements which were included for the purposes of determining the appraised value of the related Underlying Mortgaged Property at the time of the origination of the Whole Loan lies outside of the boundaries and building restriction lines of such property (except Underlying Mortgaged Properties which are legal non-conforming uses), to an extent which would have a material adverse effect on the value of the Underlying

Mortgaged Property or related Mortgagor's use and operation of such Underlying Mortgaged Property (unless affirmatively covered by title insurance) and no improvements on adjoining properties encroached upon such Underlying Mortgaged Property to any material and adverse extent (unless affirmatively covered by title insurance).

37. With respect to each Whole Loan with an unpaid balance in excess of \$5,000,000, the related Mortgagor has covenanted in its organizational documents and/or the Purchased Asset Documents to own no significant asset other than the related Underlying Mortgaged Properties, as applicable, and assets incidental to its ownership and operation of such Underlying Mortgaged Properties, and to hold itself out as being a legal entity, separate and apart from any other Person.

38. After origination, no advance of funds has been made other than pursuant to the loan documents, directly or indirectly, by Seller to the Mortgagor, other than pursuant to the related Mortgage Loan Documents and, to Seller's Knowledge, no funds have been received from any Person other than the Mortgagor or a recourse party, for or on account of payments due on the Mortgage Note or the Mortgage.

39. As of the Purchase Date, there was no pending action, suit or proceeding, or governmental investigation of which Seller has received notice, against the Mortgagor or the related Underlying Mortgaged Property the adverse outcome of which could reasonably be expected to materially and adversely affect such Mortgagor's ability to pay principal, interest or any other amounts due under such Whole Loan or the security intended to be provided by the Purchased Asset Documents or the current use of the Underlying Mortgaged Property.

40. As of the Purchase Date, if the related Mortgage is a deed of trust, a trustee, duly qualified under applicable law to serve as such, has either been properly designated and serving under such Mortgage or may be substituted in accordance with the Mortgage and applicable law.

41. The Whole Loan and the interest (exclusive of any default interest, late charges or prepayment premiums) contracted for complied as of the date of origination with, or is exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.

42. Each Whole Loan that is cross-collateralized or cross-defaulted is cross-collateralized or cross-defaulted, as applicable, only with other Whole Loans sold pursuant to this Agreement.

43. The improvements located on the Underlying Mortgaged Property are either not located in a federally designated special flood hazard area or, if so located, the Mortgagor is required to maintain or the Mortgagee maintains, flood insurance with respect to such improvements and such policy is in full force and effect in an amount no less than the lesser of (i) the original principal balance of the Whole Loan, (ii) the value of such improvements on the related Underlying Mortgaged Property located in such flood hazard area or (iii) the maximum allowed under the related federal flood insurance program.

44. To Seller's Knowledge, all escrow deposits and payments required pursuant to the Whole Loan as of the Purchase Date required to be deposited with Seller in accordance with the Purchased Asset Documents have been so deposited, are in the possession, or under the control, of Seller or its agent and there are no material deficiencies in connection therewith.

45. As of the Purchase Date, the related Mortgagor and, to Seller's Actual Knowledge, the related lessee, franchisor or operator was in possession of all material licenses, permits and authorizations then required for the use of the related Underlying Mortgaged Property by the related Mortgagor. The Purchased Asset Documents require the borrower to maintain all licenses, permits and authorizations required for the current use of the related Underlying Mortgaged Property by the related Mortgagor.

46. The origination (or acquisition, as the case may be), servicing and collection practices used by Seller with respect to the Whole Loan have been in all respects legal and have met customary industry standards for servicing of commercial mortgage loans for conduit loan programs.

47. Except for Mortgagors under Whole Loans secured in whole or in part by a Ground Lease, the related Mortgagor (or its affiliate) has title in the fee simple interest in each related Underlying Mortgaged Property.

48. The Purchased Asset Documents for such Whole Loan provide that such Whole Loan is either (a) recourse or (b) non-recourse to the related Mortgagor except that, with respect to Whole Loans that are non-recourse, the related Mortgagor and a natural person (or an entity with assets other than an interest in the related Mortgagor) as guarantor have agreed to be liable with respect to losses incurred due to (i) fraud and/or other intentional material misrepresentation, (ii) misapplication or misappropriation of rents collected in advance or received by the related Mortgagor after the occurrence of an event of default and not paid to the Mortgagee or applied to the Underlying Mortgaged Property in the ordinary course of business, (iii) misapplication or conversion by the related Mortgagor of insurance proceeds or condemnation awards, (iv) breach of the environmental covenants in the related Purchased Asset Documents, and (v) other carveouts reasonably imposed by Seller.

49. Subject to the exceptions set forth in paragraph (13) and upon possession of the Underlying Mortgaged Property as required under applicable state law, any Assignment of Leases set forth in the Mortgage or separate from the related Mortgage and related to and delivered in connection with such Whole Loan establishes and creates a valid, subsisting and enforceable lien and security interest in the related Mortgagor's interest in all leases, subleases, licenses or other agreements pursuant to which any Person is entitled to occupy, use or possess all or any portion of the real property.

50. To the extent required under applicable law as of the date of origination, and necessary for the enforceability or collectability of the Whole Loan, the originator of such Whole Loan was authorized to do business in the jurisdiction in which the related Underlying Mortgaged Property is located at all times when it originated and held the Whole Loan.

51. Neither Seller nor any affiliate thereof has any obligation to make any capital contributions to the Mortgagor under the Whole Loan.

52. Each related Underlying Mortgaged Property constitutes one or more complete separate tax lots (or the related Mortgagor has covenanted to obtain separate tax lots and a Person has indemnified the Mortgagee for any loss suffered in connection therewith or an escrow of funds in an amount sufficient to pay taxes resulting from a breach thereof has been established) or is subject to an endorsement under the related title insurance policy.

53. An appraisal of the related Underlying Mortgaged Property was conducted in connection with the origination of such Whole Loan; and, to Seller's Actual Knowledge, such appraisal satisfied in all material respects either (A) the requirements of the "Uniform Standards of Professional Appraisal Practice" as adopted by the Appraisal Standards Board of the Appraisal Foundation, or (B) the guidelines in Title XI of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, in either case as in effect on the date such Whole Loan was originated.

54. The related Purchased Asset Documents require the Mortgagor to provide the Mortgagee with certain financial information at the times required under the related Purchased Asset Documents.

55. The related Underlying Mortgaged Property is served by public utilities, water and sewer (or septic facilities) and otherwise appropriate for the use in which the Underlying Mortgaged Property is currently being utilized.

56. With respect to each related Underlying Mortgaged Property consisting of a Ground Lease, Seller represents and warrants the following with respect to the related Ground Lease:

(i) Such Ground Lease or a memorandum thereof has been or will be duly recorded no later than 30 days after the Purchase Date and such Ground Lease permits the interest of the lessee thereunder to be encumbered by the related Mortgage or, if consent of the lessor thereunder is required, it has been obtained prior to the Purchase Date.

(ii) Upon the foreclosure of the Whole Loan (or acceptance of a deed in lieu thereof), the Mortgagor's interest in such Ground Lease is assignable to the Mortgagee under the leasehold estate and its assigns without the consent of the lessor thereunder (or, if any such consent is required, it has been obtained prior to the Purchase Date).

(iii) Such Ground Lease may not be amended, modified, canceled or terminated without the prior written consent of the Mortgagee, and any such action without such consent is not binding on the Mortgagee, its successors or assigns, except termination or cancellation if (i) an event of default occurs under the Ground Lease, (ii) notice thereof is provided to the Mortgagee and (iii) such default is curable by the Mortgagee as provided in the Ground Lease but remains uncured beyond the applicable cure period.

(iv) Such Ground Lease is in full force and effect, there is no material default under such Ground Lease, and to Seller's Knowledge, there is no event which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default under such Ground Lease.

(v) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give notice of any default by the lessee to the Mortgagee. The Ground Lease or ancillary agreement further provides that no notice of termination given is effective against the Mortgagee unless a copy has been given to the Mortgagee in a manner described in the Ground Lease or ancillary agreement.

(vi) The Ground Lease (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Mortgage, subject, however, to only the Title Exceptions or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the Mortgagee on the lessor's fee interest in the Underlying Mortgaged Property is subject.

(vii) A Mortgagee is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the Ground Lease) to cure any curable default under such Ground Lease before the lessor thereunder may terminate such Ground Lease.

(viii) Such Ground Lease has an original term (together with any extension options, whether or not currently exercised, set forth therein all of which can be exercised by the Mortgagee if the Mortgagee acquires the lessee's rights under the Ground Lease) that extends not less than 20 years beyond the stated maturity date of the Whole Loan.

(ix) Under the terms of such Ground Lease, any estoppel or consent letter received by the Mortgagee from the lessor, and the related Mortgage, taken together, any related insurance proceeds or condemnation award (other than in respect of a total or substantially total loss or taking) will be applied either to the repair or restoration of all or part of the related Underlying Mortgaged Property, with the Mortgagee or a trustee appointed by it having the right to hold and disburse such proceeds as repair or restoration progresses, or to the payment or defeasance of the outstanding principal balance of the Whole Loan, together with any accrued interest (except in cases where a different allocation would not be viewed as commercially unreasonable by any commercial mortgage lender, taking into account the relative duration of the Ground Lease and the related Mortgage and the ratio of the market value of the related Underlying Mortgaged Property to the outstanding principal balance of such Whole Loan).

(x) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by a prudent commercial lender.

(xi) The ground lessor under such Ground Lease is required to enter into a new lease upon termination of the Ground Lease for any reason, including the rejection of the Ground Lease in bankruptcy.

**REPRESENTATIONS AND WARRANTIES
RE: PURCHASED ASSETS CONSISTING OF
SENIOR INTERESTS**

Seller represents and warrants to Buyer, with respect to each Purchased Asset that is a Senior Interest that, except as specifically disclosed in the Confirmation for such Purchased Asset, as of the Purchase Date for each such Purchased Asset by Buyer from Seller and as of the date of each Transaction hereunder and at all times while the Repurchase Documents or any Transaction hereunder is in full force and effect, the representations set forth on this Schedule 1(b) are true and correct in all material respects. For purposes of this Schedule 1(b) and the representations and warranties set forth herein, a breach of a representation or warranty shall be deemed to have been cured with respect to a Purchased Asset that is a Senior Interest if and when Seller has taken or caused to be taken action such that the event, circumstance or condition that gave rise to such breach no longer affects such Purchased Asset or has repurchased such Purchased Asset in accordance with the terms of the Agreement.

1. The Senior Interest is either (a) a controlling senior or controlling or non-controlling pari-passu participation interest in a Whole Loan or (b) a controlling senior or controlling or non-controlling pari-passu "A-Note" in an "A/B structure" of a Whole Loan.

2. As of the Purchase Date, such Senior Interest complies in all material respects with, or is exempt from, all requirements of federal, state or local law relating to such Senior Interest.

3. Immediately prior to the sale, transfer and assignment to Buyer thereof, Seller had good and marketable title to, and was the sole owner and holder of, such Senior Interest, and Seller is transferring such Senior Interest free and clear of any and all liens, pledges, encumbrances, charges, security interests or any other ownership interests of any nature encumbering such Senior Interest. Upon consummation of the purchase contemplated to occur in respect of such Senior Interest on the Purchase Date therefor, Seller will have validly and effectively conveyed to Buyer all legal and beneficial interest in and to such Senior Interest free and clear of any pledge, lien, encumbrance or security interest.

4. To Seller's Knowledge, no fraudulent acts were committed by Seller in connection with its acquisition or origination of such Senior Interest, nor were any fraudulent acts committed by any Person in connection with the origination of such Senior Interest.

5. All information contained in the related Underwriting Package (or as otherwise provided to Buyer) in respect of such Senior Interest is accurate and complete in all material respects. Seller has made available to Buyer for inspection, with respect to such Senior Interest, true, correct and complete Senior Interest Documents.

6. Except as included in the Underwriting Package, Seller is not a party to any document, instrument or agreement, and there is no document, that by its terms modifies or

affects the rights and obligations of any holder of such Senior Interest and Seller has not consented to any material change or waiver to any term or provision of any such document, instrument or agreement and no such change or waiver exists.

7. Seller has full right, power and authority to sell and assign such Senior Interest and such Senior Interest or any related Mortgage Note has not been cancelled, satisfied or rescinded in whole or part nor has any instrument been executed that would effect a cancellation, satisfaction or rescission thereof.

8. Other than consents and approvals obtained as of the related Purchase Date or those already granted in the related Mortgage and/or Mortgage Note, and assuming that Buyer and any other transferees comply with customary intercreditor restrictions in the Senior Interest Documents limiting assignees to "Qualified Transferees", "Institutional Lender/ Owners" or "Qualified Institutional Lenders", no consent or approval by any Person is required in connection with Seller's sale and/or Buyer's acquisition of such Senior Interest, for Buyer's exercise of any rights or remedies in respect of such Senior Interest or for Buyer's sale, pledge or other disposition of such Senior Interest. To Seller's Knowledge, no third party holds any "right of first refusal", "right of first negotiation", "right of first offer", purchase option, or other similar rights of any kind, and no other impediment exists to any such transfer or exercise of rights or remedies.

9. No consent, approval, authorization or order of, or registration or filing with, or notice to, any court or governmental agency or body having jurisdiction or regulatory authority is required for any transfer or assignment by the holder of such Senior Interest, other than recordation of assignments of each Mortgage and Assignment of Leases securing the related Whole Loan in the applicable real estate records where the Underlying Mortgaged Properties are located and the filing of UCC-3 assignments in all applicable filing offices.

10. Seller has delivered to Buyer or its designee the original promissory note, certificate or other similar indicia of ownership of such Senior Interest, however denominated, together with an original assignment thereof, executed by Seller in blank.

11. To Seller's Knowledge, no default or event of default has occurred under any agreement pertaining to any lien relating to the Underlying Mortgaged Property ranking junior to, *pari passu* or senior to the Mortgage securing the underlying Whole Loan relating to such Senior Interest, and there is no provision in any such agreement which would provide for any increase in the principal amount of any such lien.

12. As of the Purchase Date, (a) there is no material default, breach, violation or event of acceleration existing under the Senior Interest, the related Mortgage or the related Mortgage Note, and no event has occurred (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, provided, however, that this representation and warranty does not address or otherwise cover any default, breach, violation or event of acceleration that specifically pertains to any matter otherwise covered by any other representation and warranty made by Seller in any paragraph of this Schedule 1(b) and

(b) Seller has not waived any material default, breach, violation or event of acceleration under such Senior Interest, Mortgage or Mortgage Note and pursuant to the terms of the related Mortgage or the related Mortgage Note and other documents in the related Senior Interest Documents.

13. Each Senior Interest has not been and shall not be deemed to be a Security within the meaning of the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended.

14. As of the Purchase Date, each related underlying Whole Loan complied in all material respects with, or is exempt from, all requirements of federal, state or local law relating to the origination of such underlying Whole Loan.

15. Seller has not received written notice of any outstanding liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind for which the holder of such Senior Interest is or may become obligated under the Senior Interest Documents.

16. Seller has not advanced funds, or knowingly received any advance of funds from a party other than the Mortgagor relating to such Senior Interest, directly or indirectly, for the payment of any amount required by such Senior Interest.

17. With respect to each related underlying Whole Loan, each related Mortgage Note, Mortgage, Assignment of Leases (if a document separate from the Mortgage) and other agreement executed by the related Mortgagor in connection with such underlying Whole Loan is legal, valid and binding obligation of the related Mortgagor (subject to any non-recourse provisions therein and any state anti-deficiency or market value limit deficiency legislation), enforceable in accordance with its terms, except (i) that certain provisions contained in such Purchased Asset Documents are or may be unenforceable in whole or in part under applicable state or federal laws, but neither the application of any such laws to any such provision nor the inclusion of any such provisions renders any of the Purchased Asset Documents invalid as a whole and such Purchased Asset Documents taken as a whole are enforceable to the extent necessary and customary for the practical realization of the rights and benefits afforded thereby and (ii) as such enforcement may be limited by bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws affecting the enforcement of creditors' rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law). The related Mortgage Note and Mortgage contain no provision limiting the right or ability of any holder thereof to assign, transfer and convey all or any portion of the related underlying Whole Loan or the related Senior Interest to any other Person, except, however, for customary intercreditor restrictions in the Senior Interest Documents, limiting assignees to "Qualified Transferees" "Institutional Lender/Owners" or "Qualified Institutional Lenders". With respect to any Underlying Mortgaged Property that has tenants, there exists as either part of the Mortgage or as a separate document, an assignment of leases.

18. With respect to the Senior Interest and each related underlying Whole Loan, as of the date of its origination, there was no valid offset, defense, counterclaim, abatement or right to rescission with respect to any related Mortgage Note, Mortgage or other agreements executed in connection therewith, and, as of the Purchase Date for the related Purchased Asset, there is no valid offset, defense, counterclaim or right to rescission with respect to any such Mortgage Note, Mortgage or other agreements, except in each case, with respect to the enforceability of any provisions requiring the payment of default interest, late fees, additional interest, prepayment premiums or yield maintenance charges.

19. With respect to the underlying Whole Loan, each related Assignment of Mortgage and assignment of Assignment of Leases from Seller in blank constitutes the legal, valid and binding first priority assignment from Seller (assuming the insertion of the Buyer's name), except as such enforcement may be limited by bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws relating to or affecting the enforcement of creditors' rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law). Each Mortgage and Assignment of Leases is freely assignable.

20. The underlying Whole Loan is secured by one or more Mortgages and each such Mortgage is a valid and enforceable first lien on the related Underlying Mortgaged Property subject only to the exceptions set forth in paragraph (17) above and the following title exceptions (each such title exception, a "Title Exception", and collectively, the "Title Exceptions"): (a) the lien of current real property taxes, water charges, sewer rents and assessments not yet due and payable, (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record, none of which, individually or in the aggregate, materially and adversely interferes with the current use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the underlying Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property, (c) the exceptions (general and specific) and exclusions set forth in the applicable policy described in paragraph (24) below or appearing of record, none of which, individually or in the aggregate, materially and adversely interferes with the use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the underlying Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property, (d) other matters to which like properties are commonly subject, none of which, individually or in the aggregate, materially and adversely interferes with the use of the Underlying Mortgaged Property or the security intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the underlying Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property, (e) the right of tenants (whether under ground leases, space leases or operating leases) at the Underlying Mortgaged Property to remain following a foreclosure or similar proceeding (provided that such tenants are performing under such leases) and (f) if such underlying Whole Loan is cross-collateralized with any other underlying Whole Loan, the lien of the Mortgage for such other underlying Whole Loan, none of which, individually or in the aggregate, materially and adversely interferes with the use of the Underlying Mortgaged Property or the security

intended to be provided by such Mortgage or with the Mortgagor's ability to pay its obligations under the underlying Whole Loan when they become due or materially and adversely affects the value of the Underlying Mortgaged Property. Except with respect to cross-collateralized and cross-defaulted underlying Whole Loans and as provided below, there are no mortgage loans that are senior or *pari passu* with respect to the related Underlying Mortgaged Property or such underlying Whole Loan.

21. UCC Financing Statements have been filed and/or recorded (or, if not filed and/or recorded, have been submitted in proper form for filing and recording), in all UCC filing offices necessary to perfect a valid security interest in all items of personal property located on each related Underlying Mortgaged Property that are owned by the Mortgagor and either (i) are reasonably necessary to operate such Underlying Mortgaged Property or (ii) are (as indicated in the appraisal obtained in connection with the origination of the related underlying Whole Loan) material to the value of such Underlying Mortgaged Property (other than any personal property subject to a purchase money security interest or a sale and leaseback financing arrangement permitted under the terms of such underlying Whole Loan or any other personal property leases applicable to such personal property), to the extent perfection may be effected pursuant to applicable law by recording or filing of UCC Financing Statements, and the Mortgages, security agreements, chattel Mortgages or equivalent documents related to and delivered in connection with the related underlying Whole Loan establish and create a valid and enforceable lien and priority security interest on such items of personalty except as such enforcement may be limited by bankruptcy, insolvency, receivership, reorganization, moratorium, redemption, liquidation or other laws affecting the enforcement of creditor's rights generally, or by general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law). Notwithstanding any of the foregoing, no representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of UCC Financing Statements are required in order to effect such perfection.

22. All real estate taxes and governmental assessments, or installments thereof, which would be a lien on any related Underlying Mortgaged Property and that prior to the Purchase Date for the related Purchased Asset have become delinquent in respect of such Underlying Mortgaged Property have been paid, or an escrow of funds in an amount sufficient to cover such payments has been established, or, if permitted by the applicable Senior Interest Documents, such payment is being contested in good faith pursuant to procedures set forth in the applicable Senior Interest Documents. For purposes of this representation and warranty, real estate taxes and governmental assessments and installments thereof shall not be considered delinquent until the earlier of (a) the date on which interest and/or penalties would first be payable thereon and (b) the date on which enforcement action is entitled to be taken by the related taxing authority.

23. Except as may be set forth in the property condition reports delivered to Buyer with respect to the Mortgaged Properties, as of the Purchase Date for the related Purchased Asset, each related Underlying Mortgaged Property was free and clear of any material damage (other than deferred maintenance for which escrows were established at origination or

which are currently being maintained) that would affect materially and adversely the value of such Underlying Mortgaged Property as security for the related underlying Whole Loan and there was no proceeding pending or, based solely upon the delivery of written notice thereof from the appropriate condemning authority, threatened for the total or partial condemnation of such Underlying Mortgaged Property.

24. With respect to each related underlying Whole Loan, the lien of each related Mortgage as a first priority lien in the original principal amount of such underlying Whole Loan after all advances of principal is insured by an ALTA lender's title insurance policy (or a binding commitment therefor), or its equivalent as adopted in the applicable jurisdiction, insuring the Mortgagee, its successors and assigns, subject only to the Title Exceptions; the Mortgagee or its successors or assigns is the sole named insured of such policy; such policy is assignable without consent of the insurer and Seller and will inure to the benefit of the Buyer as the Mortgagee of record; such title policy is in full force and effect upon the consummation of the transactions contemplated by this Agreement; all premiums thereon have been paid; no claims have been made under such policy and no circumstance exists which would impair or diminish the coverage of such policy. The insurer issuing such policy is either (x) a nationally-recognized title insurance company or (y) qualified to do business in the jurisdiction in which the related Underlying Mortgaged Property is located to the extent required; such policy contains no material exclusions for, or affirmatively insures (except for any Underlying Mortgaged Property located in a jurisdiction where such insurance is not available) (a) access to public road or (b) against any loss due to encroachments of any material portion of the improvements thereon.

25. With respect to each related underlying Whole Loan, as of the origination date of each underlying Whole Loan, and to Seller's Knowledge, as of the Purchase Date of each underlying Whole Loan, all insurance coverage was being maintained with respect to the Underlying Mortgaged Property in compliance in all material respects with the requirements under each related Mortgage, which insurance covered such risks as were customarily acceptable to prudent commercial and multifamily mortgage lending institutions lending on the security of property comparable to the related Underlying Mortgaged Property in the jurisdiction in which such Underlying Mortgaged Property is located, and with respect to a fire and extended perils insurance policy, is in an amount (subject to a customary deductible) at least equal to the lesser of (i) the replacement cost of improvements located on such Underlying Mortgaged Property, or (ii) the outstanding principal balance of the underlying Whole Loan, and in any event, the amount necessary to prevent operation of any co-insurance provisions; and, except if such Underlying Mortgaged Property is operated as a mobile home park, is also covered by business interruption or rental loss insurance, in an amount at least equal to 12 months of operations of the related Underlying Mortgaged Property, all of which is in full force and effect with respect to each related Underlying Mortgaged Property; and insurance covering such other risks and in such amounts as are customarily acceptable to prudent commercial and multifamily mortgage lending institutions lending on the security of property comparable to the related Underlying Mortgaged Property in the jurisdiction in which such Underlying Mortgaged Property is located, is in full force and effect with respect to the related Underlying Mortgaged Property; all premiums due and payable through the Purchase Date for the related Purchased Asset have been paid; and no notice of termination or cancellation with respect to any such insurance policy has

been received by Seller. Except for certain amounts not greater than amounts which would be considered prudent by an institutional commercial and/or multifamily mortgage lender with respect to a similar mortgage loan and which are set forth in the related Mortgage, any insurance proceeds in respect of a casualty loss, will be applied either (i) to the repair or restoration of all or part of the related Underlying Mortgaged Property or (ii) the reduction of the outstanding principal balance of the underlying Whole Loan, subject in either case to requirements with respect to leases at the related Underlying Mortgaged Property and to other exceptions customarily provided for by prudent institutional lenders for similar loans. The Underlying Mortgaged Property is also covered by comprehensive general liability insurance against claims for personal and bodily injury, death or property damage occurring on, in or about the related Underlying Mortgaged Property, in an amount customarily required by prudent institutional lenders. An architectural or engineering consultant has performed an analysis of the Underlying Mortgaged Properties located in seismic zone 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing the PML for the Underlying Mortgaged Property in the event of an earthquake; provided, that for purposes of compliance with the foregoing requirement, the PML shall be deemed to be the SEL reflected in the seismic report of the Underlying Mortgaged Property. If the resulting report concluded that the PML would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Underlying Mortgaged Property was obtained by an insurer rated at least A-:V by A.M. Best Company or “BBB-” (or the equivalent) from S&P and Fitch or “Baa3” (or the equivalent) from Moody’s. If the Underlying Mortgaged Property is located in Florida or within 25 miles of the coast of Texas, Louisiana, Mississippi, Alabama, Georgia, North Carolina or South Carolina, such Underlying Mortgaged Property is required to be insured by windstorm insurance in an amount at least equal to the lesser of (i) the outstanding principal balance of such underlying Whole Loan and (ii) 100% of the full insurable value, or 100% of the replacement cost, of the improvements located on the related Underlying Mortgaged Property.

The insurance policies contain a standard Mortgagee clause naming the Mortgagee and its successors and assigns as loss payee, in the case of a property insurance policy, or additional insured in the case of a liability insurance policy, and provide that they are not terminable without thirty (30) days prior written notice to the Mortgagee (or, with respect to non-payment, ten (10) days prior written notice to the Mortgagee) or such lesser period as prescribed by applicable law. Each Mortgage (a) requires that the Mortgagor maintain insurance as described above or permits the Mortgagee to require that the Mortgagor maintain insurance as described above, and (b) permits the Mortgagee to purchase such insurance at the Mortgagor’s expense if Mortgagor fails to do so. The insurer with respect to each policy is qualified to write insurance in the relevant jurisdiction to the extent required.

26. As of the Purchase Date, the underlying Whole Loan is not, and since its origination, has not been 30 days or more past due in respect of any scheduled payment.

27. 39. With respect to each related underlying Whole Loan, as of the Purchase Date for the related Purchased Asset, there was no pending action, suit or proceeding, or governmental investigation of which Seller has received notice or has Knowledge, against the Mortgagor or the related Underlying Mortgaged Property the adverse outcome of which could reasonably be expected to materially and adversely affect such Mortgagor's ability to pay principal, interest or any other amounts due under such underlying Whole Loan or the security intended to be provided by the Purchased Asset Documents or the current use of the Underlying Mortgaged Property.

40. As of the Purchase Date, with respect to each related underlying Whole Loan, if the related Mortgage is a deed of trust, a trustee, duly qualified under applicable law to serve as such, has either been properly designated and serving under such Mortgage or may be substituted in accordance with the Mortgage and applicable law.

41. With respect to the Purchased Asset and each related underlying Whole Loan, such underlying Whole Loan and the Purchased Asset and all interest thereon (exclusive of any default interest, late charges or prepayment premiums) contracted for complied as of the date of origination with, or is exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.

46. With respect to the Senior Interest and each related underlying Whole Loan, the origination (or acquisition, as the case may be), and, if Seller is the party responsible for servicing and administration of the related underlying Whole Loan under the applicable Senior Interest Documents, the servicing and collection practices used by Seller with respect to such underlying Whole Loan have been in all respects legal and have met customary industry standards for servicing of commercial mortgage loans for conduit loan programs.

48. The documents for each related underlying Whole Loan provide that each such underlying Whole Loan is either (a) recourse or (b) non-recourse to the related Mortgagor except that, with respect to underlying Whole Loans that are non-recourse, the related Mortgagor and a natural person (or an entity with assets other than an interest in the related Mortgagor) as

guarantor have agreed to be liable with respect to losses incurred due to (i) fraud and/or other intentional material misrepresentation, (ii) misappropriation of rents collected in advance or received by the related Mortgagor after the occurrence of an event of default and not paid to the Mortgagee or applied to the Underlying Mortgaged Property in the ordinary course of business, (iii) misapplication or conversion by the related Mortgagor of insurance proceeds or condemnation awards, (iv) breach of the environmental covenants in the related Purchased Asset Documents, and (v) other carveouts reasonably imposed by Seller.

49. Subject to the exceptions set forth in paragraph (17) and upon possession of the Underlying Mortgaged Property as required under applicable state law, any Assignment of Leases set forth in the Mortgage or separate from the related Mortgage and related to and delivered in connection with each underlying Whole Loan establishes and creates a valid, subsisting and enforceable lien and security interest in the related Mortgagor's interest in all leases, subleases, licenses or other agreements pursuant to which any Person is entitled to occupy, use or possess all or any portion of the real property.

50. With respect to each related underlying Whole Loan, to the extent required under applicable law as of the date of origination, and necessary for the enforceability or collectability of such underlying Whole Loan, the originator of such underlying Whole Loan was authorized to do business in the jurisdiction in which the related Underlying Mortgaged Property is located at all times when it originated and held the underlying Whole Loan.

51. Neither Seller nor any affiliate thereof has any obligation to make any capital contributions to the Mortgagor under any related underlying Whole Loan.

53. With respect to each related underlying Whole Loan, an appraisal of the related Underlying Mortgaged Property was conducted in connection with the origination of such underlying Whole Loan; and, to Seller's Actual Knowledge, such appraisal satisfied, in all material respects, either (A) the requirements of the "Uniform Standards of Professional Appraisal Practice" as adopted by the Appraisal Standards Board of the Appraisal Foundation, or (B) the guidelines in Title XI of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, in either case as in effect on the date such underlying Whole Loan was originated.

54. With respect to each related underlying Whole Loan, the related Purchased Asset Documents require the Mortgagor to provide the Mortgagee with certain financial information at the times required under such Purchased Asset Documents.

55. With respect to each related underlying Whole Loan, the related Underlying Mortgaged Property is served by public utilities, water and sewer (or septic facilities)

and otherwise appropriate for the use in which the Underlying Mortgaged Property is currently being utilized.

56. With respect to each related Underlying Mortgaged Property consisting of a Ground Lease, Seller represents and warrants the following with respect to the related Ground Lease:

(i) Such Ground Lease or a memorandum thereof has been or will be duly recorded no later than 30 days after the Purchase Date of the related Purchased Asset and such Ground Lease permits the interest of the lessee thereunder to be encumbered by the related Mortgage or, if consent of the lessor thereunder is required, it has been obtained prior to the Purchase Date.

(ii) Upon the foreclosure of the underlying Whole Loan (or acceptance of a deed in lieu thereof), the Mortgagor's interest in such Ground Lease is assignable to the Mortgagee under the leasehold estate and its assigns without the consent of the lessor thereunder (or, if any such consent is required, it has been obtained prior to the Purchase Date).

(iii) Such Ground Lease may not be amended, modified, canceled or terminated without the prior written consent of the Mortgagee, and any such action without such consent is not binding on the Mortgagee, its successors or assigns, except termination or cancellation if (i) an event of default occurs under the Ground Lease, (ii) notice thereof is provided to the Mortgagee and (iii) such default is curable by the Mortgagee as provided in the Ground Lease but remains uncured beyond the applicable cure period.

(iv) Such Ground Lease is in full force and effect, there is no material default under such Ground Lease, and, to Seller's Knowledge, there is no event which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default under such Ground Lease.

(v) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give notice of any default by the lessee to the Mortgagee. The Ground Lease or ancillary agreement further provides that no notice of termination given is effective against the Mortgagee unless a copy has been given to the Mortgagee in a manner described in the Ground Lease or ancillary agreement.

(vi) The Ground Lease (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Mortgage, subject, however, to only the Title Exceptions or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the Mortgagee on the lessor's fee interest in the Underlying Mortgaged Property is subject.

(vii) A Mortgagee is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the

Ground Lease) to cure any curable default under such Ground Lease before the lessor thereunder may terminate such Ground Lease.

(viii) Such Ground Lease has an original term (together with any extension options, whether or not currently exercised, set forth therein all of which can be exercised by the Mortgagee if the Mortgagee acquires the lessee's rights under the Ground Lease) that extends not less than 20 years beyond the stated maturity date of the underlying Whole Loan.

(ix) Under the terms of such Ground Lease, any estoppel or consent letter received by the Mortgagee from the lessor, and the related Mortgage, taken together, any related insurance proceeds or condemnation award (other than in respect of a total or substantially total loss or taking) will be applied either to the repair or restoration of all or part of the related Underlying Mortgaged Property, with the Mortgagee or a trustee appointed by it having the right to hold and disburse such proceeds as repair or restoration progresses, or to the payment or defeasance of the outstanding principal balance of the underlying Whole Loan, together with any accrued interest (except in cases where a different allocation would not be viewed as commercially unreasonable by any commercial mortgage lender, taking into account the relative duration of the Ground Lease and the related Mortgage and the ratio of the market value of the related Underlying Mortgaged Property to the outstanding principal balance of such underlying Whole Loan).

(x) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by a prudent commercial lender.

(xi) The ground lessor under such Ground Lease is required to enter into a new lease upon termination of the Ground Lease for any reason, including the rejection of the Ground Lease in bankruptcy.

performed an analysis of the Underlying Mortgaged Properties located in seismic zone 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing the probable maximum loss (“PML”) for the Underlying Mortgaged Property in the event of an earthquake. If the resulting report concluded that the PML would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Underlying Mortgaged Property was obtained by an insurer rated at least A-:V by A.M. Best Company or “BBB-” (or the equivalent) from S&P and Fitch or “Baa3” (or the equivalent) from Moody’s. If the Underlying Mortgaged Property is located in Florida or within 25 miles of the coast of Texas, Louisiana, Mississippi, Alabama, Georgia, North Carolina or South Carolina such Underlying Mortgaged Property is insured by windstorm insurance in an amount at least equal to the lesser of (i) the outstanding principal balance of such underlying Whole Loan and (ii) 100% of the full insurable value, or 100% of the replacement cost, of the improvements located on the related Underlying Mortgaged Property.

32. The insurance policies contain a standard mortgagee clause naming the holder of the underlying Mortgage (the “Mortgagee”), its successors and assigns as loss payee, in the case of a property insurance policy, and additional insured in the case of a liability insurance policy and provide that they are not terminable without 30 days prior written notice to the Mortgagee or, with respect to non-payment, 10 days prior written notice to the Mortgagee or such lesser period as prescribed by applicable law. Each underlying Mortgage requires that Property Owner maintain insurance as described above or permits the Mortgagee to require insurance as described above, and permits the Mortgagee to purchase such insurance at the Property Owner’s expense if Property Owner fails to do so.

33. There is no material and adverse environmental condition or circumstance affecting the Underlying Mortgaged Property; there is no material violation of any applicable Environmental Law with respect to the Underlying Mortgaged Property; neither Seller nor the related Property Owner has taken any actions which would cause the Underlying Mortgaged Property not to be in compliance with all applicable Environmental Laws; the underlying Whole Loan documents require the borrower to comply with all Environmental Laws; and the related Property Owner has agreed to indemnify the Mortgagee for any losses resulting from any material, adverse environmental condition or failure of the Mortgagor to abide by such Environmental Laws or has provided environmental insurance.

34. No Mezzanine Borrower under the Mezzanine Loan nor any Property Owner under any underlying Whole Loan is a debtor in any state or federal bankruptcy or insolvency proceeding.

35. Each related Underlying Mortgaged Property was inspected by or on behalf of the related originator or an affiliate during the 12 month period prior to the related origination date.

36. There are no material violations of any applicable zoning ordinances, building codes and land laws applicable to the Underlying Mortgaged Property or the use and occupancy thereof other than those which (i) are insured by an ALTA lender’s title insurance policy (or a binding commitment therefor), or its equivalent as adopted in the applicable

jurisdiction, or a law and ordinance insurance policy or (ii) would not have a material adverse effect on the value, operation or net operating income of the Underlying Mortgaged Property. The Mezzanine Loan Documents and the underlying Whole Loan documents require the Underlying Mortgaged Property to comply with all applicable laws and ordinances.

37. None of the material improvements which were included for the purposes of determining the appraised value of any related Underlying Mortgaged Property at the time of the origination of the Mezzanine Loan or any related underlying Whole Loan lies outside of the boundaries and building restriction lines of such property (except Underlying Mortgaged Properties which are legal non-conforming uses), to an extent which would have a material adverse affect on the value of the Underlying Mortgaged Property or the related Mortgagor's use and operation of such Underlying Mortgaged Property (unless affirmatively covered by title insurance) and no improvements on adjoining properties encroached upon such Underlying Mortgaged Property to any material and adverse extent (unless affirmatively covered by title insurance).

38. As of the Purchase Date, there was no pending action, suit or proceeding, or governmental investigation of which Seller has received notice or has Knowledge, against the related Property Owner or the related Underlying Mortgaged Property the adverse outcome of which could reasonably be expected to materially and adversely affect the Mezzanine Loan or the underlying Whole Loan.

39. The improvements located on the Underlying Mortgaged Property are either not located in a federally designated special flood hazard area or, if so located, the Mortgagor is required to maintain or the Mortgagee maintains, flood insurance with respect to such improvements and such policy is in full force and effect in an amount no less than the lesser of (i) the original principal balance of the underlying Whole Loan, (ii) the value of such improvements on the related Underlying Mortgaged Property located in such flood hazard area or (iii) the maximum allowed under the related federal flood insurance program.

40. Except for Property Owners under underlying Whole Loans secured in whole or in part by a Ground Lease, the related Property Owner (or its affiliate) has title in the fee simple interest in each related Underlying Mortgaged Property.

41. The related Underlying Mortgaged Property is not encumbered, and none of the Mezzanine Loan Documents or any underlying Whole Loan documents permits the related Underlying Mortgaged Property to be encumbered subsequent to the Purchase Date of the related Purchased Asset without the prior written consent of the holder thereof, by any lien securing the payment of money junior to or of equal priority with, or superior to, the lien of the related underlying Mortgage (other than Title Exceptions, taxes, assessments and contested mechanics and materialmens liens that become payable after such Purchase Date).

42. Each related Underlying Mortgaged Property constitutes one or more complete separate tax lots (or the related Property Owner has covenanted to obtain separate tax lots and a Person has indemnified the Mortgagee for any loss suffered in connection therewith or

an escrow of funds in an amount sufficient to pay taxes resulting from a breach thereof has been established) or is subject to an endorsement under the related title insurance policy.

43. An appraisal of the related Underlying Mortgaged Property was conducted in connection with the origination of the underlying Whole Loan; and, to Seller's Knowledge, such appraisal satisfied, in all material respects, either (A) the requirements of the "Uniform Standards of Professional Appraisal Practice" as adopted by the Appraisal Standards Board of the Appraisal Foundation, or (B) the guidelines in Title XI of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, in either case as in effect on the date such underlying Whole Loan was originated.

44. The related Underlying Mortgaged Property is served by public utilities, water and sewer (or septic facilities) and otherwise appropriate for the use in which the Underlying Mortgaged Property is currently being utilized.

45. With respect to each related Underlying Mortgaged Property consisting of a Ground Lease, Seller represents and warrants the following with respect to the related Ground Lease:

(i) Such Ground Lease or a memorandum thereof has been or will be duly recorded no later than 30 days after the Purchase Date of the related Purchased Asset and such Ground Lease permits the interest of the lessee thereunder to be encumbered by the related mortgage or, if consent of the lessor thereunder is required, it has been obtained prior to the Purchase Date.

(ii) Upon the foreclosure of the underlying Whole Loan (or acceptance of a deed in lieu thereof), the Property Owner's interest in such Ground Lease is assignable to the Mortgagee under the leasehold estate and its assigns without the consent of the lessor thereunder.

(iii) Such Ground Lease may not be amended, modified, canceled or terminated without the prior written consent of the Mortgagee and any such action without such consent is not binding on the Mortgagee, its successors or assigns, except termination or cancellation if (i) an event of default occurs under the Ground Lease, (ii) notice thereof is provided to the Mortgagee and (iii) such default is curable by the Mortgagee as provided in the Ground Lease but remains uncured beyond the applicable cure period.

(iv) Such Ground Lease is in full force and effect, there is no material default under such Ground Lease, and there is no event which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default under such Ground Lease.

(v) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give notice of any default by the lessee to the Mortgagee. The Ground Lease or ancillary agreement further provides that no notice given is effective against the Mortgagee unless a copy has been given to the Mortgagee in a manner described in the Ground Lease or ancillary agreement.

(vi) The Ground Lease (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Underlying Mortgage, subject, however, to only the Title Exceptions or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the Mortgagee on the lessor's fee interest in the Underlying Mortgaged Property is subject.

(vii) A Mortgagee is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the Ground Lease) to cure any curable default under such Ground Lease before the lessor thereunder may terminate such Ground Lease.

(viii) Such Ground Lease has an original term (together with any extension options, whether or not currently exercised, set forth therein all of which can be exercised by the Mortgagee if the Mortgagee acquires the lessee's rights under the Ground Lease) that extends not less than 20 years beyond the stated maturity date.

(ix) Under the terms of such Ground Lease, any estoppel or consent letter received by the Mortgagee from the lessor, and the related Underlying Mortgage, taken together, any related insurance proceeds or condemnation award (other than in respect of a total or substantially total loss or taking) will be applied either to the repair or restoration of all or part of the related Underlying Mortgaged Property, with the Mortgagee or a trustee appointed by it having the right to hold and disburse such proceeds as repair or restoration progresses, or to the payment or defeasance of the outstanding principal balance of the underlying Whole Loan, together with any accrued interest (except in cases where a different allocation would not be viewed as commercially unreasonable by any commercial mortgage lender, taking into account the relative duration of the Ground Lease and the related underlying Mortgage and the ratio of the market value of the related Underlying Mortgaged Property to the outstanding principal balance of such underlying Whole Loan).

(x) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by a prudent commercial lender.

(xi) The ground lessor under such Ground Lease is required to enter into a new lease upon termination of the Ground Lease for any reason, including the rejection of the Ground Lease in bankruptcy.

APPRAISAL PROCEDURE

If Buyer and Seller shall fail to resolve such dispute on or before the date that is fifteen (15) days after Buyer's receipt of the notice from Seller described in Section 4.01(b) of the Agreement, then Buyer and Seller each shall give notice to the other party setting forth the name and address of an Independent Appraiser designated by the party giving such notice.

If either party shall fail to give notice of such designation, then the Independent Appraiser chosen shall make the determination of the applicable market value of the underlying Mortgaged Property alone. If two Independent Appraisers have been designated, such two Independent Appraisers may consult with each other and shall, not later than the 30th day after Buyer's receipt of Seller's Notice, each issue their Appraisals of the applicable market value in writing, and give notice thereof to each other and to Buyer and Seller. If the Appraisals of the two Independent Appraisers are within ten percent (10%) of the greater appraised amount, then the applicable market value shall be the average of the two determinations. Such averaged amount shall be final and binding upon Buyer and Seller. If the Appraisals of the two Independent Appraisers are not within ten percent (10%) of the greater appraised amount, then such two Independent Appraisers, within the next ten days, shall designate a third Independent Appraiser. If the two Independent Appraisers shall be unable to select a third Independent Appraiser within such ten day period, then either party may apply to the American Arbitration Association or any successor thereto having jurisdiction, for the designation of such Independent Appraiser. The third Independent Appraiser shall prepare an Appraisal on an expedited basis, and in any event, within thirty (30) days after its designation. Upon issuance of such third Appraisal, the applicable market value shall be the average of the two Appraisals that are the closest to each other in amount. Such averaged amount shall be final and binding upon Buyer and Seller. Seller shall pay the fees of each Independent Appraiser. The determination rendered in accordance with the provisions of this Schedule shall be final, conclusive and binding in fixing the applicable market value. Such determination shall not be appealable.

In the event that the market value of the underlying Mortgaged Property as determined in accordance with this Schedule meant that a Credit Event under clause (iv) of such definition in fact did not occur on the date of the original Margin Call, then Buyer shall, within two Business Days after such determination, refund to Seller the amount of any Margin Call payment Seller has made on account thereof or, if applicable, reverse any reallocation of previous partial prepayments made in lieu of such Margin Call.

This Compliance Certificate is furnished pursuant to the above Agreement. Unless otherwise defined herein, capitalized terms used in this Compliance Certificate have the respective meanings ascribed thereto in the Agreement.

THE UNDERSIGNED HEREBY CERTIFIES THAT:

1. I am a duly elected Responsible Officer of Guarantor.
2. All of the financial statements, calculations and other information set forth in this Compliance Certificate, including in any exhibit or other attachment hereto, are true, complete and correct as of the date hereof.
3. I have reviewed the terms of the Agreement and I have made, or have caused to be made under my supervision, a detailed review of the transactions and financial condition of Guarantor during the accounting period covered by the financial statements attached hereto (or most recently delivered to Buyer if none are attached).
4. The examinations described in the preceding paragraph did not disclose, and I have no knowledge of, the existence of any condition or event which constitutes an Event of Default or Default during or at the end of the accounting period covered by the attached financial statements or as of the date of this Compliance Certificate (including after giving effect to any pending Transactions requested to be entered into), except as set forth below.

5. Attached as Exhibit 1 hereto are the financial statements required to be delivered pursuant to Section 8.07 of the Agreement (or, if none are required to be delivered as of the date of this Compliance Certificate, the financial statements most recently delivered pursuant to Section 8.07 of the Agreement), which financial statements, to the best of my knowledge after due inquiry, fairly and accurately present in all material respects, the consolidated financial condition and operations of Guarantor and the consolidated results of its operations as of the date or with respect to the period therein specified, determined in accordance with GAAP.

6. Attached as Exhibit 2 hereto are the calculations demonstrating compliance with the financial covenants set forth in Section 8.05 of the Agreement and in Section 9 of the Guarantee Agreement, each for the immediately preceding fiscal quarter. Notwithstanding the foregoing, to the extent that Exhibit 2 is not attached hereto, the certification set forth in the preceding sentence shall incorporate by reference the calculations set forth on Exhibit 2 to the most recently dated Compliance Certificate that included a certified copy of the required calculations.

7. To the best of my knowledge, Seller has, during the period since the delivery of the immediately preceding Compliance Certificate, observed or performed all of its covenants and other agreements in all material respects, and satisfied in all material respects every condition, contained in the Agreement and the other Repurchase Documents to be observed, performed or satisfied by it, and I have no knowledge of the occurrence during such period, or present existence, of any condition or event which constitutes an Event of Default or Default (including after giving effect to any pending Transactions requested to be entered into), except as set forth below.

Described below are the exceptions, if any, to the above paragraph, setting forth in detail the nature of the condition or event, the period during which it has existed and the action which the Guarantor or Seller has taken, is taking, or proposes to take with respect to such condition or event:

(Securities Account)**

WHEREAS, pursuant to the terms the [identify security agreement] between Secured Party and Pledgor (as amended from time to time, the “**Security Agreement**”), Pledgor has granted to Secured Party a security interest in the Collateral Accounts and the Collateral (each as defined below) to secure the obligations of Pledgor described in the Security Agreement; and

WHEREAS, Secured Party, Pledgor and the Custodian are entering into this Agreement to provide for the control of the Collateral;

NOW, THEREFORE, in consideration of the mutual promises set forth herein, it is agreed as follows:

1. Collateral Accounts. All Collateral (other than cash Collateral) shall be identified and segregated on the Custodian’s books and records under the name “[Name of Pledgor] for the benefit of [ACRC Lender W LLC, ACRC Lender W TRS LLC and/or applicable pledge agent]” (the “**Securities Account**”). The Custodian agrees to treat all Collateral at any time credited to the Securities Account as financial assets under Article 8 of the Uniform Commercial Code as in effect from time to time in The State of New York (the “**UCC**”), and shall credit all such Collateral to the Securities Account. The Custodian represents that the Securities Account is a “securities account” (as defined in Section 8-501(a) of the UCC).

2. Account Control.

2.1 Security Interest. This Agreement is intended by Secured Party and Pledgor to grant “control” of the Collateral Accounts to Secured Party for purposes of perfection of Secured Party’s security interest in such Collateral pursuant to Article 8 and Article 9 of the UCC, and the Custodian hereby acknowledges that it has been advised of Pledgor’s grant to Secured Party of a security interest in the Collateral Accounts and all financial assets, funds and other property credited thereto or held therein from time to time (collectively, the “**Collateral**”). Notwithstanding anything to the contrary in this Agreement, the Custodian will at all times comply with entitlement orders (within the meaning of Sections 8-102 and 9-106 of the UCC) received from Secured Party with respect to the Collateral Accounts, including without limitation instructions directing the disposition of all amounts credited thereto, without further consent of the Pledgor or any other person.

2.2 Control by Pledgor. Unless and until the Custodian receives written notice from Secured Party pursuant to Section 2.3 below instructing the Custodian that Secured Party is exercising its right to exclusive control over the Collateral Accounts, which notice is substantially in the form attached hereto as Exhibit A (a “**Notice of Exclusive Control**”) the Custodian shall accept account instructions from Pledgor.

2.3 Control by Secured Party.

(i) Secured Party agrees to provide the Custodian, in the form of Exhibit B attached (as may be amended from time to time), the names and signatures of authorized parties who may give notices, instructions, or entitlement orders concerning the Collateral Accounts. Other means of notice or instruction may be used provided that Secured Party and the Custodian agree to appropriate security procedures. Upon receipt by the Custodian of a Notice of Exclusive Control, the Custodian shall thereafter follow only the entitlement orders of Secured Party with respect to the Collateral Accounts and shall comply with any entitlement order or instructions (within the meaning of Sections 8-102 and 9-106 of the UCC) received from Secured Party with respect thereto, including without limitation instructions directing the disposition of any amounts credited thereto, without further consent of Pledgor or any other person, and Custodian will not comply with entitlement orders concerning the Collateral originated by Pledgor without the prior written consent of Secured Party.

(ii) The Custodian shall have no responsibility or liability to Pledgor for complying with a Notice of Exclusive Control or complying with entitlement orders or instructions originated by Secured Party concerning the Collateral Accounts. The Custodian shall have no duty to investigate or make any determination to verify the existence of an event of default or compliance by either Secured Party or Pledgor with applicable law or the Security Agreement, and the Custodian shall be fully protected in complying with a Notice of Exclusive Control whether or not Pledgor may allege that no such event of default or other like event exists.

3. Distributions. The Custodian shall, without further action by Pledgor or Secured Party, credit to the Securities Account all interest, dividends and other income received by the Custodian on the Collateral (collectively, “**Proceeds**”) as additional Collateral.

4. Release of Collateral; Release of Security Interest.

4.1 Release of Collateral. Subject to Section 2.3 hereof, Custodian will release all, or any designated portion, of the Collateral held in the Collateral Accounts as soon as reasonably practicable after receiving written instructions or entitlement orders from Secured Party and Pledgor authorizing such release.

4.2 Release of Security Interest. Secured Party agrees to notify the Custodian promptly in writing when all obligations of Pledgor to Secured Party secured by the Security Agreement have been fully paid and satisfied (and any commitment of Secured Party to advance further amounts or credit thereunder has been terminated) or Secured Party otherwise no longer

claims any interest in the Collateral in the Collateral Accounts, whichever is sooner; at which time the Custodian shall have no further liabilities or responsibilities hereunder and the Custodian's obligations under this Agreement shall terminate.

5. Duties and Services of Custodian.

- (i) Custodian agrees that it is acting as a "securities intermediary," as defined in Section 8-102(a)(14) of the UCC, with respect to the Securities Account and the Collateral credited thereto.
- (ii) The Custodian shall have no duties, obligations, responsibilities or liabilities with respect to the Collateral Accounts except as and to the extent expressly set forth in this Agreement. The Custodian shall not be liable or responsible for anything done or omitted to be done by it in good faith and in the absence of bad faith, negligence or willful misconduct.
- (iii) Pledgor shall indemnify and hold the Custodian harmless with regard to any losses or liabilities of the Custodian (including reasonable attorneys' fees) imposed on or incurred by the Custodian arising out of any action or omission of the Custodian under this Agreement, except for any such losses or liabilities caused by the bad faith, negligence or willful misconduct of the Custodian.

6. Force Majeure. The Custodian shall not be liable for delays, errors or losses occurring by reason of circumstances beyond its control, including, without limitation, acts of God, market disorder, terrorism, insurrection, war, riots, failure of transportation or equipment, or failure of vendors, communication or power supply. In no event shall the Custodian be liable to any person for indirect, consequential or special damages, even if the Custodian has been advised of the possibility or likelihood of such damages (each, a "**Force Majeure Event**"); provided, however, that the Custodian shall (i) make reasonably diligent efforts to mitigate the effects of any Force Majeure Event and (ii) resume performance under this Agreement as soon as reasonably possible after the cessation of such Force Majeure Event.

7. Custodian Representations. The Custodian agrees and confirms, as of the date hereof, and at all times until the termination of this Agreement, that it has not entered into, and until the termination of this Agreement will not enter into, any agreement with any other person or entity relating to the Collateral or the Collateral Accounts under which it has agreed to comply with entitlement orders (as defined in Section 8-102(a)(8) of the UCC) or other instructions of such other person or entity.

8. Fees and Expenses of Custodian; Subordination of Security Interest. Pledgor hereby agrees to pay and reimburse the Custodian for any advances, fees, costs, expenses (including, without limitation, reasonable attorneys' fees and costs) and disbursements that may be paid or incurred by the Custodian in connection with this Agreement or the arrangement contemplated hereby. The Custodian agrees that any security interest, lien, encumbrance or other right that the Custodian may have with respect to the Collateral or the Collateral Accounts shall be subordinate to the security interest of Secured Party therein.

9. Notices. Any notice, instruction, entitlement order or other instrument required to be given hereunder, or requests and demands to or upon the respective parties hereto, shall be in writing and may be sent by hand, or by facsimile transmission, email, telex, or overnight delivery by any recognized delivery service, prepaid or, for termination of this Agreement only, by certified or registered mail, and addressed as follows, or to such other address as any party may hereafter notify the other respective parties hereto in writing:
